HRC extradition already in motion effective yesterday with several countries in case of cross border run. Passport approved to be flagged effective 10/30 @ 12:01am. Expect massive riots organized in defiance and others fleeing the US to occur. US M's will conduct the operation while NG activated. Proof check: Locate a NG member and ask if activated for duty 10/30 across most major cities.

Mockingbird

HRC detained, not arrested (yet).

Where is Huma? Follow Huma.

This has nothing to do w/ Russia (yet).

Why does Potus surround himself w/ generals?

What is military intelligence?

Why go around the 3 letter agencies?

What Supreme Court case allows for the use of MI v Congressional assembled and approved agencies?

Who has ultimate authority over our branches of military wlo approval conditions unless 90+ in wartime conditions?

What is the military code?

Where is AW being held? Why?

POTUS will not go on tv to address nation.

POTUS must isolate himself to prevent negative optics.

POTUS knew removing criminal rogue elements as a first step was essential to free and pass legislation.

Who has access to everything classified?

Do you believe HRC, Soros, Obama etc have more power than Trump? Fantasy.

Whoever controls the office of the Presidency controls this great land.

They never believed for a moment they (Democrats and Republicans) would lose control.

This is not a R v D battle.

Why did Soros donate all his money recently?

Why would he place all his funds in a RC?

Mockingbird 10.30.17

God bless fellow Patriots.

Open your eyes.

It finally came out that Rod/Bob were key players in the Uranium scandal.

Don't you think POTUS would be tweeting about removal given clear conflict.

Why did POTUS meet Bob under the cover of FBI Dir interview?

Bob is unable to serve as Dir per the law.

Gowdy comments on Comey (history will)

POTUS has everything.

Not everyone is corrupt (fewer than you think).

Follow Huma.

Operation Mockingbird.

Priority to clean out the bad actors to unite people behind the America First agenda.

Many in our govt worship Satan.

Not about Republicans v Democrats at this stage.

Where is HRC?

Why is the NG called up across 12 cities?

Trust in your President.

God bless, Patriots.

Some of us come here to drop crumbs, just crumbs.

POTUS is 100% insulated - any discussion suggesting he's even a target is false.

POTUS will not be addressing nation on any of these issues as people begin to be

Follow the money, it's the key.

What is Pelosi's net worth by way of one example. Why coincidentally is her memory apparently going?

indicted and must remain neutral for pure optical reasons. To suggest this is the plan is false and should be common sense.

Focus on Military Intellingence/ State Secrets and why might that be used vs any three letter agency

What SC decision opened the door for a sitting President to activate - what must be showed?

Why is POTUS surrounded by generals ^^

Again, there are a lot more good people than bad so have faith. This was a hostile takeover from an evil corrupt network of players (not just Democrats).

Don't fool yourself into thinking Obama, Soros, Roth's, Clinton's etc have more power present day than POTUS.

Operation Mockingbird

Patriots are in control. Sit back and enjoy the show.

Cover for possible future indictment to plead what?

What if John M never had surgery and that was a cover for a future out if needed against prosecution?

Why did Soros transfer his bulk public funds to a NP? Note this doesn't include massive slush funds that are pulled by several high ups.

Why did Soros' son have several meetings with Canadian PM and how is that related to Clinton's?

Can you rely on being able to board a plane and fly away?

Why is MS13 a priority _ nobody got this.

Could people pay such gangs to kill opponents and why / how to insulate against exposure?

The truth is mind blowing and cannot fully be exposed.

Also many are thinking from one point of view, US only, this evil is embedded globally. US is the first domino.

Have faith.

Why wasn't HRC prosecuted for the emails? Put simply, Obama ultimately OK'd by using the non govt email addy to communicate w/ Clinton. Obama also had an alias along with each of his cabinet members. Therefore indicting HRC would lead to indicting Obama & his cabinet etc which could never happen. Remember he lied about knowing but that ultimately came out in the dump. Poof!

HRC, Muslim Brotherhood, or child?

What would you do? Kiss your child goodbye and leave without a mother or father for Clinton?

Where is Huma today?

Was she with HRC on her book tour?

RE: Military Intelligence / State Secrets

No FBI

POTUS installed his people within each top spot at each 3 letter agency except 1 (good reason there as Adm R kick started this and scrubbed all POTUS nominations to verify oath).

Do you think they aren't in control of those respective agencies?

What is most valuable?

Information

AG Sessions on leakers.

Fire or prosecute?

Reorg is underway and happening.

Coincidence Senate Republicans pushing for Fed Judge confirmations last week?

Why are Senate Republicans dropping out? Not by choice and were offered a choice (rest assured they will vote pro Trump).

Projection

D's can't lose control over the black population.

At some point the great awakening will occur whereby these false local / national black leaders are corrupt and paid off to help keep the black pop poor and in need.

D's formed the confederate states against freeing slaves.

D's formed the KKK.

HRC's mentor is who?

What happens if the truth about Haiti is released? Do D's lose majority of the vote?

Through the looking glass.

They rely on the MSM to keep the narrative going but tech is entrenching on their controls. They missed this in 2016 and desperately attempting to censor now due to CIA cash infusions. This will fail.

How much money sent to CF under disguise of H relief went to H? What countries donated big money to CF and why? How much was owed by accepting? When she lost how would this be repaid? What did Obama do with cash just prior to leaving office? Repayment to those who donated for favors/access? Dig!!!!

Again, good people were forced into bed with this evil under personal and family threats. Could you live with yourself helping to cover up such evil despicable acts if given a safe way out? These people worship Satan _ some openly show it.

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted

11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). Get the popcorn, Friday & Saturday will deliver on the MAGA promise. POTUS knows he must clean house (gov't) in order to 'free up' and demonstrate who has authority in order to pass important legislation. This was always the priority. Remember, AG Sessions cannot look like an impartial player that is out to get all former Obama team members as we need him for other important work. All will come into focus and for anyone to think POTUS is not in control is kidding themselves. Also, he's 100% insulated with zero risk of impeachment (fact).

CIA thinks its foreign offshore assets are strong enough to defend against the US executive (not accounting for military use on domestic soil).
Why does the Constitution explicitly grant this authority to the President and what is it to prevent?
They knew our agencies would grow in power so much so they could/can hold the executive hostage or engage with bad actors.

>What must be completed to engage MI over other (3) letter agencies
During the 1950s and 60s, federal troops and federalized National Guard forces, accompanied by military intelligence personnel, were deployed to help integrate Southern schools²³ and to help deal with civil disorders in Detroit in 1967 and other cities the following year after the assassination of Dr. Martin Luther King Jr.²⁴ Throughout this period military intelligence units also continued to collect data on Americans at home who were suspected of involvement in subversive activities.²⁵ In the late 1960s, the Pentagon compiled personal information on more than 100,000 politically active Americans in an effort to quell civil rights and anti-Vietnam War demonstrations and to discredit protestors.²⁶ The Army used 1,500 plainclothes agents to watch demonstrations, infiltrate organizations, and spread disinformation. ²
' According to one report, the Army had at least one observer at every demonstration of more than twenty people.²⁸ The Army's activities were summed up by Senator Sam Ervin: Allegedly for the purpose of predicting and preventing civil disturbances which might develop beyond the control of state and local officials, Army agents were sent throughout the country to keep surveillance over the way the civilian population expressed their sentiments about government policies. In churches, on campuses, in classrooms, in public meetings, they took notes, tape-recorded, and photographed people who dissented in thought, word, or deed. This included clergymen, editors, public officials, and anyone who sympathized with the dissenters.

Some things must remain classified to the very end. NK is not being run by Kim, he's an actor in the play. Who is the director? The truth would sound so outrageous most Americans would riot, revolt, reject, etc.
The pedo networks are being dismantled.

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

That's part of the reason why some things that tie back to foreign heads of state will remain classified (not all).
We are in one of the most critical times of our country. Trump and others are working to balance the we're doing well for America (for the common person to endorse) while at the same time purify our govt and remove the bad actors who are entrenched.
There is so much string pulling and blackmail that we need to cut these off to truly gain the power granted to us by the Patriots and hard working people of this great country.

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind.”

They are the true Patriots. We will never forget. Let these coming days be remembered in our history as the time we fought to recapture the republic from those evil bad actors who for so long have sacrificed the good people of this land for their own personal gain.
Fight the good fight.
LET JUSTICE BE SERVED.

Why did Soros transfer the bulk of his ‘public’ funds to a NPO?
Why is this relevant?
Who owes a lot to very bad actors?
How can she repay as payment was made under promise of victory.
What cash payments occurred by BO during the last 90 of his Presidency to foreign states and/ or organizations?
What slush fund did AG Sessions (through DOJ) put an end to?
How does Soros, Obama, Clinton, Holder, Lynch, etc all net many millions of dollars (normally within a single tax year).
What was negotiated on the tarmac between BC and Lynch?
Remember it was expected HRC was going to win during this time period.
What if the wizards and warlocks tipped off a local reporter as to the supposed unscheduled stop?
What if the NSA under the personal direction from Adm R had this meeting miscat and logged under a false identity to prevent bad actors from locating while also verifying to said players all was clear _ no logs.
What really happened when the wizards and warlocks revealed what they had?
Was Comey forced into the spotlight shortly thereafter not by choice? Right before the election no doubt which would cast suspicion?
These are crumbs and you cannot imagine the full and complete picture.
If Trump failed, if we failed, and HRC assumed control, we as Patriots were prepared to do the unthinkable (this was leaked internally and kept the delegate recount scam and BO from declaring fraud).
Dig deeper - missing critical points to paint the full picture.
There is simply no other way than to use the military. It’s that corrupt and dirty.
Please be safe and pray for those in harms way as they continually protect and serve our great country.

Would it blow your mind if I told you BO has been to NK and perhaps there now?
Why did his administration do little to slow their nuclear and missile capabilities?
Who feeds NK w/ strategic intel? Iran?
What deal was done with Iran under BO?
Why was the deal sealed under a top secret classification?
Why wasn’t Congress notified?
Why after BO left office all of a sudden NK has nukes and the tech to miniaturize for payload delivery within the US?
What about NSA CIA DI etc all confirming tech won’t be in place for 5+ years (statements made in 2016).
Why is all of this relevant and what does it tell you?

What a coincidence the mountain that housed NK’s nuclear weapons and testing collapsed. Unbelievable timing. These crumbs are not meant to scare anyone but merely inform. Resistance will be dealt with swiftly. The core focus is removing entrenched and fortified bad actors within our federal govt (past and present) as well as others. Simply be diligent - phone numbers will be provided if you witness an uprising or other domestic violence (in addition to 911). Any military seen is for your protection as well as to demonstrate our resolve. Watch for confirmations tomorrow.

Why is the information re: BO important re: U1 and export approval to Canada to EU?
Where is BO today?
Did BO and/or his admin ever make false statements that U1 would never be exported from the US?
Who made those statements?
Who did they report to?
Why is this relevant?

DOE?
Who would have the goods on U1?

and with all the race war propaganda and pizzagate possibility, i became suicidal because i cant stand that no one will open their eyes and are being manipulated hard.

i hope with all of my heart that Trump is going to make good on his promise to maga and clean the swamp. ive been thinking about joining the navy for corpsman greenside, and i would love to serve under a Trump administration if he really does clean swamp, (will try to join regardless no openings for corpsman right now though). I hope that what OPanon says is true. i will be praying for OPanon and all who risk their lives, for safety and that the Lord will guide them. and praying that what he says is true. and will be praying for the spiritual edification of God for Trump and for his complete safety in all of this. The Clinton campaign is attempting once again to sweep important questions under the rug about top aide Huma Abedin, her family ties to the Muslim Brotherhood and to Saudi Arabia, and her role in the ballooning Clinton email scandal.
Her mother, Saleha Abedin, sits on the Presidency Staff Council of the International Islamic Council for Da'wa and Relief, a group that is chaired by the leader of the Muslim Brotherhood, Sheikh Yusuf al-Qaradawi.

Perhaps recognizing how offensive such ties will be to voters concerned over future terrorist attacks on this country by radical Muslims professing allegiance to Sharia law, the Clinton campaign on Monday tried to downplay Ms. Abedin's involvement in the Journal and the Muslim Brotherhood.

The Clinton surrogate group Media Matters claimed predictably there was "no evidence" that Ms. Abedin or her family had ties to the Muslim Brotherhood, and that Trump campaign staffers who spoke of these ties were conspiracy theorists.

To debunk the evidence, Media Matters pointed to a Snopes.com "fact-check" piece that cited as its sole source... Senator John McCain. This is the same John McCain who met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as "my hero" during a 2011 visit to Benghazi.

Hence, why we are dedicating 'critical' time to distribute crumbs which can be followed in greater detail to paint the entire picture once more information is released.
Why has POTUS dedicated so much time into labeling the MSM as fake news?
Why is this relevant?
We are fully prepared that all social media will be shut down to prevent the spread of this information (i.e. POTUS' Twitter etc. and/or mass censoring).

God speed to those who will be put in harms way. You are the bravest men and women on earth.

All share one title in common and that is the title of "Hero."

"The LORD is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the LORD forever."

For the coming days ahead.

Ask yourself an honest question, why would a billionaire who has it all, fame, fortune, a warm and loving family, friends, etc. want to endanger himself and his family by becoming POTUS?

Why would he want to target himself and those he cares about?

Does he need money?

Does he need fame?

What does he get out of this?

Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?

Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?

Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.

Perhaps he was tired of seeing how certain races/countries were being constantly abused and kept in need/poor/and suffering all for a specific purpose.

Perhaps he could not in good conscious see the world burn.

Why, hours after the election, did seven people travel to an undisclosed location to hold a very private & highly secured/guarded meeting?

Why didn't HRC give a concession speech?

When was the last time a presidential candidate didn't personally give a concession speech?

At what point do Patriots, and hard working men and woman, become the minority?

The same scene in Macbeth talks about a falcon flying freely before being ambushed by an owl. It is noted that the owl does not normally hunt the falcon. The scene continues to talk about many odd happenings and a darkness on the horizon for humanity. It is noted that even the horses are rebelling and turning upon one another (specifically eating eachother).

so Titanic -> Rothchild screws America by making our money worthless -> crash of 29 -> Tons new government which doesn't fix the problem Rothchild created (but a war helps) -> cia -> everyone blackmailed with sex tapes -> media consumed cia -> Country forced hard left -> population to puppets -> Causes uprising by certain Patriots like Kennedy/Reagan/Trump and while they managed to kill Kennedy and outlast Reagan enough lessons were learned that we are now finally ready to clean house and become America again?

South Korea calls North Korea daily:

"The ministry has to keep pestering Pyongyang over the military and Red Cross talks," he said. "It has to keep placing calls on the Panmunjom telephone. The situation can quickly change and North Korea could feel the need for dialogue. When they do return, they will likely want to deal with the United States first, but let them try to accomplish anything in talks with Washington without the involvement of Seoul — it won't work."

Tues Nov 4th,

Who financed 9-11?

Who was Bin Laden's handler?

Why was the Clowns In America tasked to hunt/kill/capture UBL?

Why not MI?

If we found UBL, eliminated his security, why would we immediately kill him and not take him alive?

Why wouldn't we want to capture UBL alive and extract other possible T-level events?

Perhaps someday people will understand 'they' had a plan to conduct 'another' mass extinction event.

WWI & II - orchestrated and planned by select families?

Fantasy land.

Remember, the more people there are, the more power the people have.

Why do D's push for gun control 'directly' after every tragic incident?

Why is this so very important to their agenda?

We, the people, are who they are afraid of.

We, the people, are who they fear will one day awake.

Our Father who art in heaven,

Hallowed be thy name.

Thy kingdom come.

Thy will be done

on earth as it is in heaven.

Give us this day our daily bread,

and forgive us our trespasses,

as we forgive those who trespass against us,

and lead us not into temptation,

but deliver us from evil.

Q, where the "White House Anons" really the secret service? The ones who showed the WH Christmas photos? Secret Service watches everything and it was AFTER the party that night and no people were in the photos, which would be hard if 400+ guests where there. Were they showing they are on our side?

Q can't come out and tell us exact meanings of his drops.
Likely because it would reveal information that would compromise operations as the scumbags scramble to clean up loose ends that are revealed. Hence the 1.2mm, which we thought were 1.2 million normies reached by this board when the 1.2mm was actually the 1.2 million documents in the IG report, which the scumbags had no clue about.

Shall we play a game?

Find the spider(s) and build the web (the ‘map’).

Remember, they consider you to be the fly (specifically, the ‘feeder’).

Remember, they never thought she was going to lose.

Therefore, they never thought investigations and/or public interest into their criminal acts would be exposed/investigated.

Therefore, they never thought they had anything to fear.

Therefore, they openly showcase their symbolism.

Therefore, they were sloppy.

Hussein’s last speech in Chicago re: ‘scandal free’.

Why did he continually emphasize that phrase?

As a backup, they infiltrated and control the narrative (the ‘MSM’).

As a backup, they install only those on the team.

As a backup, they blackmail those that aren’t.

As a backup, they defined ‘conspiracy’ as crazy/mentally unstable and label anything ‘true’ as such.

This works given most of what they engage in is pure evil and simply unbelievable (hard to swallow).

The ‘fix’ has always been in – no matter which party won the election (-JFK (killed)/Reagan(shot)).

This was always the promise made to those who played the game (willingly or otherwise) (i.e., they would never lose power).

Power of the (3) letter agencies.

Power over the US Military (WW dominance to push against other nations and install like-kind).

These people are really stupid.

I'm from SoCal, everybody worked their ass off to win in space, so many people that made a lot of money in the 70s till 80s, it was a dream to make your country the greatest on earth, so many dreams destroyed, a fountain of talent squashed and sold out, it really hurts, we really cried when we watched each shuttle launch and knew we did that

AIDS is trending on Twitter. NYT ran this story today with sources saying POTUS said:

"Haiti had sent 15,000 people. They “all have AIDS,” he grumbled, according to one person who attended the meeting and another person who was briefed about it by a different person who was there."

NO comms w/ anyone privately.
NO comms outside of this platform.
Q

CM – how can a secure ‘read only’ board be set up whereby the message can be safely delivered?
If a board was created, you verified IDEN, and control was w/ you/us, that would eliminate confusion as to IDEN/AUTH correct?
No mod management – only info dumps.
Fact-finding, archiving, discussion, etc. can then be done on a designated ‘follow up’ board.
Message is all that matters.

House Investigation into Planned Parenthood

Updates from the House Judiciary Committee

In 2015, videos were uncovered featuring senior level Planned Parenthood officials admitting unethical and potentially illegal procedures should be of great concern to every America. The practices described in these videos are despicable, and Planned Parenthood should be forced to defend their content.

Three House Committees – Energy and Commerce, Judiciary, and Oversight – immediately launched an aggressive investigation of these videos. Learn more about the House's ongoing work into the abhorrent practices of Planned Parenthood:

TIMELINE OF HOUSE PLANNED PARENTHOOD INVESTIGATION

What are the committees investigating?

1. Are abortion providers profiting from the sale of fetal tissue?
2. Are abortion providers changing procedures in order to maximize the harvesting of fetal tissue?
3. Are patients giving sufficient informed consent when fetal tissue is donated?
4. Were federal laws violated and whether federal law sufficiently prohibits these barbaric acts?
5. What congressional action is necessary to further respond to these horrific acts?
6. Was the Department of Justice aware of these practices and DID IT properly enforce the laws that prevent these acts?

Legislative Action:

On Thursday, September 17, 2015, at 3:00 p.m. in 2123 of the Rayburn House Office Building, the Subcommittee on Health will hold a hearing, "Protecting Infants: Ending Taxpayer Funding for Abortion Providers Who Violate the Law." The Subcommittee will review two bills to strengthen enforcement against providers who violate the Born-Alive Infants Protection Act of 2002 and the Partial-Birth Abortion Ban Act of 2003.

On Friday, the House will consider H.R. 3134, the Defund Planned Parenthood Act of 2015, sponsored by Rep. Diane Black.

The House will also consider H.R. 3504, the Born Alive Abortion Survivors Protection Act, sponsored by Rep. Trent Franks.

At 7:21 PM PST POTUS tweeted 1st half concerning Goodwin article with "consequential" deliberately misspelled as "consensual".

At 7:36 PM PST POTUS tweeted the second half of the sentence re: Goodwin article.

At 8:23 PM POTUS tweets the 7:21 Tweet again with the spelling corrected, "consequential".

At 8:24 PM PST POTUS tweets the 2nd half of the sentence, same as at 7:36 PM PST.

This is meant to teach us how to interpret the correlation between 8ch posts and POTUS Tweets.

https://en.wikipedia.org/wiki/Marc_Mezvinsky
Mezvinsky was born in Philadelphia, Pennsylvania, and grew up attending a Conservative Jewish synagogue.[2] His parents are both former Democratic members of the U.S. House of Representatives. His father is Edward Mezvinsky (b. 1937), who embezzled more than \$10 million from people via both a Ponzi scheme and the advance-fee scams, and was found guilty of fraud in 2001.[3][4][5] His mother is Marjorie Margolies (b. 1942), who was a TV reporter and represented Pennsylvania's 13th District from 1993 to 1995. They declared bankruptcy shortly before Mezvinsky's conviction, and divorced.[6]

Todd Macklerr telling Donna Brazille & John Podesta and he will be meeting with SOROS to PRE-PROGRAM voting machines! #Prison

Subject: The Dogs Are Loose

Hey guys, as you can see from the subject - The Dogs Are Loose. I repeat - The Dogs Are Loose. Loose dogs, guys. You know what to do from here. I'll be meeting with Soros later this week for some "pre-programming" of machines.

We're also going to check out a Collective Soul concert. Never knew George was a fan, but he is and so am I, so we're going. That isn't code or anything so don't bother looking for the corresponding code - this just means we're actually going to see Collective Soul in concert.

More to come. But yeah, these machines will be humming in November, just like I'll be humming a few Collective Soul songs next week.

McCallum's interest was piqued. She asked Gowdy for additional details.

"You have this insurance policy in the Spring of 2016 and then the day after the election ... there's a text exchange between these two FBI agents -- these two (supposed to be objective, fact-centric) FBI agents saying, 'perhaps this is the first meeting of the secret society,'" Gowdy explained. "So of course I'm gonna want to know what 'secret society' are you talking about -- because you're supposed to be investigating objectively the person who just won the Electoral College."

Im British, and have been on the Trump train for about a year and a half. Like most people, when i first heard Donald Trump was running for president i was very skeptical.

But then something magical happened. I watched one of his rallies. And i saw the look.in his eye. The words in his tounge. He spoke about draining the swamp, and didnt care for Politically Correct nonsense that is killing society. He bellow words of America First. And it was glorious!

The moment that 100% solidified in my mind that DJT was legit was at the new york dinner. Where he and Hilary had to make a speech infront of the elite. I rememebr Mr Trump insulting them to their face - the look on their faces was something i will never forget.

He has had the MSM attacking him 24/7 and still stands strong. Immigration is down, black unemployment is down, Hispanic too, and lets not forget how the value of the USD value skyrocketting.

I think that President Trump is the greatest person to have walked this Earth. And so are persons like Q, who have been working in the shadows for the good of all.

God speed everyone.

>Obviously the train slowed down so must have been warned...

I think it was warned.

Helicopter surveillance saw the truck and warned the engineer.

I'm guessing truck was kitty korner between the crossbucks with the back end (dumpster lift hydraulics boom) facing the oncoming train.

Train hits boom, spins truck around and rips body off the cab, leaving the cab at the crossing. Train drags truck body down the tracks until the body rolls off down the embankment.

Question is, if truck tried to run crossing, why didn't occupants flee cab when getting stuck, unless train hit the truck just as it was trying to run the crossing.?

Have to figure, though, if aerial surveillance sees truck and warns engineer, the truck had to have been there for a while, so why didn't occupants flee?

If the truck was there as a plant, the only sense I can make of it is that the occupants were patsies, i.e., they were told they were only going to force the train to stop, on the idea of an antifa protest.

I don't think surveillance would see a truck headed towards the crossing and tell the engineer to brake, assuming the truck would stop on the tracks. However, it could be that the access road was closed and any traffic was regarded as a danger.

John Perry Barlow, Internet Pioneer, 1947-2018

DEEPLINKS BLOG

BY CINDY COHN
FEBRUARY 7, 2018

With a broken heart I have to announce that [EFF's founder](#), visionary, and our ongoing inspiration, John Perry Barlow, passed away quietly in his sleep this morning. We will miss Barlow and his wisdom for decades to come, and he will always be an integral part of EFF.

It is no exaggeration to say that major parts of the Internet we all know and love today exist and thrive because of Barlow's vision and leadership. He always saw the Internet as a fundamental place of freedom, where voices long silenced can find an audience and people can connect with others regardless of physical distance.

could solve all of humanity's problems without causing any more. As someone who spent the past 27 years working with him at EFF, I can say that nothing could be further from the truth. Barlow knew that new technology could create and empower evil as much as it could create and empower good. He made a conscious decision to focus on the latter: "I knew it's also true that a good way to invent the future is to predict it. So I predicted Utopia, hoping to give Liberty a running start before the laws of Moore and Metcalfe delivered up what Ed Snowden now correctly calls 'turn-key totalitarianism.'"

Barlow’s lasting legacy is that he devoted his life to making the Internet into “a world that all may enter without privilege or prejudice accorded by race, economic power, military force, or station of birth . . . a world where anyone, anywhere may express his or her beliefs, no matter how singular, without fear of being coerced into silence or conformity.”

In the days and weeks to come, we will be talking and writing more about what a extraordinary role Barlow played for the Internet and the world. And as always, we will continue the work to fulfill his dream.

Barlow was sometimes held up as a straw man for a kind of naive techno-utopianism that believed that the Internet could solve all of humanity's problems without causing any more. As someone who spent the past 27 years working with him at EFF, I can say that nothing could be further from the truth. Barlow knew that new technology could create and empower evil as much as it could create and empower good. He made a conscious decision to focus on the latter: "I knew it's also true that a good way to invent the future is to predict it. So I predicted Utopia, hoping to give Liberty a running start before the laws of Moore and Metcalfe delivered up what Ed Snowden now correctly calls 'turn-key totalitarianism.'"

This is pure speculation and probably just fitting things in places, but....From the latest trump tweet, just taking the first 3 Letters of the capital letters I come up with

[[TBA - MIS - MAG - RDB]]

TBA = To Be Announced

MIS = Management Information System

Management Information Systems are typically organized around the functional areas of an organization. Learn about some of the most common applications of Management Information Systems.
MAG = Make America Great

RDB = Relation Database Management

RDB is a fast, portable, relational database management system without arbitrary limits, other than memory and processor speed) that runs under, and interacts with, the UNIX Operating system.

=====

Is Q/Pres going to use a MIS to MAG with compents from a RDB aka coded leaks to or from the NSA/WIKI soon to blow EVERYTHING wide open and show us the LIGHT?

Vyacheslav Pershukov has been appointed ROSATOM's special representative for international scientific and technical projects

"Former Deputy Director General of ROSATOM Vyacheslav Pershukov has been appointed ROSATOM's special representative for international scientific and technical projects.

His responsibilities will include: Russia's representation at the international thermonuclear experimental reactor ITER; the creation of a centre for the study of ions and antiprotons in Europe; and the organisation of an international research centre for Russia's multipurpose sodium-cooled fast neutron research reactor, or MBIR by its Russian acronym.

Be the autists we know you are.

Those who cannot understand that we cannot simply start arresting w/o first ensuring the safety & well-being of the population, shifting the narrative, removing those in DC through resignation to ensure success, defeating ISIS/MS13 to prevent fail-safes, freezing assets to remove network-to-network abilities, kill off COC to prevent top-down comms/org, etc etc. should not be participating in discussions.

The Official SecureDrop Directory

SecureDrop is an open-source whistleblower submission system that media organizations can install to securely accept documents from anonymous sources. It was originally coded by the late Aaron Swartz and is now managed by [Freedom of the Press Foundation](#). This page contains a list of active instances.

If you intend to submit information to an organization's SecureDrop, we recommend that you compare the .onion address provided on the organization's Landing Page to the corresponding entry in this list, and verify that the addresses match before continuing. This provides a strong layer of defense against certain types of attacks that might try to trick you into visiting a malicious SecureDrop instance masquerading as a legitimate one.

If you encounter a mismatch, please contact us at securedrop@freedom.press (GPG). This could be evidence of an attempted attack, or it could be a simple failure to communicate between an organization running SecureDrop and Freedom of the Press Foundation. In either case, we will investigate the matter and establish a path to resolution.

Get involved!

Project MKULTRA

The CIA convinced the Allan Memorial Institute to allow a series of mind control tests on nine patients in the Montreal school, as part of their ongoing Project MKULTRA.[7]

The experiments were exported to Canada when the CIA recruited Scottish psychiatrist Donald Ewen Cameron, creator of the "psychic driving" concept, which the CIA found particularly interesting. Cameron had been hoping to correct schizophrenia by erasing existing memories and reprogramming the psyche. He commuted from Albany, New York to Montreal every week and was paid \$69,000 from 1957 to 1964 to carry out MKULTRA experiments there. In addition to LSD, Cameron also experimented with various paralytic drugs as well as electroconvulsive therapy at thirty to forty times the normal power. His "driving" experiments consisted of putting subjects into drug-induced coma for weeks at a time (up to three months in one case) while playing tape loops of noise or simple repetitive statements. His experiments were typically carried out on patients who had entered the institute for minor problems such as anxiety disorders and postpartum depression, many of whom suffered permanently from his actions.[8] His treatments resulted in victims' incontinence, amnesia, forgetting how to talk, forgetting their parents, and thinking their interrogators were their parents.[9][10]

When lawsuits commenced in 1986, the Canadian government denied having any knowledge that Cameron was being sponsored by the CIA.[11]

Just throwing out a little more info, don't even know if it has relevance.

Cell phones were originally analog. The switch over to digital was very gradual. Digital signals allow for much greater distance to be covered on much less power (thus miniaturization of phones) because of the nature of square (digital) waves. Much more effective at filtering noise and interference.

This inherently means that the phones of today are going to be square wave signals and very low power. If that alone were enough, Q would not exist. They would simply shut him (them) and/or us down. So they may act as a trigger but are not enough by themselves to completely program a human. And Parkland would suggest that you really need somebody who is largely predisposed toward moving in the desired direction to begin with. You can't just flip a switch and a born pacifist suddenly becomes Rambo. Talk to me, Johnny!

We believe these actions were a coordinated attack against the democracy of our country.

The DHS will be submitting a final report to the WH/DOJ/other state and local agencies outlining our findings as early as March [], 2018. While this report only encompasses a sampling of twenty-two (22) counties across the U.S., it is strongly suggested, based on the evidence provided, that a mandated countrywide investigation begin under the recommended US50-EIC guidelines as set forth in Section VII of the final report. Q, Anons, I've been following these drops since day one, but this is the first I'm hearing of this "Behold a Pale Horse" book from 1991, by Bill Cooper. It actually describes clowns planning to use school shootings as a way to disarm the citizenry.

This looks legit to me, astonishing as the quotes are. What say you all?

Behold a Pale Horse — Milton William (Bill) Cooper, 1991
<http://a.co/0lZY9ra>

“Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in topsecret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the secret government, and UFOs. Bill is a lucid, rational, and powerful speaker whose intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events that he had seen plans for back in the early 1970s. Bill correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall, and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from top secret documents that he read while with the Intelligence Briefing Team and from over seventeen years of research.”

What happens?
Who is waiting with open arms w/ a plan to reorg under a single entity with direct OS by trusted Patriots?

Why is steel so important? Let's look where steel -was- produced in our country. These cities are blue strongholds, still, and many are located around areas of poor minorities, since mills closed and wealth left the area. If Trump brings these people back in to work he can effectively eliminate blue-collar/poor black democrat areas. AMERICAN STEEL

More Steel connections with HRC & CF?

One of the attendees at these conferences speaks to the stickiness of some donor relationships.

Victor Pinchuk, a steel magnate whose father-in-law, Leonid Kuchma, was president of Ukraine from 1994 to 2005, has directed between \$10 million and \$25 million to the foundation. He has lent his private plane to the Clintons and traveled to Los Angeles in 2011 to attend Mr. Clinton's star-studded 65th birthday celebration.

Between September 2011 and November 2012, Douglas E. Schoen, a former political consultant for Mr. Clinton, arranged about a dozen meetings with State Department officials on behalf of or with Mr. Pinchuk to discuss the continuing political crisis in Ukraine, according to reports Mr. Schoen filed as a registered lobbyist.

"I had breakfast with Pinchuk. He will see you at the Brookings lunch," Melanne Verveer, a Ukrainian-American then working for the State Department, wrote in a June 2012 email to Mrs. Clinton.

I confess. I was an #IBOR resister. It didn't make sense to me since free speech is already guaranteed in our constitution.

But, thinking logically, the one thing that would scare the data-mining cabal the most is an articulated right to privacy when using the internet.

No more data mining for ads. No more algorithms screwing up how we communicate with others on Facebook. No more capturing my favorite soda to sell to a competitor who might want to make me buy something else.

Also, and really important to me, is the right to be forgotten. It's already been adjudicated in Britain. Here's a bit of the detail:

[https:// www.theguardian.com/technology/2013/apr/04/britain-opt-out-right-to-be-forgotten-law](https://www.theguardian.com/technology/2013/apr/04/britain-opt-out-right-to-be-forgotten-law)

We should have a right to disappear.

So if this continues to be a thing, think of it way beyond being censored for free speech. Think of it in terms of privacy, too. No more selling personal information. No more dedicated IPs to track your every move. No more email apps that pre-select your possible replies, because no more email being mined.

Mail could be configured with the same privacy rights as US mail, for example.

Last I'll post on this one. But if it goes forward, please consider expanding the scope.

Also keep in mind that there's more than the WH petition site to make your ideas known. Most of us have senators and congressmen to represent us in Washington, D.C. Maybe talk to a real person?

>>580403

Every user on Twitter will soon be able to apply for a coveted blue tick verification mark, the company’s CEO Jack Dorsey said in a live stream on Thursday.

Using Periscope from the firm’s San Francisco headquarters, Twitter executives revealed the process was being reworked from the ground up. They said the current system creates confusion and can imply credibility, but stressed that it will still be important to let users have a way to evaluate if profiles are legitimate.

True, but then why Snowden? Doesn't make sense. If they gave him the tool, Snowden isn't of value to the NSA other than a trophy. The tech lives outside of him and Q claims that they own CIA at this point (making assumptions). This is unfolding as if Snowden has something that no one else has access to. Snowden has fame for taking files and exposing, not of someone that developed technology that no one else has. Something not adding up.

“Whatever happened to this Pakistani guy who worked with the DNC?” the president asked in an interview published Thursday by the New York Times.

A grand jury in August returned an indictment in the U.S. District Court for the District of Columbia charging Awan and his wife, Hina Alvi, with a total of four counts, which included federal bank fraud and conspiracy. Awan has pleaded not guilty to all charges.

“Whatever happened to them?” Trump continued. “With the two servers that they broke up into a million pieces? Whatever happened to him?”

Fugitive 'Facebook founder' says he's alive and well but 'running for his life' from CIA because of its secret involvement in the social media site

- Paul Ceglia says the CIA wants to kill him because he knows too much
- He says its venture capital am, In-Q-Tel, had a hand in Facebook
- Ceglia sued Mark Zuckerberg for 84 per cent of Facebook in 2010
- But in 2012 he was put on house arrest for allegedly doctoring evidence
- He and his family vanished in 2015; he has only just been heard from now

The self-styled co-founder of Facebook, who disappeared while on house arrest in March 2015, has said he and his family alive and well, but still fleeing a CIA plot to kill him.

Paul Ceglia, 43, claimed in 2010 that he owned 84 per cent of Facebook per an alleged 2003 contract with Mark Zuckerberg. In 2012 he was charged with altering documents to bolster his claim.

Now he and his family - wife lasia, two teen sons and dog Buddy - are on the run after they fled last year. And according to Bloomberg, Ceglia still fears for his life.

Hey Q,

Thank you for making my terrible day a little better. Feeling a bit like POTUS today. Had a coworker lie about his screw up and blame it on me. My heart goes out to President Trump. The attack made on me is minuscule in comparison to the attacks our president and now the Q team experiences on a daily basis. I wish I could give all of y'all a big hug and express to you how grateful I am for what y'all are doing for us and our country. I am so thankful we have a president now who calls out the media and KNOWS his people are smart enough to discern the truth for themselves. We are sick of the conjecture and half assed journalism!! So thank you again for everything. It means worlds more than you could ever know for us to have a president who believes in the greatness of WE THE PEOPLE!
Do you think POTUS could give us a confirmation? Kind of like a symbolic hug?
Sending my love and prayers <3
God speed.

The connection is simply chlorine...not false flag.

Keep in mind that every crumb is not meant to be solved before the event. Some of the drops are things for anons to dig on and make connections with, others are markers for future reference.

>[future proves past]

Some drops are just simply communication to the anons.

What needs to be understood to appreciate whats going here is the fact the Q is basically creating a circular flow diagram that can be referenced and cross-checked with news releases. Q can't just disclose specifics about a situation or operation without violating security protocol. Instead they drop questions and statements that lead to answers that can be understood once the subject becomes public. This provides the validation necessary for the public to believe The Great Awakening is legit. Disinformation and misdirection with Q is real. In other words Q is pointing over there but really the focus is here and only until you publicly get the news can you go back and understand. (Think SA drops) All of this is accomplished without giving up specific details about the operation. It's quite genius.

PENTAGON KILLS LIFELOG PROJECT

THE PENTAGON CANCELED its so-called LifeLog project, an ambitious effort to build a database tracking a person’s entire existence.

Run by Darpa, the Defense Department’s research arm, LifeLog aimed to gather in a single place just about everything an individual says, sees or does: the phone calls made, the TV shows watched, the magazines read, the plane tickets bought, the e-mail sent and received. Out of this seemingly endless ocean of information, computer scientists would plot distinctive routes in the data, mapping relationships, memories, events and experiences.

Understand one simple fact - the US is connected to the rest of the world.
Knowing that, understand, by default, if certain intel is released it would cause a WW/mass suffering.
We share the idea of open source but value life and must make decisions base decisions on outcomes and containability.

Antonin Gregory Scalia (/ˌæntəˈnɪn ˈskoʊˈliːə/ ⓘ listen), March 11, 1936 – February 13, 2016) was an Associate Justice of the Supreme Court of the United States from 1986 until his death in 2016. Appointed to the Court by President Ronald Reagan in 1986, Scalia was described as the intellectual anchor for the originalist and textualist position in the Court's conservative wing.^[9]

PHILADELPHIA (CBS) – Authorities in Philadelphia are investigating the death of the father of President Donald Trump's former national security adviser, sources tell CBS3.

According to the Pennsylvania Department of Health, H.R. McMaster Sr., the father of Gen. H.R. McMaster, died on April 13 at the Cathedral Village Retirement Community located in the 600 block of East Cathedral Road.

White House National Security Advisor HR McMaster gives a key note speech in front of the Jamestown Foundation on December 13, 2017 in Washington,DC. / AFP PHOTO / Eric BARADAT (Photo credit should read ERIC BARADAT/AFP/Getty Images)

The health department confirms he died of blunt impact trauma to the head and the manner of death was determined to be an accident.

But sources tell CBS3 that Philadelphia police and the Pennsylvania Attorney General's Office are investigating the possibility of institutional neglect after he fell.

"Pelosi said her concerns about the North’s proliferation deepened after a trip to the North many years ago.

“When we went to Pyongyang, and we talked about missiles, we talked about MIAs and POWs, we talked about home, we talked about a number of subjects. But about the missiles, because the development of missiles was a national security issue of concern,” Pelosi said.

“They said, ‘Look, we just make these to sell. You want to buy them? We’ll sell them to you,’” she said. "

While we should have a larger conversation in the near future about a broader strategy for reengaging the beat press that covers HRC, for this we think we can achieve our objective and do the most shaping by going to Maggie.

“The process of settlement is a ‘Civilization-Jihadist Process’ with all the word means. The Ikhwan [Muslim Brotherhood] must understand that their work in America is a kind of grand jihad in eliminating and destroying the Western civilization from within and ‘sabotaging’ its miserable house by their hands and the hands of the believers...”

ep. Michele Bachmann defended her attempt to root out “deep penetration” by the Muslim Brotherhood into the U.S. government Friday, writing a 16-page letter explaining and expanding on her initial charges against Huma Abedin and others of being terrorist sympathizers. Bachmann’s letter came in response to a challenge from a fellow Minnesota lawmaker, Rep. Keith Ellison, a Democrat who was the first Muslim elected to Congress. Ellison last week asked Bachmann for evidence to support a series of letters the Republican sent to five national security agencies demanding investigations into alleged Muslim Brotherhood infiltration in their ranks.

Like NK, they have been freed.

"Thousands of people are on the streets, cheering and hugging each other, jumping up and down and honking their horns ... things happened so quickly, I don't think the crowd was expecting this but it is exactly what they wanted," Forestier-Walker said.

"We saw soldiers take to the streets, we saw priests, children and their parents, young and old coming out to show Armenia was really united in wanting these changes."

"This is an indication of how much people in Armenia have realised that they had the power to affect change in a system that was widely regarded as corrupt."

You act as if we haven't talked at length about this. We've created threads, research topics and more about grounded planes, backdoors and retaliation.

I'm really sick of autists not getting credit for work we've already done.

How many times can I yell into an echo chamber?

No single public arrest. Pedophiles still public.

We've lost our jobs over this. Lost friends. Still nothing to show.

Can you make arrests w/ a crooked FBI sr team?

See prev post re: FBI.

We are not alone.

I drove 3 hours (with my wife's ex but that's a whole nother story). We walked over a mile, stood outside (wind chill of 36 degree) for 3 hours, to support Potus in Washington, MI.

There were between 10-15k Patriots standing outside watching Potus on a Jumbotron. There were shouts of "Qarmy" "Whose Q?" And "Release the Texts!!!!".

If you think your efforts are not making a difference, my experience tonight says otherwise.

Anons and Autists, your efforts are more important than you will ever know. So from someone who does not have your skill set, from one Patriot to another THANK YOU for your service..

Some are profiting off this movement.
Some are building a big following off this movement only then to retreat and go mainstream.

Do they ask for monthly payments to remain Patriots?

**Fruit Of The Poisonous Tree?
Longtime Hillary Clinton Advisor
Lays Out Why Mueller Probe Is
“Corrupt” (VIDEO)**

DEMS FEARING MUELLER NOW?
MARK PENN: “Well, look, I spent a year fighting Ken Starr and I think any reasonable person looking at what happened here says this investigation had no foundation and whatever foundation it had was not only wrong but corrupt. I think Christopher Steele was part of the FBI when he leaked, lied, and then was fired. Page and Strzok are clearly biased. The head of the FBI was clearly biased. The head of the CIA appeared to be doing illegal leaks as well. This whole thing was corrupt. There is a doctrine called the fruits of the poisonous tree, that says when investigations get started like, this when searches and seizures are done on this basis, they should be thrown out. I think that’s probably the best way to stop this thing because, otherwise, we are going all the way to the end and I don’t think we should waste another year here.”

What if the program never ceased?

What other bad actors are possibly involved?

How many planes delivered?

Did all planes land in same location?

Where did the U1 material end up?

Think LOGICALLY.
Mass exodus in DC?
Mass exodus - corporate CEOs?
Why?
Who has the POWER?
Who has the CONTROL?
If POTUS was NOT IN CONTROL would they be retreating?
Who is the AG?
Who MUST approve the firing/dismissal of DOJ officials?
Re_read DOJ org change (open source - more in pipe)
Who is the FBI director?
Who MUST approve the firing/dismissal of FBI agents?
Re_read FBI org change (open source - more in pipe)
If SESSIONS & WRAY are DC SWAMP/DEEP STATE why are they cleaning their respective houses?
Use LOGIC.
Why are they slow walking unredacted data?
Why are they slow walking doc disclosures?
Why is the WH backing up DOJ?
What if the same data is being used by other investigators?
What does it mean if a grand jury is impanelled?
Why are confusing questions asked as to outcome re: Mueller?
What would be the purpose of creating confusion?
What was Sessions' Senate confirmation vote?
What was RR's Senate confirmation vote?
If RR is dirty, Mueller must also be dirty.
If Mueller is dirty, RR must also be dirty.
Common denominator.
Why did Sessions pick RR?
Everyone has an opinion.
Few have the facts.
Few know the plan.
Midterms [save & push]?
Swing voters to retake House/Senate?
Impeachment proceedings (open source) initiated?
Power at all costs?
Blue wave?
Use LOGIC.
Why must the DOJ & FBI be cleaned FIRST?
What is the DOJ responsible for?
What is the FBI responsible for?
Why did HRC get a free pass?
Use LOGIC.
Define single shooter.
Who is HUBER?
Define IG.
When does SESSIONS step back in?
Already is?
Why did SESSIONS secretly engage HUBER?
Why did SESSIONS reveal HUBER?
Timing is everything.
Department of Justice does not discuss ongoing investigations or confirm specific matters,
What about the active investigation into leaks?
"Horowitz oversees a nationwide workforce of more than 450 special agents, auditors, inspectors, attorneys, and support staff whose mission is to detect and deter waste, fraud, abuse, and misconduct in DOJ programs and personnel, and to promote economy and efficiency in Department operations."
Why did MP step into the C_A prior to Sec of State?
They are deeply connected.
Think Offshore.
MIL INTEL providing support during this time?
Why are select EO's aggressively being written and put into law?
State/C_A next?
Think logically.

foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.”

GOOGLE BETRAYS ANTI-BREITBART BIAS WITH 'LYING' HOME ASSISTANT ANSWER

by ALLUM BOKHARI | 11 May 2018 | 1,092

Google Home, the tech giant’s voice-activated “personal assistant,” responded to a question about Breitbart News by reading off an anti-Breitbart hit piece from the Huffington Post.

Earlier this week, when asked “what are the headlines at Breitbart News,” Google Assistant responded with the headline of a Huffington Post article from former employee Kurt Bardella, “I Quit Breitbart Because of the Lying. Sarah Huckabee Sanders Should Take A Cue.”

Twitter has **acknowledged** that it is working to artificially limit the reach of “troll-like” accounts on the platform — “shadowbanning” users in all but name, a practice that the company has repeatedly denied.

THE SOURCE OF THE UNSEALED WEINER INDICTMENT IS PACER SERVICE
CENTER, FOUND AT <https://pacer.login.uscourts.gov/csologin/login.jsf>

See the blue text at the top? That's the standard Header that appears on all
documents filed in the U.S. federal courts.

We cannot link directly because access to these files in PACER is granted only to
PACER account holders, i.e., to legal professionals like myself.

I HAVE AN IDEA FOR PACER ACCOUNT HOLDERS: LET'S START DOING
RANDOM SEARCHES USING ONLY THE PHRASE "UNSEALING ORDER" FOR
2018.

This search will pull up any and all unsealed indictments in any given federal court
in which we do that search.

NOTABLE, if only so that others with PACER accounts will get on board with me.

The hard part for us is having to wait for the 'public' to 'know' what we've known for a very long time.

There is no bigger threat to 'them' than the public being awake and thinking for themselves.

Why are we here?

A theory ?

Those pallets were full of smart phones to be distributed members, i.e. Hillary, bill, Hussein, bremmer,etc.. These were special phone which the cabal thought could not be tracked or monitored. The cabal needed a new way to communicate after Q exposed their gmail draft and game forum methods.

Hillary was in NZ (FIVEEYES), not only to raise funds (if that is the true story) but to test out the phones. . Under directions of Trump, NZ told Hillary that the phones were good.

The cabal worked with China's ZTE for these special PHONES. That is why ZTE was in the news lately. Trump drew attention to them to send the cabal a message

that he was on to them.

The pics in London show the cabal meeting up after communicating with their secret phones.
Just a theory.

Donald J. Trump 
@realDonaldTrump

If the FBI or DOJ was infiltrating a campaign for the benefit of another campaign, that is a really big deal. Only the release or review of documents that the House Intelligence Committee (also, Senate Judiciary) is asking for can give the conclusive answers. Drain the Swamp!

"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."
– Ephesians 6:10-18

"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails."

Think timing.
"The succession question is actually a bit complicated. By default, under an obscure statute known as the the Vacancies Reform Act of 1998, Brand’s temporary successor as the “acting” associate attorney general is her principal deputy, Jesse Panuccio. That same statute would also allow the president to choose someone else to serve as the “acting” AAG on a temporary basis for up to 210 days; the pool of individuals from which the president could draw in this case includes individuals already holding Senate-confirmed positions elsewhere in the executive branch (like EPA administrator Scott Pruitt) or senior civil service lawyers in the Justice Department, specifically."

North Korean leader Kim Jong Un visiting several Singapore attractions on Monday night

SINGAPORE - North Korean leader Kim Jong Un is spending his second night in Singapore on a mini tour that includes some of the Republic's best-known sights such as Gardens by the Bay and the Marina Bay Sands (MBS) integrated resorts.

At around 9.10pm on Monday (June 11), his motorcade was seen leaving the St Regis Hotel in the Tanglin area where his delegation is being housed at, before driving past the Raffles City area towards Marina Bay.

Mr Kim, who arrived in Singapore on Sunday ahead of his historic summit with United States President Donald Trump in Sentosa on Tuesday, stopped by Gardens by the Bay first and is expected to also visit the MBS SkyPark or the nearby Merlion Park.

At around 8pm, the observation deck of the 57th-storey sky park at the MBS, which offers panoramic views of Marina Bay and the central business district, was closed off to the public, ahead of its usual 10pm timing.

MBS staff were seen polishing fingerprints off the glass panels of the observation deck. The Straits Times also saw a heavy security presence comprising MBS personnel and police officers.

Mr Kim, who is North Korea's Chairman of the State Affairs Commission, may also visit other sights such as the Esplanade performing arts centre.

The mini-city tour will cap a rather quiet public schedule for Mr Kim on Monday, compared to his officials and Mr Trump.

Apart from a meeting with Singapore's Prime Minister Lee Hsien Loong at the Istana on Sunday evening, Mr Kim has not been seen stepping out of the St Regis hotel in Orchard Road where he and his delegation are being housed at.

In contrast, Mr Kim's officials were seen earlier on Monday meeting with Singapore and American officials - making courtesy calls or engaging in last-minute talks over the one-day summit.

Mr Trump met PM Lee and also members of the American community in Singapore.

POTUS will be well insulated/protected on AE1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us Salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people. If Q exposed his password on 5/19th, showing that the pain is coming -23 days, then maybe the countdown starts not on the day the password was created, but the day it's been exposed. If so, 5/19 + 23 days = **6/11/18**. One day BEFORE the NK Summit.

That means that POTUS will be in the AIR and PROTECTED during this time, just as Q had stated in his 11/1/17 post.

I think I came up with the 11th....(pic related). But it was just decoding/guessing.
None of us were sure about it. There were a lot of theories being thrown around
that night, I remember. Also, I never posted it ANYWHERE on social media, only
here on this board.

Until Rosenstein is hauled off by the House Sergeant At Arms, as granted per the Supreme Court, it means NOTHING. Anyone remember Holder? Nothing happened to him. Nothing. This pisses me off to no end. Just close the fist and crush them already. What the hell is Trump waiting for?!

Jeff Sessions has already caused great damage to Trump and has cost 17 million dollars for the Mueller investigation.

I 100% support Sessions but he ain't done nothing to help Trump.

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.–That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, – That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

"The succession question is actually a bit complicated. By default, under an obscure statute known as the the Vacancies Reform Act of 1998, Brand's temporary successor as the "acting" associate attorney general is her principal deputy, Jesse Panusko. That same statute would also allow the president to choose someone else to serve as the "acting" AAG on a temporary basis for up to 210 days, the pool of individuals from which the president could draw in this case includes individuals already holding Senate-confirmed positions elsewhere in the executive branch (like EPA administrator Scott Pruitt) or senior civil service lawyers in the Justice Department, specifically."

Why are we emphasizing this given the world is watching?

Or, they already know hence CEO/political mass resignations.

Prolly going down the wrong road here, but ...

Q post about sun, moon, etc.

Elon Musk.

Heat = Tesla cars exploding

Moon = Full moon 6/27 (or 6/28)

Stars = Musk b-day 6/28

Missions = Space X launch 6/29

Don't know if the dates mean anything, other than pointing to Musk (raw speculation at this point).

Question: Anybody have info on Elon Musk? Seems to be Eric Schmidt vs. Elon Musk re: AI.

Tesla cars exploding. Any info about who was killed in one or more of these?
Links to anyone in cabal?

Would Musk be someone who might testify about something? Fraud in the government handouts for alternate energy?

Why wasn't HRC prosecuted for the emails? Put simply, Obama ultimately OK'd by using the non govt email addy to communicate w/ Clinton. Obama also had an alias along with each of his cabinet members. Therefore indicting HRC would lead to indicting Obama & his cabinet etc which could never happen. Remember he lied about knowing but that ultimately came out in the dump. Poof!

“Attorney General Jeff Sessions has also said U.S. Attorney John Huber is investigating claims of FBI and DOJ misconduct related to these actions, noting that Huber would be “conducting his work from outside the Washington D.C. area and “in cooperation” with Horowitz.”
<http://www.foxnews.com/politics/2018/06/15/ig-2-0-could-be-even-worse-for-fbi-as-feds-brace-for-trump-spying-probe.html>
“This is not the end of the process. United States Attorney John Huber continues his work in cooperation with the Inspector General to review certain prosecutorial and investigative determinations made by the Department in 2016 and 2017,” Sessions said. He has reviewed this report and, based on its findings and his own investigation, will provide recommendations as to whether any matter not currently under investigation should be opened, whether any matters currently under investigation require further resources, or whether any matters merit the appointment of Special Counsel.”

SC = restart w/ significantly less staff = stupid
(Reddit Summary)
-Professor Turley is a very respected liberal law professor and longtime civil libertarian. Has been critical of both parties over the years.
-Turley says the use of John Huber gives the IG the prosecutor he needs to bring charges and seek indictments. (No need to go through RR which is critical)
-Huber is conducting a full-fledged criminal investigation into all the matters Republicans are calling for a special counsel to investigate.
-Huber has been investigating these possible crimes for five months (Now seven), since November 2017.
-By giving the IG a prosecutor they can now go after the deep state without looking like a political witch hunt. This is critical.
-Sessions informed Congress in his letter that all the matters recommended for investigation by Goodlatte, Gowdy, and Grassley are “fully within the scope of [Huber’s] existing mandate.” He also informed the chairmen that Inspector General Michael Horowitz, who is working with Huber, has a staff of 470 investigators, giving Huber access to enormous investigative firepower that far exceeds the staff of any special counsel. (Who needs a SC with that type of manpower?)
-The inspector general’s jurisdiction to conduct civil and criminal investigations includes “actions taken by former employees after they have left government service.” Then Huber can act on any of those matters.
-This is HUGE A Grand Jury can be empaneled anywhere, in any deep red state, away from D.C. (This is very important and why Trump needed to appoint as many Judges as possible)
-Huber and Horowitz can accomplish everything a SC can do.
-If Sessions feels that charges should have been made that weren't, he can still appoint a SC to make that happen.
-Huber is a lawyer from deep red Utah, not the D.C. swamp.
-“If a special counsel were appointed, there would be a great deal of delay,” Turley stated, versus the team of Huber and Horowitz, who are already five months into this investigation. (It's too late to even appoint a SC. Charges can be filed before midterms.)
-From /u/ClardicFug - Huber and Horowitz were both appointed to their positions by the Obama administration. This helps optics a lot. Pretty much decimates the "Trumped rigged the investigation" argument that's sure to be made.

Do you believe it's a coincidence extreme rhetoric is being pushed while at the same time [RR] is on the brink of collapse?
Define.
[RR] must either comply with all document demands or face impeachment.
2-way failure.
If he complies, he fails (self-implication)(known conflict).
If he failes to comply, he gets impeached (removed).

PS "In hindsight, it was a bad idea to openly discuss my feelings, but, in no way did those feelings impact my ability to conduct a fair and proper investigation - we followed where the "facts" took us."
PS "I decline to answer that question on advice from counsel."
: When you state "where 'facts' led us" - what 'facts' are you referring to? To date, there has been zero evidence of any such collusion or connections between the Trump campaign and Russia." In fact, the only facts discovered thus far have been between the Clinton camp and Russia and other foreign groups...."
PS "On advice of counsel, I decline to answer that question"
PS "Because of the ongoing investigation, such answers may violate the security of such investigations....."
: "Mr S, I believe nobody here is buying what you are selling. I believe there was/is a serious effort on the part of people more senior than you to remove Mr Trump from

office out of fear of what this Administration may uncover. I believe you are being dishonest in your answers and frankly shocked you agreed to come here today. I believe everyone on this panel (minus those from the other side of the aisle) knew exactly what your answers would be and if you think we are going to sit here and accept these answers you would be a foolish. We are also following the facts and once we uncover more (which we will) we will act accordingly. I'm glad you retained counsel - you'll need one and hopefully they are very good."

ALREADY IN NOTABLES, Q!

House passes measure demanding DOJ documents

In a 226-183 vote, lawmakers approved the messaging measure, which calls on the DOJ to turn over all of the documents House Republicans have requested related to the FBI's handling of investigations during the 2016 presidential election.

The party-line vote, with one Republican voting present, puts the entire conference on the record in the escalating feud between the DOJ and House Republicans, who have been fighting for months for access to a trove of highly-sensitive documents.

How Comey intervened to kill WikiLeaks' immunity deal

BY JOHN SOLOMON, OPINION CONTRIBUTOR — 06/25/18 05:45 PM EDT
THE VIEWS EXPRESSED BY CONTRIBUTORS ARE THEIR OWN AND NOT THE VIEW OF THE HILL

The effort resulted in the drafting of a limited immunity deal that might have temporarily freed the WikiLeaks founder from a London embassy where he has been exiled for years, according to interviews and a trove of internal DOJ documents turned over to Senate investigators. Read the draft immunity deal proffer that the Justice Department was considering for Assange here.

But an unexpected intervention by Comey — relayed through Warner — soured the negotiations, multiple sources tell me. Assange eventually unleashed a series of leaks that U.S. officials say damaged their cyber warfare capabilities for a long time to come.

COURAGE.
TOGETHER.

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.–That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, – That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

"Be on your guard; stand firm in the faith; be courageous; be strong."

“Normally, intelligence passed on from a member of the “Five Eyes” alliance — Australia, Canada, New Zealand, the U.K., and the U.S. — to another member comes through an official channel for intelligence sharing.

Re awan
anons already figured this out by i can add that i have suspected for some time that the state charges were just a delay tactic until the main indictments are unsealed

it is also possible or even likely given the way they treated awan that he will be a prosecution witness

since they would have never let him wander otherwise

lots more winning in store

I [name] do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God.

— That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —

Just a reply to Q from last thread about Ingraham interview; It was an awful interview. Once again, weak, ineffectual, limp wristed promises to hold a vote, to hold Rosenstein in contempt. Who. Cares?

Until Rosenstein is hauled off by the House Sergeant At Arms, as granted per the Supreme Court, it means NOTHING. Anyone remember Holder? Nothing happened to him. Nothing. This pisses me off to no end. Just close the fist and crush them already. What the hell is Trump waiting for?!

What was the point of filing impeachment art if Ryan was going to reject?
Known beforehand?
Optics.
Think logically.
Could Sessions publicly challenge [RR] w/o creating a dilemma?
What events would immediately transpire if Sessions challenged [RR]?
Would it immediately demonstrate that Sessions must be aware of key Mueller facts?
Facts (or failure of duty) that he cannot possibly 'know' if recused?
Facts (a case) he is suppose to be recused from?
Think logically.
One challenge to [RR] would immediately trigger attacks to remove Sessions given his clear involvement in receiving information re: a case he is fully recused from.
Who does Huber [directly] report to?
Is it normal [RR] is side-stepped re: Huber CoC?
Why is this important?
Why did Sessions recuse?
Is the LEFT attacking Sessions?
What advantage(s) exist based on this setup?
POTUS publicly expresses his anger re: his recusal?
Do you believe POTUS would allow a complete takeover of his DOJ if nothing was being done behind the scenes to hold people accountable?
When POTUS states "the swamp is being drained" do you believe it?
When POTUS states "it's happening" do you believe it?
Do you believe POTUS would allow Sessions & [RR] to run HIS DOJ if something wasn't being done to his liking?
LOGICAL THINKING.
Clickbait derails logical thought.

Trust yourself.

PS "Texts taken out of context"
PS "While emotional over the election, I conduct myself w/ utmost integrity w/o bias while undertaking any such investigation, especially a high-profile case against the POTUS."
PS "In hindsight, it was a bad idea to openly discuss my feelings, but, in no way did those feelings impact my ability to conduct a fair and proper investigation - we followed where the "facts" took us."
PS "I decline to answer that question on advice from counsel."
: When you state "where 'facts' led us" - what 'facts' are you referring to? To date, there has been zero evidence of any such collusion or connections between the Trump campaign and Russia." In fact, the only facts discovered thus far have been between the Clinton camp and Russia and other foreign groups...."
PS "On advice of counsel, I decline to answer that question"
PS "Because of the ongoing investigation, such answers may violate the security of such investigations....."
: "Mr S, I believe nobody here is buying what you are selling. I believe there was/is a serious effort on the part of people more senior than you to remove Mr Trump from office out of fear of what this Administration may uncover. I believe you are being dishonest in your answers and frankly shocked you agreed to come here today. I believe everyone on this panel (minus those from the other side of the aisle) knew exactly what your answers would be and if you think we are going to sit here and accept these answers you would be a foolish. We are also following the facts and once we uncover more (which we will) we will act accordingly. I'm glad you retained counsel - you'll need one and hopefully they are very good."

Donald J. Trump

When the media – driven insane by their Trump Derangement Syndrome – reveals internal deliberations of our government, it truly puts the lives of many, not just journalists, at risk! Very unpatriotic! Freedom of the press also comes with a responsibility to report the news...

Your wrong-headed protectionist policies & antics are damaging our global standing as well as our national interests. Your worldview does not represent American ideals. To allies & friends: Be patient, Mr. Trump is a temporary aberration. The America you once knew will return.

Donald J. Trump @realDonaldTrump

PM Justin Trudeau of Canada acted so meek and mild during our @G7 meetings only to give a news conference after I left saying that, "US Tariffs were kind of insulting" and he "will not be pushed around." Very dishonest & weak. Our Tariffs are in response to his of 270% on dairy!

MA Office | The 'Feed'

Did anons get the wrong angle on this?

>>2340661 (Q)

>Who is supplying feed?

Feed as in the Image (Camera Feed)

Remember, the image is flipped.

Why?

It would appear Q's guys are taking picture of a 'bad actor'.

Think mirror.

What if the people in the vehicle are those Working on Sunday @ MA office.

MA's bad actors are the one supplying the 'Feed'.

The images have been ripped/taken from their phones. (Like in SG/KJU photos)

The 'Man in Black' was the operator who just went and took the 2 photos of MA office that Q posted moments earlier. (Phone in hand)

Full black attire + shades + poor facial angle.

Nothing there can be used to easily identify the individual, even more so if hes an operator.

The above would explain MA shitting bricks and asking the Twatterverse for help.

ARTICLES ABOUT Q

WHY DO THEY NEVER ASK THE ANONS WHY THEY ARE HERE?

REAL ANON'S are here as we follow the EVIDENCE (documented verifiable evidence), we are building the TRUTH of our HISTORY so we can expose and dismantle the corruption that has PLAGUED our world for millennia.

I invite any publication to print this as a statement of fact from an ACTUAL ANON.

WE do not tell YOU what to think or how to FEEL about a topic. WE simply dig for

TRUTH and then PRESENT what we find so it can be scrutinized by our PEERS and further corroborated.

The CHOICE to KNOW what we have found, verified and presented is entirely up to YOU.

Presenting OUR work in a way to imply WE are some sort of cult, shows the WORLD how corrupt the MAINSTREAM MEDIA has become.

WE are NOT about violence, subversion or control. WE are simply providing FACT based information FREE of charge to the WORLD.

How do you safeguard the integrity of our elections from domestic & foreign criminal actors?

How do you utilize the Russia Russia narrative to knock out decades old election corruption?

Why are D's opposed to cleaning up voter rolls?

Why are D's opposed to imposing VOTER ID LAWS to further safeguard our elections?

Why oppose basic 'common sense' methods that are currently deployed WW?

Logical thinking.

Fellow Patriots:

What you are about to learn should not only scare you, but intensify your resolve to take back control **[Freedom]**. The information that will become public will further demonstrate the criminal & corrupt **[pure evil]** abuse of power that the Hussein administration undertook in joint efforts w/ domestic and foreign dignitaries. The snowball has begun rolling - there is no stopping it now. D5. Stay the course and trust the plan. Protective measures are in place. Remain BRAVE. We knew this day would come. <https://www.youtube.com/watch?v=G2qIXXafxCQ> United We Stand (WW). WWG1WGA. We FIGHT. Conspiracy no more.

Psychological Projection.
Define Conspiracy.
1. a secret plan by a group to do something unlawful or harmful.
"a conspiracy to destroy the government"
2. the action of plotting or conspiring.
"they were cleared of conspiracy to pervert the course of justice"
[Fake News]
Fake News collaborating and pushing knowingly false information?
Fake News ‘KNOWINGLY FALSE’ narrative pushes.
1. POTUS colluded w/ Russia to win the 2016 Presidential election
2. POTUS is puppet to PUTIN
3. POTUS to irreparably harm relationships w/ our allies
4. POTUS will collapse U.S. economy
5. POTUS will collapse stock market
6. POTUS will cause war w/ NK
7. POTUS will cause war w/ IRAN
8. POTUS will destroy the world.
9. On and on.....(knowingly false)
FEAR & SCARE PUSH.
They would rather see NK peace negotiations fail (WAR!) than see POTUS resolve.
Scandalous Media Bias?
Conspiracy?
Collaboration?
What are they hiding?
FAKE NEWS MEDIA IS NOT FREE AND INDEPENDENT.
FAKE NEWS MEDIA = PROPAGANDAARM OF THE DEMOCRATIC PARTY.
Think WL list of journalists who colluded w/ HRC/DNC (2016 Pres election).
They want you DIVIDED.
DIVIDED by RACE.
DIVIDED by RELIGION.

DIVIDED YOU ARE WEAK.
TOGETHER YOU ARE STRONG.
YOU, THE PEOPLE, HAVE THE POWER.

This movement challenges people to not simply trust what is being reported.
Research for yourself.
Think for yourself.
Trust yourself.
This movement is not about one person or a group of people.
WE, THE PEOPLE.
You are witnessing a FULL PANIC ATTACK by the FAKE NEWS MEDIA & COVERT ALT MEDIA AFFILIATES (foreign gov’t).
They cannot contain or defeat what they do not understand.
Is any of this normal?
Think sealed indictments count.
Think resignations of CEOs.

Think resignations of Congress.

Ask yourself, if the U.S. GDP is greater than the total of all others combined (G7), which allows us to negotiate from a position of strength, why would previous President's 'knowingly' [unequally] distribute America's wealth away by making unbalanced trade deals?
Why was America's wealth being distributed WW?
Why was the American taxpayer essentially subsidizing the the rest of the world?
The AMERICAN TAXPAYER has no equal anywhere in the world.
ACCESS to the AMERICAN CONSUMER (U.S. Market) is ESSENTIAL for every major country in the world.
AMERICA WAS SYSTEMATICALLY BEING WEAKENED.

"Integrity violations."

Integrity violations = LEAKS

Recording a 'privileged & confidential' meeting w/ the WH CoS?

What document(s) are signed prior to entering the WH?

What documents(s) were added by POTUS specifically prior to allowing staff to join his administration?

What documents(s) were added later by POTUS specifically targeting 'leaks'?

Why was FAKE NEWS infuriated by this?

Why would a person 'openly' broadcast a CRIMINAL VIOLATION?

Do they feel protected?

Who do they report to?

If known in advance, could this be an advantage?

These people are STUPID.

Enjoy the show.

"This is far from a 'vigilante group'; leading the team is ex-Department of Homeland Security special agent Tim Ballard, perhaps America's foremost human trafficking expert. "The problem in Haiti is an international crisis," Ballard explains. "With so many children displaced or orphaned during the recent earthquake and hurricane, recruiters moved quickly to sweep these children up. And the worst part of it all is that in many cases the clients are the foreigners who've come here to help, the NGO workers and the so-called humanitarians."

— Corinthians 13:4-13

"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and

Ask yourself simple questions.

If ES was trying to travel to UIO from HKG.

Why would he route through Russia?

How many direct flights (per day) from HKG to UIO?

What if Russia was the original target?

Ask yourself, would you NOT want to be at your preferred destination PRIOR TO going public?

Logical thinking.

Truth exists and truth matters. Truth has always been the touchstone of our country's justice system and political life. People who lie are held accountable. If we are untethered to truth, our justice system cannot function and a society based on the rule of law dissolves.

If the FAKE Steele Dossier constituted the 'bulk' of the 'facts submitted' to FISC to obtain FISA warrant(s) against POTUS....
Dossier dismissed as FAKE/BASELESS.
If Mueller was appointed as SC based on the Dossier - and the Dossier was proven to be FAKE/DISINFORMATION - and the Dossier was proven to be the 'bulk' of the information submitted to FISC in order to obtain the warrants (+FISA signers 'pre-mediated' neglect to disclose the actual FACTS (lied to)) - then how is Mueller still SC?
BO never called to testify re: Mueller?
Mueller investigating 'Russian Collusion'?
Why would Mueller not contact BO?
BO was the 'BACKCHANNEL' between FBI/DOJ & STEELE.
Why wouldn't Mueller seek testimony?

Special Prosecutor Tapped by Sessions to Investigate FISA Abuses HAS NOT Interviewed Bruce Ohr

In March, Attorney General Jeff Sessions announced he would not be appointing a second special counsel to investigate crimes committed by Obama's FBI and DOJ.

Rather, AG Sessions revealed U.S. Attorney John Huber will be the 'top federal prosecutor' who will be investigating FISA abuses.

U.S. Attorney John Huber was first appointed to his position by Barack Obama in 2015.

Five months into John Huber's FISA abuse investigation and he still has not interviewed twice-demoted DOJ official Bruce Ohr.

Ohr is a key player in the FISA abuse scandal, so why hasn't he been interviewed by Huber or Mueller??

Bruce Ohr was acting as a backchannel for dossier author Christopher Steele after the FBI terminated him in November of 2016 for breaking protocol by leaking to the media.

"More of a reason to wonder how effective a US Attorney [John Huber] can be cleaning up corruption in Washington when he's based in Salt Lake City," investigative reporter, Paul Sperry said.

Investigative reporter John Solomon also revealed Tuesday that Robert Mueller hasn't interviewed Bruce Ohr either.

Bruce Ohr arrived at Capitol Hill Tuesday morning for a closed-door grilling from House Oversight and House Judiciary members over his contacts with dossier author Christopher Steele.

Q

GOP lawmakers said Tuesday afternoon that Bruce Ohr was being cooperative and answering questions at the closed-door deposition.

Bruce Ohr, former FBI lawyer Lisa Page and Fusion GPS co-founder Glenn Simpson may be called back to testify together to iron out the discrepancies in their testimonies.

What exactly is Mueller and Huber doing if they are not questioning key players like Bruce Ohr??

Mueller’s investigation into Russian “collusion” appears to be designed not to protect the country but to protect his former FBI/DOJ regime and their political espionage crimes, says Sperry.

Here's a better question: Does the WaPo skew all polls?

I'd bet good money that they do.

Every. Single. One. And we all know you don't waste money on a "poll" unless it supports you claim.

We should 'attack' while 'corrupt' members of the DOJ, FBI, NY_AG....are still in place.....
But....
We should use a 2nd SC in DC [SWAMP] [team of 20] and wait 2-4 years and hope for the best w/ NO CONTROL.
But....
Logical thinking ELIMINATES emotional nonsense.
BIG rally tonight.

Do you believe actual 'polls' were conducted?

Pre-election polls: HRC favored 90-98%?

Reconcile against results.

Why is there emphasis put on polls?

Define 'Human Nature'.

: the general psychological characteristics, feelings, and behavioral traits of humankind, regarded as shared by all humans?

[Point 1 - FAKE NEWS LOGIC]

If people believe the odds are hopeless their candidate will win...

Do they still make the effort to vote?

[Point 2]

If people believe the odds are overwhelming their candidate will win....

Do they still make the effort to vote?

Does 1 cancel 2?

[Point 3 - FAKE NEWS LOGIC]

If people believe the 'majority' of people feel a certain way about something....

Do they 'go with the majority' to feel accepted?

If the 'majority' of people believe something does that imply it must be RIGHT?

Does this give rise to 'we are the majority' mindset?

Define 'Echo Chamber'.

: a metaphorical description of a situation in which beliefs are amplified or reinforced by communication and repetition inside a closed system?

Prior to new platforms [networks] connecting people....

Did the OLD GUARD have FULL CONTROL?

Did the OLD GUARD 'learn' from this mistake (2016 election) and now tasking all new platforms [networks] to censor?

When you are awake you can see CLEARLY.

Emotions cloud judgement.
Why is 'Huber' being discussed now?
What if the TX Congressman was not supposed to drop that name?
Why is 'Huber' being discussed now?
Why is 'Huber' (all of a sudden) being grouped into the 'Anti-Sessions' remove, fire, ... nothing being done?
Discussed by Right or Left?
Huber did not 'directly' interview....**[insert name]**?
Huber did not.....
Huber did not.....
Sessions did not.....
Sessions did not.....
When will Sessions.....
When will Sessions..I....
Who does Huber work with specifically?
Who investigates?
Who prosecutes?
Team of 470?
Will BO transcripts be released?
Huber + IG + 470?
Inside or outside of the DC **[SWAMP]**?
How many members of Congress not seeking re-election?
SPEAKER OF THE HOUSE not seeking re-election?
How many Senators have resigned or not seeking another term?
How many (senior) FBI have been removed?
How many (senior) DOJ have been removed?
Nothing to See Here.
But....
We should 'attack' them 'head on'....in DC....using a 2nd SC....
Emotion clouds judgement.

National Preparedness Month is a time to focus our attention on the importance of preparing our families, homes, businesses, and communities for disasters that threaten our lives, property, and homeland. During this time, we also honor the brave men and women who selflessly respond to crises and disasters, rendering aid to those in need. These first responders, who work tirelessly to safeguard our Nation and protect our citizens, deserve our utmost gratitude and appreciation.

Over the past year, communities nationwide and across the Territories have witnessed and endured damage from multiple hurricanes, wildfires, tornadoes, floods, volcanic eruptions, and other natural disasters. The historic hurricane season of 2017 included three catastrophic storms that made landfall within a month, and was followed by a destructive series of wildfires in California. Combined, these natural disasters affected 47 million people and tens of thousands were mobilized to provide aid, comfort, and assistance. We are also especially mindful of those currently affected by ongoing wildfires in California, Oregon, and Colorado. In spite of tremendous challenges, the resilience of the American people continues to prevail.

Tragedies are somber reminders that preparedness is a shared responsibility and that it is critical to maintain readiness. All Americans can prepare for potential disasters by developing and practicing a family emergency response plan, assembling a disaster supply kit, signing up for alerts on mobile devices, setting aside emergency savings, and maintaining adequate insurance policies for their homes and businesses. The Federal Emergency Management Agency’s Ready Campaign outlines other important steps to best prepare for a major disaster.

This month, I encourage all Americans to take the opportunity to ensure they have an emergency response plan in place and ready to be properly executed. Emergencies and disasters test the resilience and strength of families, communities, and our Nation. It is impossible to avoid every challenge and threat, but we can and must prepare for them. By doing so, we can help protect our communities and save lives.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim September 2018 as National Preparedness Month. I encourage all Americans, including Federal, State, and local officials, to take action to be prepared for disaster or emergency by making and practicing their emergency response plans. Each step we take to become better prepared makes a real difference in how our families and communities will respond and persevere when faced with the unexpected.

IN WITNESS WHEREOF, I have hereunto set my hand this thirty-first day of August, in the year of our Lord two thousand eighteen, and of the Independence of the United States of America the two hundred and forty-third.

DONALD J. TRUMP

I never thought I'd want Jeff Sessions to stay on as Attorney General but at this point it's the only way to guarantee that Mueller and Rosenstein won't be messed with.

The second paragraph reads: 'As the Russians gradually assumed control of Uranium One in three separate transactions from 2009 to 2013, Canadian records show, a flow of cash made its way to the Clinton Foundation. Uranium One's chairman used his family foundation to make four donations totaling \$2.35 million. Those contributions were not publicly disclosed by the Clintons, despite an agreement Mrs. Clinton had struck with the Obama White House to publicly identify all donors. Other people with ties to the company made donations as well.' The third paragraph reads: 'And shortly after the Russians announced their intention to acquire a majority stake in Uranium One, Mr. Clinton received \$500,000 for a Moscow speech from a Russian investment bank with links to the Kremlin that was'. Prosecutors use grand jury as investigation of Andrew McCabe intensifies
Federal prosecutors have for months been using a grand jury to investigate former FBI deputy director Andrew McCabe — an indication the probe into whether he misled officials exploring his role in a controversial media disclosure has intensified, two people familiar with the matter said.

The grand jury has summoned more than one witness, the people said, and the case is ongoing. The people declined to identify those who had been called to testify.

The presence of the grand jury shows prosecutors are treating the matter seriously, locking in the accounts of witnesses who might later have to testify at a trial. But such panels are sometimes used only as investigative tools, and it remains unclear if McCabe will ultimately be charged.

A spokesman for the U.S. attorney's office in D.C., which has been handling the probe, declined to comment, as did a spokeswoman for McCabe.

Full Disclosure.
General Statement:
Once the 'extremely guarded & highly classified' information is finally revealed to House investigators, DNI, public etc., RR must recuse or forcefully terminated.
[RR] problems.
What was RR's Senate Conf Vote?
WRAY reports to RR [important fact].
Who do you TRUST?
[RR] recuse/fired who has direct oversight of Mueller?
Sessions un-recuse or #3 [until refill]?
Who is Rachel Brand?
Why was Rachel Brand dismissed?
Think timing.
"The succession question is actually a bit complicated. By default, under an obscure statute known as the the Vacancies Reform Act of 1998, Brand's temporary successor as the "acting" associate attorney general is her principal deputy, Jesse Panuccio. That same statute would also allow the president to choose someone else to serve as the "acting" AAG on a temporary basis for up to 210 days; the pool of individuals from which the president could draw in this case includes individuals already holding Senate-confirmed positions elsewhere in the executive branch (like EPA administrator Scott Pruitt) or senior civil service lawyers in the Justice Department, specifically."

There was a time when our children stood at attention, put their hand on their heart, and in one UNITED voice, recited the PLEDGE OF ALLEGIANCE.
There was a time when STRENGTH and HONOR meant something.
There was a time when standing for our FLAG meant something.
There was a time when our history (heritage) was taught with PRIDE and RESPECT.
There was a time when respect was given to those who serve(d), bled, and died to protect and defend our GOD GIVEN FREEDOM.
There was a time when we were GRATEFUL.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED UNDER ONE FLAG.
There was a time when, WE, THE PEOPLE, decided our future.
There was a time when, WE, THE PEOPLE, had a voice.
There was a time when, WE, THE PEOPLE, were UNITED and STRONG.
“I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.”
It is time, WE, THE PEOPLE, reclaim what is rightfully ours.
MAY GOD BLESS AMERICA AND ALL THOSE WHO DEFEND AND PROTECT HER AGAINST ALL ENEMIES, FOREIGN AND DOMESTIC.
WE STAND TOGETHER AS PATRIOTS.

How about a nice game of chess?
IG Horowitz ("Justice" Dept) speech – ‘whistleblowers’
<https://oig.justice.gov/about/meet-ig.htm>
CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY?
“Since 2015, he has simultaneously served as the Chair of the Council of the Inspectors General on Integrity and Efficiency (CIGIE), an organization comprised of all 73 federal Inspectors General.”
Think yesterday.
What was learned?
Robert Storch confirmed NSA IG?
<https://www.nsa.gov/news-features/press-room/press-releases/2017/robert-storch-nsa-ig.shtml>
First presidentially-appointed IG for NSA?
Dept of “Justice” [background] important?
Federal prosecutor in N. District of NY [background] important?
CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY [BACKGROUND] IMPORTANT?
“Prior to joining NSA, Mr. Storch served in several positions at the Department of Justice's OIG, including as Senior Counsel to the IG and Acting Deputy IG prior to his 2015 appointment as Deputy IG. He also served as chairman of the Council of the Inspectors General on Integrity and Efficiency (CIGIE) Whistleblower Ombudsman Working Group. The Whistleblower Ombudsperson program he helped establish is widely seen as a leader in the field.”
“Earlier in his career, Mr. Storch also worked as a federal prosecutor in the Northern District of New York, most recently serving as the Deputy Criminal Chief and Counsel to the U.S. Attorney. He was also posted overseas for two years as a Department of Justice Resident Legal Advisor in Ukraine.”
VEHICLE FOR CROSS-SHARING OF DEPT-TO-DEPT INFO RE: INSPECTOR GENERALS?
COUNCIL OF INSPECTORS GENERAL ON INTEGRITY AND EFFICIENCY?
<https://www.ignet.gov>
“The CIGIE is comprised of all Inspectors General whose offices are established under section 2 or section 8G of the Inspector General Act of 1978 (5 U.S.C. App.), those that are Presidentially-appointed/Senate Confirmed and those that are appointed by agency heads (designated federal entities).”
<http://legcounsel.house.gov/Comps/Inspector%20General%20Act%20Of%201978.pdf>
How might this benefit ‘possible’ ongoing investigations across inter-intra federal agencies?
HUBER >> HOROWITZ >> STORCH
US ATTORNEY (PROSECUTOR) >> DOJ/FBI INSPECTOR GENERAL (INVESTIGATOR) >> SIGNALS INTELLIGENCE (SIGINT) AND INFORMATION ASSURANCE (IA) PRODUCTS AND SERVICES

NSA been pushed since the beginning?
Logical thinking.
The "Experts"
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP [team of less than 20 typically] & wait 2-4 years [take a gamble]
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE [as demonstrated by the FBI/DOJ people FIRED/REMOVED] this will be conducted faithfully and honestly [like MUELLER]
But... HUBER has not ‘directly’ interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine
But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]
But... HUBER [ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a ‘special counsel’ so therefore nothing is being done
But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people’s interest (or POTUS’) [D’s/LEFT LOVE/TRUST SESSIONS!]
But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?
But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X?]? Coincidence vs. HUBER start?
But... interestingly, if nothing is being done behind the scenes, why are many ‘powerful’ CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?
But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?

Panic in DC.

James Baker testifying against Comey?

Q

13:35 (transcript)

Joe DiGenova

"As I've been saying for two years, there's been a brazen plot to illegally exonerate Hillary Clinton in the email case and then if she had lost, to frame Donald Trump. And that is exactly what these texts are about. Whether or not Mr. Strzok and Lisa Page and others are indicted is certainly a question people can debate, but let me just say I know there is a grand jury underway, testimony is being taken about Strzok, Page, McCabe and others involved in this case and the reason we know it is that James Baker, the former general counsel of the FBI, as turned State's evidence is fully cooperating with the Inspector General and with the Federal Grand Jury. I can assure you, Mr. Comey has been very silent in recent weeks and the reason is very simple: he knows he's going to be indicted."

Think timing.

"The succession question is actually a bit complicated. By default, under an obscure statute known as the the Vacancies Reform Act of 1996, Brand's temporary successor as the "acting" associate attorney general is her principal deputy, Jesse Panuccio. That same statute would also allow the president to choose someone else to serve as the "acting" AAG on a temporary basis for up to 210 days; the pool of individuals from which the president could draw in this case includes individuals already holding Senate-confirmed positions elsewhere in the executive branch (like EPA administrator Scott Pruitt) or senior civil service lawyers in the Justice Department, specifically."

Judge Kavanaugh showed America exactly why I nominated him. His testimony was powerful, honest, and riveting. Democrats’ search and destroy strategy is disgraceful and this process has been a total sham and effort to delay, obstruct, and resist. The Senate must vote!

John Barlow dig

Who would want to kill John Barlow?
What benefit would John Barlows death provide?
When was John Barlow murdered?
Did John Barlow survive a murder attempt only to succumb to its lingering effects eventually?

Washington Post:
Meet the man whose utopian vision for the Internet conquered, and then warped, Silicon Valley

By Jacob Silverman

"To understand where this cyber-libertarian ideology came from, you have to understand the influence of “A Declaration of the Independence of Cyberspace,” one of the strangest artifacts of the '90s, and its singular author, John Perry Barlow. Perhaps more than any other, it’s his philosophy — which melded countercultural utopianism, a rancher’s skepticism toward government and a futurist’s faith in the virtual world — that shaped the industry.

“A Declaration of the Independence of Cyberspace” was an utterly serious document for a deliriously optimistic era

Barlow’s 846-word text, published online in February 1996, begins with a bold rebuke of traditional sovereign powers: “Governments of the Industrial World, you weary giants of flesh and steel, I come from Cyberspace, the new home of Mind. On behalf of the future, I ask you of the past to leave us alone. You are not welcome among us. You have no sovereignty where we gather.” He then explains how cyberspace is a place of ultimate freedom, where conventional laws don’t apply.

When Eric Schmidt describes the Internet, however misguidedly, as “the world’s largest ungoverned space” in his book “The New Digital Age,” he is borrowing Barlow’s rhetoric. When tech mogul Peter Thiel writes, in “The Education of a Libertarian,” that he founded PayPal to create a currency free from government control and that “by starting a new Internet business, an entrepreneur may create a new world,” it’s impossible not to hear Barlovian echoes. (That grandiose attitude is so common now that HBO has a comedy, “Silicon Valley,” dedicated to mocking it.)"

Barlow suffered a near-fatal heart attack on May 27, 2015. He later reported that he was recovering.

John Perry Barlow - 187 post name [DROP]
187 = murder
post = Washington Post
Barlovian = name [DROP]

Q suggests John Barlow was murdered for his ability to influence through his activities in the Freedom of the Press Foundation. The Washington Post article highlights Barlow’s ability to influence wealthy technocapitalists towards his idealistic goals.

@Snowden
You are now a liability.

Freedom of the Press Foundation (FPF) is a non-profit organization founded in 2012 to fund and support free speech and freedom of the press.
Its mission includes "promoting and funding aggressive, public-interest journalism focused on exposing mismanagement, corruption, and law-breaking in government

If wealthy people support Barlow's idealistic goals then they might help support the Freedom of the Press Foundation's goals, "promoting and funding aggressive, public-interest journalism focused on exposing mismanagement, corruption, and law-breaking in government."

Edward Snowden has moved in to the position which was vacant due to Barlow's death. Q is stating Edward Snowden is identified as a liability by the same individuals who caused John Barlow's 187.

Other Unanswered Questions:

Whose crimes are threatened to be exposed by John Barlows activities?

Was John Barlow's relationship with Dick Cheney part of the motive that led to his death?

Was the heart related death of Barlow's girlfriend Cynthia Horner a botched first attempt to murder John Barlow?

John Barlow was engaged to Cynthia Horner, a doctor whom he met in 1993 at the Moscone Center in San Francisco while she was attending a psychiatry conference and Barlow was participating in a Steve Jobs comedy roast at a convention for the NeXT Computer. Cynthia Horner died unexpectedly in 1994 while asleep on a flight from Los Angeles to New York City, days before her 30th birthday, from a heart arrhythmia apparently caused by an undetected viral myocarditis.

Who adapted Jacob Silverman's book for the Washington Post article?

Jacob Silverman is the author of “Terms of Service: Social Media and the Price of Constant Connection,” from which this article is adapted.

Is the Washington Post article a HIT piece or coincidence?

Coincidence Sen. Graham activated?

In the end, you will be 'shocked' to learn what you've 'essentially' witnessed.

Refused to hand over therapy notes to FBI.

Think WHY.

Justice K NEVER named.

[Mr X logged in book along w/ physical description during 'eyes closed' session = / = Justice K].

FBI no subpoena power [no GJ] to demand.

Justice K NEVER named / asked during Polygraph.

Something did happen to Dr. Ford in her past.

Use of that 'something' to 'frame' Justice K.

Dr. Ford's family has strong ties to SWAMP.

FBI has expanded investigation into other suspicious acts w/ support of ABC agency as AUTH BY POTUS.

>Coleman told us that he could not recall this briefing with Comey.

>Coleman’s notes from October 4 contained the following entry:

(1) Anthony Wiener [sic]

(2) [Unrelated]

(3) Wiener [sic] – texting 15 yo – Sexually Explicit

-9/26 – Federal SW – IPhone/IPAD/Laptop

-Initial analysis of laptop – thousands emails

-Hillary Clinton & Foundation

-Crime Against Children+++

>We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the +++Criminal Investigative Division+++.

>Comey told us that he did not recall the briefing by Coleman reflected in his calendar.

>We asked Comey if this briefing could have been the time in early October that he recalled being told about the connection between Midyear and the Weiner investigation. Comey stated:

"It’s possible, possible this is what is knocking around in the back of my head, but I really, see I know the frailty of memory from having done a lot of this work, at least in my memory it’s much more of an informal than a meeting about it, but it’s possible."

>We showed Coleman’s notes from October 4 to Comey. Comey did not recall being briefed on the information contained in the notes.

Statement release 10.9.18 [p_AUTHORITY1]
General Statement:
We understand that there is extreme fatigue and frustration re: the wheels of justice [slow].

How can you make arrests [non military] prior to first fully cleaning out corrupt elements [at the top] of those departments [FBI][DOJ] that oversee ‘investigation & prosecution’ in the United States [they [themselves] are the very ones engaged in the illegal treasonous acts]?

How do you ensure those prosecuted [non military] would receive an impartial judgement based on the RULE OF LAW?
Think Federal Judge rulings [obstruction] [POTUS’ granted CONSTITUTIONAL authority].
How do you ensure ‘appeals’ to the U.S. Supreme Court are evaluated impartially > based on the RULE OF LAW?
Think Justice K (5 to 4).
Military Law v Criminal Law
“Enemy Combatant”
How do you navigate around installed BLOCKADE?
[MUELLER] designed to take-in evidence needed to ‘expose’ DS [DOJ block re: Mueller ‘evidence’ ongoing investigation].
[MUELLER] designed to limit POTUS’ ability to maneuver.
[MUELLER] designed to ‘stall-for-time’ until MIDTERM ELECTIONS to TERMINATE all HOUSE / SENATE ongoing investigations.
[MUELLER] designed to ‘safeguard’ D_PARTY_BASE false narrative re: RUSSIA COLLUSION [POTUS CHEATED – EVIL – SKY FALLING] in effort to DIVIDE and MOBILIZE for future protests, riots, threats, violence, FF’s, etc.
[MUELLER] designed to provide FAKE NEWS w/ ammunition to sway public opinion, obstruct foreign + domestic agenda, fuel impeachment/removal, fuel anti-POTUS [DIVISION] [prevent UNITY], etc..

POTUS Insulated & Protected
Anonymous 1 Nov 2017 10:56:38 PM
POTUS will be well insulated/protected on AE1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.
It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.
"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind."
God bless my fellow Americans.

How many articles has the WASH POST released attacking the 'Q' movement?

Why is the WASH POST dedicated to attacking this movement?

The Time is Now.
Patriots Fight!
"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."
– Ephesians 6:10-18

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. –That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, – That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

Do you believe actual 'polls' were conducted?
Pre-election polls: HRC favored 90-98%?
Reconcile against results.
Why is there emphasis put on polls?
Define 'Human Nature'.
: the general psychological characteristics, feelings, and behavioral traits of humankind, regarded as shared by all humans?
[Point 1 - FAKE NEWS LOGIC]
If people believe the odds are hopeless their candidate will win...
Do they still make the effort to vote?
[Point 2]
If people believe the odds are overwhelming their candidate will win....
Do they still make the effort to vote?
Does 1 cancel 2?
[Point 3 - FAKE NEWS LOGIC]
If people believe the 'majority' of people feel a certain way about something....
Do they 'go with the majority' to feel accepted?
If the 'majority' of people believe something does that imply it must be RIGHT?
Does this give rise to 'we are the majority' mindset?
Define 'Echo Chamber'.
: a metaphorical description of a situation in which beliefs are amplified or reinforced by communication and repetition inside a closed system?
Prior to new platforms [networks] connecting people....
Did the OLD GUARD have FULL CONTROL?
Did the OLD GUARD 'learn' from this mistake (2016 election) and now tasking all new platforms [networks] to censor?
When you are awake you can see CLEARLY.

There was a time when our children stood at attention, put their hand on their heart, and in one UNITED voice, recited the PLEDGE OF ALLEGIANCE.

There was a time when STRENGTH and HONOR meant something.

There was a time when standing for our FLAG meant something.

There was a time when our history (heritage) was taught with PRIDE and RESPECT.

There was a time when respect was given to those who serve(d), bled, and died to protect and defend our GOD GIVEN FREEDOM.

There was a time when we were GRATEFUL.

There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED.

There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED UNDER ONE FLAG.

There was a time when, WE, THE PEOPLE, decided our future.

There was a time when, WE, THE PEOPLE, had a voice.

There was a time when, WE, THE PEOPLE, were UNITED and STRONG.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free."

"You and I have the courage to say to our enemies, "There is a price we will not pay."

"There is a point beyond which they must not advance."

"We'll preserve for our children this, the last best hope of man on earth, or we'll sentence them to take the last step into a thousand years of darkness."

-Ronald Reagan

It is time, WE, THE PEOPLE, reclaim what is rightfully ours.

Will you answer the call?

Your Country needs you.

Your VOTE matters!

WE STAND TOGETHER.

"Be on your guard; stand firm in the faith; be courageous; be strong."

The entire world is watching.

Patriots from around the world are praying for AMERICA.

We are all bound by a feeling deep inside, a feeling that cannot be publicly expressed for fear of ridicule, a feeling that challenges the mainstream (narrative), against that which we are told to accept and dare not question, put simply, that people are being abused by those in power and time is running out.

Remember the battles of Lexington and Concord - "Give Me Liberty or Give Me Death!"

For far too long we have been silent and allowed our bands of strength, that we once formed to defend FREEDOM and LIBERTY, to deteriorate.

We became divided.

We became weak.

We elected TRAITORS to govern us.

We allowed EVIL to prey on us.

Those who claimed to represent us gave us false hope, made false promises.

The evil and corruption only grew.

This is more than party politics.

This is about restoring OLD GLORY.

This is about saving our land and our people from those who wish us harm.

This is about preserving our REPUBLIC.

This is about preserving our SAFETY.

This is about restoring our STRENGTH.

This is about LIFE, LIBERTY, and the PURSUIT OF HAPPINESS.

This is about PROTECTING our children.

THIS IS ABOUT SAVING AMERICA.

We are all God's children.

We are, FATHERS.

We are, MOTHERS.

We are, DAUGHTERS.

We are, SONS.

We are, BROTHERS.

We are, SISTERS.

We do not look at race.

We do not look at skin color.

We are UNITED in these STATES OF AMERICA.

We are, and will always be, PATRIOTS.

WE MUST RISE AGAIN.

WE MUST UNITE AGAIN.

WE MUST FIGHT AGAIN.

FOR GOD & COUNTRY — PLEASE ANSWER THE CALL & VOTE.

GOD BLESS AMERICA.

If the Democrats think they are going to waste Taxpayer Money investigating us at the House level, then we will likewise be forced to consider investigating them for all of the leaks of Classified Information, and much else, at the Senate level. Two can play that game!

We got what we needed.

Senate means everything.

Think Judges (SC) & Cabinet.

POTUS has ultimate authority.

Shift to Senate Judiciary (oversight) from House to now occur (stronger position and held in reserve for this scenario).

Team is stronger [PRO].

Q

>>3782992

We are at war.

Think logically.

Why was winning the House majority the primary goal for them?

To this point, what chamber is currently directing the DOJ/FBI investigations?

To this point, what chamber do they feel most threatened by?

While the focus was on the House for them (due to above), our underlying focus was adding PRO_POTUS members to the Senate and safely securing a PRO_MAJORITY.

THE SENATE IS WORTH SO MUCH MORE.

THE SENATE CONTROLS JUDGES & CABINET POSITIONS W/O HOUSE APPROVAL.

THE SENATE JUDICIARY COMMITTEE HAS DIRECT OVERSIGHT OVER THE DOJ&FBI [MORE POWER THAN THE HOUSE].

While we had a senate majority on paper, in reality, we never did, nor could we count on bringing investigations to that body until it was safely in our full control.

THE SENATE WAS ALWAYS THE PRIMARY OBJECTIVE.

Moves & countermoves.

We defied history by picking up Senate seats.

Patriots delivered.

Disinfo is necessary.

Enemy at the front door.

Our attempt at reassurance re: last drops re: House >>> Senate backed by POTUS tweet directly thereafter stating the same thing should have put this to bed.

How many coincidences before it's mathematically impossible?

Do you think the current 'shill' attack is organic?

The "Experts"

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP [team of less than 20 typically] & wait 2-4 years [take a gamble]

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE [as demonstrated by the FBI/DOJ people FIRED/REMOVED] this will be conducted faithfully and honestly [like MUELLER]

But... HUBER has not 'directly' interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine

But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]

But... HUBER [ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a 'special counsel' so therefore nothing is being done

But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people's interest (or POTUS') [D's/LEFT LOVE/TRUST SESSIONS!]

But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?

But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X?]? Coincidence vs. HUBER start?

But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?

But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?

"New Clinton Foundation Whistleblower TBA Next Monday?"

In a discussion between Hannity, John Soloman and Sara Carter, something new came to light about the Clinton Foundation investigation.

HANNITY: Now: there's something percolating that will probably break Monday. You're both smiling. Do either one of you want to give the audience....well, a little heads up.....

JOHN: I'll give you some breaking news right now, Sean. Just two hours ago, federal prosecutors assigned to John Huber, the [Utah] US Attorney investigating the Clintons, reached out to a whistleblower in the Clinton Foundation, [this is the] first time we've seen contact between a Clinton Foundation whistleblower and that particular federal office. That just happened tonight.

HANNITY: Are you talking about the one who's home was raided?

JOHN S.:No, this is a new—a different whistleblower that you might.....you'll learn a lot on Monday, I betcha.

HANNITY: All right, we'll learn a lot more on Monday. Sara, last word...

SARA: We need to keep our eyes—

HANNITY: What's the preview of Monday's coming attraction?

SARA (big laugh): I think we've got a lot to look forward to on Monday, Sean. And I think the American people are going to see that there was [something] happening behind the scenes at the FBS as well as the Dept of Justice. And Michael Horowitz has been doing a very deep dive into this...There's gonna be a lot of breaking news in the next month and [in] the months to come.

HANNITY: Amazing the year of the boomerang. We were right all along. It continues.

Logical thinking.

D5 drops 1st - last.

Huber drops 1st - last.

Content & Dates.

Role of Huber (as portrayed by 'Q')?

What are the odds (mathematical probability) that Huber would be scheduled to testify re: Clinton Foundation on D5?

What are the odds (mathematical probability) GHWB passes away and the State Funeral date is on D5?

What other interviews and investigations were wiped clean (postponed) given a STATE FUNERAL takes up media coverage for a week?

Why does the (global) FAKE NEWS media [largest in the world] continually attack 'Q'?

Why is the WASH POST leading the attack?

Think ABC agency.

Wow what a show!

President Trump on Tuesday engaged in an extraordinary argument with Democratic congressional leaders over his demand for border-wall funding, threatening a government shutdown if he does not get the money.

"I will be the one to shut it down," he told House Minority Leader Nancy Pelosi (D-Calif.) and Senate Minority Leader Charles Schumer (D-N.Y.) at the White House.

During the contentious meeting in the Oval Office, Pelosi (D-Calif.) repeatedly asked Trump not to discuss the funding request in front of the news media.

"You will not win," Pelosi told Trump.

The meeting was scheduled to be closed to the press but the White House unexpectedly opened it to reporters just as Pelosi and Schumer were arriving at the White House.

The exchanged heightened the sense of drama surrounding government-funding stalemate between Trump and Democrats.

"You will not win?" - Pelosi

You didn't think the largest MIL spending bill in history (FY 2019) wasn't going to [indirectly] include funding for the wall did you?

Learn the Constitution re: vested powers of POTUS re: matters of NAT SEC.

This was planned and forecasted as the 'border funding' solution from the beginning.

Use Logic.
Why would we tell you the plan if in doing so also alerts those who we are actively engaged in HUNTING?
You are witnessing, first-hand, the demise of those in power [OLD GUARD].

The clock is ticking.
When will the 1st alarm ring?
If the Senate was the primary target (majority control)....
53-47 active when?
EO (designated_target(s)) active when?
Ongoing investigations.....
"There are a lot of sealed indictments" - SC
"It's all going to come out, U1, Dossier, CF, etc...." - SH
"I have pretty good sources..." - SH
There is a reason why SH, SC, and JS are on stage.

When did Paul Ryan announce he was retiring?

Why would the Speaker of the House retire?

Age of Paul Ryan?

Sometimes reading between the lines demonstrates those complicit in treasonous / traitorous acts are no longer (or soon to be) in positions of power.

You didn't think the largest MIL spending bill in history (FY 2019) wasn't going to [indirectly] include funding for the wall did you?
Learn the Constitution re: vested powers of POTUS re: matters of NAT SEC.
This was planned and forecasted as the 'border funding' solution from the beginning.

[RBG]
Why was she 'selected'?
Who appointed her?
Remember [her] history.
Ref: 230-page book called Sex Bias in the U.S. Code, published in 1977 by the U.S. Commission on Civil Rights.
Highlights:
>Called for the sex-integration of prisons and reformatories so that conditions of imprisonment, security and housing could be equal. She explained, "If the grand design of such institutions is to prepare inmates for return to the community as persons equipped to benefit from and contribute to civil society, then perpetuation of single-sex institutions should be rejected." (Page 101)
>Called for the sex-integration of Boy Scouts and Girl Scouts because they "perpetuate stereotyped sex roles." (Page 145)
>Insisted on sex-integrating "college fraternity and sorority chapters" and replacing them with "college social societies." (Page 169)
>Cast constitutional doubt on the legality of "Mother's Day and Father's Day as separate holidays." (Page 146)
>Called for reducing the age of consent for sexual acts to people who are "less than 12 years old." (Page 102)
>Asserted that laws against "bigamists, persons cohabiting with more than one woman, and women cohabiting with a bigamist" are unconstitutional. (Page 195)
>Objected to laws against prostitution because "prostitution, as a consensual act between adults, is arguably within the zone of privacy protected by recent constitutional decisions." (Page 97)
>Ginsburg wrote that the Mann Act (which punishes those who engage in interstate sex traffic of women and girls) is "offensive." Such acts should be considered "within the zone of privacy." (Page 98)
>Demanded that we "firmly reject draft or combat exemption for women," stating "women must be subject to the draft if men are." But, she added, "the need for affirmative action and for transition measures is particularly strong in the uniformed services." (Page 218)
>An indefatigable censor, Ginsburg listed hundreds of "sexist" words that must be eliminated from all statutes. Among words she found offensive were: man, woman, manmade, mankind, husband, wife, mother, father, sister, brother, son, daughter, serviceman, longshoreman, postmaster, watchman, seamanship, and "to man" (a vessel). (Pages 15-16)
>Wanted he, she, him, her, his, and hers to be dropped down the memory hole. They must be replaced by he/she, her/him, and hers/his, and federal statutes must use the bad grammar of "plural constructions to avoid third person singular pronouns." (Page 52-53)
>Condemned the Supreme Court's ruling in Harris v. McRae and claimed that taxpayer-funded abortions should be a constitutional right.

Ginsburg Missing Supreme Court Arguments for 1st Time

By The Associated Press

Jan. 7, 2019

WASHINGTON — The Supreme Court says Justice Ruth Bader Ginsburg is missing arguments for the first time in more than 25 years as she recuperates from cancer surgery last month.

Court spokeswoman Kathy Arberg said Monday the 85-year-old Ginsburg is continuing to recuperate and work from home after doctors removed two cancerous growths from her left lung odn Dec. 21.

Ginsburg was discharged from a New York hospital on Christmas day.

Ginsburg had two earlier cancer surgeries in 1999 and 2009 that did not cause her to miss court sessions. She also has broken ribs on at least two occasions.

The court said doctors found the growths on Ginsburg's lung when she was being treated for fractured ribs she suffered in a fall at her office on Nov. 7.

What other tactics might be planned to block and/or force name removal?

Q

The History of Ruth Bader Ginsburg; 2653 Appointed by Bill Clinton

Q !ImG7VJxZNCI 6 Jan 2019 - 9:32:35 AM

[RBG]

Why was she 'selected'?

Who appointed her?

Remember [her] history.

Ref: 230-page book called Sex Bias in the U.S. Code, published in 1977 by the U.S. Commission on Civil Rights.

Highlights:

>Called for the sex-integration of prisons and reformatories so that conditions of imprisonment, security and housing could be equal. She explained, "If the grand design of such institutions is to prepare inmates for return to the community as persons equipped to benefit from and contribute to civil society, then perpetuation of single-sex institutions should be rejected." (Page 101)

>Called for the sex-integration of Boy Scouts and Girl Scouts because they "perpetuate stereotyped sex roles." (Page 145)

>Insisted on sex-integrating "college fraternity and sorority chapters" and replacing them with "college social societies." (Page 169)

>Cast constitutional doubt on the legality of "Mother's Day and Father's Day as separate holidays." (Page 146)

>Called for reducing the age of consent for sexual acts to people who are "less than 12 years old." (Page 102)

>Asserted that laws against "bigamists, persons cohabiting with more than one woman, and women cohabiting with a bigamist" are unconstitutional. (Page 195)

>Objected to laws against prostitution because "prostitution, as a consensual act between adults, is arguably within the zone of privacy protected by recent constitutional decisions." (Page 97)

>Ginsburg wrote that the Mann Act (which punishes those who engage in interstate sex traffic of women and girls) is "offensive." Such acts should be considered "within the zone of privacy." (Page 98)

>Demanded that we "firmly reject draft or combat exemption for women," stating "women must be subject to the draft if men are." But, she added, "the need for affirmative action and for transition measures is particularly strong in the uniformed services." (Page 218)

>An indefatigable censor, Ginsburg listed hundreds of "sexist" words that must be eliminated from all statutes. Among words she found offensive were: man, woman, manmade, mankind, husband, wife, mother, father, sister, brother, son, daughter, serviceman, longshoreman, postmaster, watchman, seamanship, and "to man" (a vessel). (Pages 15-16)

>Wanted he, she, him, her, his, and hers to be dropped down the memory hole. They must be replaced by

he/she, her/him, and hers/his, and federal statutes must use the bad grammar of "plural constructions to avoid third person singular pronouns." (Page 52-53)
>Condemned the Supreme Court's ruling in Harris v. McRae and claimed that taxpayer-funded abortions should be a constitutional right.

[D] Party Con:
When you can't raise money 'organically' through party (individual) donations (voter base) YOU STEAL IT from the American taxpayer and give it back to yourself in the form of campaign contributions.
[Example 1]
Planned Parenthood
<https://www.gao.gov/products/GAO-18-204R>
\$1.5 billion provided in taxpayer funding over 3-year period.
[Case 1]
PP spent \$30 million [disclosed - real estimates close to \$65 million] in taxpayer subsidies to influence the outcome of the 2018 midterm elections.
[Conclusion]
Should it be legal for a taxpayer [D+R+I] funded organization to donate massive amounts of money to the D party in an effort to sway an election?

Define 'Projection'.

How do you fix something that is known to be broken (corrupt)?

Do you first need to remove those responsible?

Think FBI/DOJ 'exit' list.

How do you 'restore' the image (public faith) of our most prestigious 'law enforcement' institutions?

Hold people accountable?

Equal justice under the law?

The battle begins (as seen today) w/ public opinion.

The FIGHT to win PUBLIC FAVORABILITY.

The FIGHT to control the NARRATIVE.

How do D's control the NARRATIVE?

1) FAKE NEWS MEDIA push of 'by design' narrative [daily updates – 4am]

Would you know if not posted by individuals on social media?

FAKE NEWS attempting to 'CONTROL' the narrative by not providing coverage?

Do the protests in EU go against the narrative that majority of people are for globalism, open borders, and mass immigration?

1. Dilution of citizen voice

2. Dilution of citizen vote

3. Dilution of national independence

>Police turned against its own citizens

>Citizens turned against its own police

>People v People

Controlled media > prevent mass awareness

If the news doesn't report the facts (ie, truth) - how do people get informed in order to be heard?

Silence the people.

2) FAKEWOOD echo of 'by design' narrative

3) SOCIAL MEDIA stream/promote of 'by design' narrative + censor/block/ban of challenger(s) of that narrative

Do they provide evidence to support their conclusions?

POTUS/RUSSIA narrative - evidence?

None.

POTUS racist narrative - evidence?

None.

POTUS(you can play this game all day long)

'None'.

What do they count on?

How many experiments have been conducted by the C_A re: mind control?

Psych 101: If you hear & see something over and over again by multiple (supposedly credible) news agencies, elected officials, actors/actresses, documentaries on TV, movies, internet, social media, foreign press etc. all pushing the same narrative/conclusions.....what happens?

Do FACT-LESS claims become FACTS in the minds of many?

Do they count on the fact that w/ work, family, stresses of life, etc. that the typical person does not have enough time in the day to research topics for themselves and therefore would believe narratives projected in the echo chamber w/o the need to provide facts or substance other than opinion?

Why do they try so hard to keep you DIVIDED by race, gender, class,?

Notice an increase in this push over the past 2-years?

Are you stronger together/UNITED or DIVIDED?

If you dare to challenge their narrative are you cast out [banned] by society as a threat/conspiracy theorist etc..?

Are you cast out by members of your own family?

'DIVIDED'

'Group-Think'

THEY DO NOT WANT YOU TO THINK FOR YOURSELF.

A FREE-THINKING 'LOGICAL' PERSON WHO DRAWS CONCLUSIONS BASED ON FACTS ARE, PUT SIMPLY, A THREAT TO THEIR CONTROL/POWER GRIP.

ALL THEY CARE ABOUT IS CONTROL [I.E. POWER].

WITH CONTROL COMES PERSONAL GAIN.

They want to keep you poor and in need of government assistance.

Bigger the gov't, the more CONTROL they have, the more POWER they possess.

When you are in need, you are weak.

When you are weak, you are not strong.

When you are not strong, you do not FIGHT BACK.

This is as real as it gets.

They never thought she would lose.

Why? See above re: Control.

Transparency is the only way forward.

Transparency is the only way to PROVE TO THE PUBLIC that everything SOLD TO YOU as TRUTH was nothing but a FAKE NARRATIVE DESIGNED TO KEEP, YOU, THE PEOPLE, POWERLESS, AND KEEP THEM, IN CONTROL [I.E. IN POWER].

FAKE NEWS' [propaganda arm of the Democrat machine] sole responsibility is to prevent the TRUTH from ever being disseminated to the masses.

Mass Infiltration (everywhere).

Transparency is the only way forward re: public opinion.

Prosecution is the only way forward re: save & defend the rule of law.

Prosecution and Transparency is the only way to save our way of life.

Q

[Only when the election harms the D party will they claim foreign interference]

Keyword: 'Foreign'

What about Domestic interference?

>Non-Cit votes by county

>Non-Cit promo by county

>Non-Cit org by county

>Targeted districts breakdown by 'Non-Cit' data acc

>Voter irregularities [internal]

>(-2) Laws enacted in battleground areas as test for 2020 (voter roll screening/review of non_votes (D) > ballot pop > track for sign > submit late for count) - vote swing figures + rule of law (new standard of no show vote SC 2019 scope case?)

Why do D's push for NO VOTER ID in U.S. elections?

Why do D's push for OPEN BORDERS?

Find the connection.

Sometimes a MAP helps.

What SC decision (6-3) ruled VOTER ID did NOT suppress votes or deter minorities?

<https://www.reuters.com/article/us-usa-politics-court/supreme-court-upholds-photo-id-voting-law-idUSWAT00940020080428>

What (FALSE) 'narrative' is pushed by D's re: VOTER ID LAW?

Racist?

Voter suppression of minority vote?

When is an ID required?

Should an ID not be required at all (for any reason) given the argument made by D's?

Does the argument 'A NATIONAL VOTER ID LAW would suppress the minority vote'

suggest minorities are incapable of obtaining an ID?

When is an ID required?

Which minorities are they referring to?

(illegal immigrants?)

Logical thinking.

If there is a previous SC decision on the matter (pre-POTUS Justice conf), would a NATIONAL VOTER ID LAW MANDATE using the SC ruling of 2008 (+ common sense logic/arguments) as the LEGAL FOUNDATION, have merit?

Is every other country that has a VOTER ID LAW considered racist?

<https://www.newsobserver.com/news/politics-government/state-politics/article92593512.html>

Will the DOJ support the push instead of file legal challenges as [LL] did in the past?

If the SC ruled in 2008 that VOTER ID laws do not impact/harm or prevent 'minorities' from voting, how could the U.S. 4th Circuit Court rule opposite?

Is the 4th Circuit Court considered LEFT/Liberal?

You attack those you fear the most.

The sheer volume of attacks by the largest media corporations in the world, should, using common sense and logic, indicate there is something more to the story.

If [AS] has seen 'evidence' of collusion and/or POTUS/RUSSIA illegal activities, as he's stated in the past many times across all D-arm media networks, why then is there a need to open 'new' investigations?
What about the so-called 'evidence' already seen?
How is [AS] making open statements re: MUELLER not investigating POTUS/Deutsche Bank thorough enough if the MUELLER investigation itself is CLASSIFIED?
How does [AS] know what MUELLER has/hasn't investigated?
FAKE NEWS DESIGNED TO KEEP THE FAKE NARRATIVE IN PLAY [COVER].
You are witnessing the greatest 'DISINFORMATION' campaign to ever be pushed by a political party.
Ask yourself, why?
FEAR of what?
The message must be direct.
The WAR is very real.
Q

<https://www.justice.gov/opa/pr/acting-attorney-general-and-secretary-homeland-security-submit-joint-report-impact-foreign>

[Only when the election harms the D party will they claim foreign interference]

Keyword: 'Foreign'

What about Domestic interference?

>Non-Cit votes by county

>Non-Cit promo by county

>Non-Cit org by county

>Targeted districts breakdown by 'Non-Cit' data acc

>Voter irregularities [internal]

>(-2) Laws enacted in battleground areas as test for 2020 (voter roll screening/review of non_votes (D) > ballot pop > track for sign > submit late for count) - vote swing figures + rule of law (new standard of no show vote SC 2019 scope case?)

Why do D's push for NO VOTER ID in U.S. elections?

Why do D's push for OPEN BORDERS?

Find the connection.

Sometimes a MAP helps.

What SC decision (6-3) ruled VOTER ID did NOT suppress votes or deter minorities?

<https://www.reuters.com/article/us-usa-politics-court/supreme-court-upholds-photo-id-voting-law-idUSWAT00940020080428>

What (FALSE) 'narrative' is pushed by D's re: VOTER ID LAW?

Racist?

Voter suppression of minority vote?

When is an ID required?

Should an ID not be required at all (for any reason) given the argument made by D's?

Does the argument 'A NATIONAL VOTER ID LAW would suppress the minority vote' suggest minorities are incapable of obtaining an ID?

When is an ID required?

Which minorities are they referring to?

(illegal immigrants?)

Logical thinking.

If there is a previous SC decision on the matter (pre-POTUS Justice conf), would a NATIONAL VOTER ID LAW MANDATE using the SC ruling of 2008 (+ common sense logic/arguments) as the LEGAL FOUNDATION, have merit?

Is every other country that has a VOTER ID LAW considered racist?

<https://www.newsobserver.com/news/politics-government/state-politics/article92593512.html>

Will the DOJ support the push instead of file legal challenges as [LL] did in the past?

If the SC ruled in 2008 that VOTER ID laws do not impact/harm or prevent 'minorities' from voting, how could the U.S. 4th Circuit Court rule opposite?

Is the 4th Circuit Court considered LEFT/Liberal?

<https://www.newsobserver.com/news/politics-government/article215247000.html>

Why do D's want POWER at all costs?

One example above.

Logical thinking.

Let's actually use 'FACTS':

Step One: Hype an invented threat of POTUS working w/ the RUSSIANS (disinformation campaign).

Step Two: Send FBI/DOJ/CONGRESS/SENATE/C_A/NSA/INTEL/FVEY/etc... to address and investigate the IMAGINARY THREAT.

Step Three: Justify the 'SPECIAL COUNSEL' and MILLIONS OF TAXPAYER DOLLARS SPENT as necessary to protect the public and our election process against an imaginary, made-up, non-existent threat (which really is) designed to protect the illegal activities of many elected officials.

Step Four: Open 'new' Fake & False investigations as CHAIRMAN of the House Intel Comm to retain disinformation campaign designed to keep liberal/D Americans onboard to regain POWER & PREVENT prosecution - Executive Time!

POTUS: "This can never be allowed to happen again (in our Country or to another President)."
How do you deter & prevent this from happening again?
Simply by terminating employment of those responsible?
Simply by conducting a few 'non-threatening' investigations?
Or by:
Prosecuting those responsible to the fullest extent of the law?
Setting up new checks & balances and oversight designed to increase transparency?
Provide OIG office(s) w/ funding inc (size) ++ authority?
Provide select committees w/ access and in-house viewing of non NAT SEC CLAS material?
Provide a check on Directors/Dep Directors/Asst Directors of all such ABC agencies?
Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity)?
Transparency and Prosecution is the only way forward to save our Republic and safeguard such criminal and treasonous acts from occurring again.
While some want to quietly remove those responsible and go about our business (save face on the World Stage), those in control, understand, this band-aid will simply not work.

"You will not win?" - Pelosi
You didn't think the largest MIL spending bill in history (FY 2019) wasn't going to [indirectly] include funding for the wall did you?
Learn the Constitution re: vested powers of POTUS re: matters of NAT SEC.
This was planned and forecasted as the 'border funding' solution from the beginning.

Anons had the proof long ago but shining a light back then would have defeated the primary purpose of showing the 'public' the real objective of D's (party of open borders/elim of ICE/elim of security/defend illegals over Americans _Midterm_elec).
These people are stupid.

[RBG]

Why was she 'selected'?

Who appointed her?

Remember [her] history.

Ref: 230-page book called Sex Bias in the U.S. Code, published in 1977 by the U.S. Commission on Civil Rights.

Highlights:

>Called for the sex-integration of prisons and reformatories so that conditions of imprisonment, security and housing could be equal. She explained, “If the grand design of such institutions is to prepare inmates for return to the community as persons equipped to benefit from and contribute to civil society, then perpetuation of single-sex institutions should be rejected.” (Page 101)

>Called for the sex-integration of Boy Scouts and Girl Scouts because they “perpetuate stereotyped sex roles.” (Page 145)

>Insisted on sex-integrating “college fraternity and sorority chapters” and replacing them with “college social societies.” (Page 169)

>Cast constitutional doubt on the legality of “Mother’s Day and Father’s Day as separate holidays.” (Page 146)

>Called for reducing the age of consent for sexual acts to people who are “less than 12 years old.” (Page 102)

>Asserted that laws against “bigamists, persons cohabiting with more than one woman, and women cohabiting with a bigamist” are unconstitutional. (Page 195)

>Objected to laws against prostitution because “prostitution, as a consensual act between adults, is arguably within the zone of privacy protected by recent constitutional decisions.” (Page 97)

>Ginsburg wrote that the Mann Act (which punishes those who engage in interstate sex traffic of women and girls) is “offensive.” Such acts should be considered “within the zone of privacy.” (Page 98)

>Demanded that we “firmly reject draft or combat exemption for women,” stating “women must be subject to the draft if men are.” But, she added, “the need for affirmative action and for transition measures is particularly strong in the uniformed services.” (Page 218)

>An indefatigable censor, Ginsburg listed hundreds of “sexist” words that must be eliminated from all statutes. Among words she found offensive were: man, woman, manmade, mankind, husband, wife, mother, father, sister, brother, son, daughter, serviceman, longshoreman, postmaster, watchman, seamanship, and “to man” (a vessel). (Pages 15-16)

>Wanted he, she, him, her, his, and hers to be dropped down the memory hole. They must be replaced by he/she, her/him, and hers/his, and federal statutes must use the bad grammar of “plural constructions to avoid third person singular pronouns.” (Page 52-53)

>Condemned the Supreme Court’s ruling in Harris v. McRae and claimed that taxpayer-funded abortions should be a constitutional right.

Former top FBI lawyer: 2 Trump cabinet officials were ‘ready to support’ 25th Amendment effort

Former top FBI lawyer James Baker, in closed-door testimony to Congress, detailed alleged discussions among senior officials at the Justice Department about invoking the 25th Amendment to remove President Trump from office, claiming he was told Deputy Attorney General Rod Rosenstein said two Trump Cabinet officials were “ready to support” such an effort.

During his testimony, Baker acknowledged he was not directly involved in the May 2017 discussions but testified over a two-day period in October that McCabe and Page came to him contemporaneously after meeting with Rosenstein for input in the days after Comey was fired by the president.

Numerous provisions purport, in certain circumstances, to condition the authority of officers to spend or reallocate funds on the approval of congressional committees (Division B, sections 702, 706, and 716(a), (b); Division E, sections 403 and 409; Division G, sections 188, 405, and 406). These are impermissible forms of congressional aggrandizement in the execution of the laws other than by the enactment of statutes. My Administration will make appropriate efforts to notify the relevant committees before taking the specified actions and will accord the recommendations of such committees all appropriate and serious consideration, but it will not treat spending decisions as dependent on the approval of congressional committees.

Trumps statement is brilliant Deep State loaded the bill with multiple facets to block it and his white house statement just released systemically points out section by section where they tried to block him and he's countering that by citing presidential and constitutional authority.

These phrases below imply that Trump plans on following his constitutional rights no matter what he signed iin the “Consolidated Appropriations Act, 2019” (the “Act”), which authorizes appropriations to fund the operation of a number of agencies in the Federal Government through September 30, 2019.

“My Administration will treat each of these provisions consistent with the President’s constitutional authorities with respect to foreign relations.”

And

“my Administration will continue the practice of treating provisions like these as advisory and non-binding.”

Why do D's want to control the black pop?
Why do they intentionally keep poor and in need?
Why do D's project racism on a daily basis against R's?
Why do black elected officials do the crazy talk on behalf of D's?
How do D's cover the historical facts of forming the confederacy, KKK, and oppose all things pro black re: legislation?
What happens if D's lose the slave grip on the black pop?
Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?
Does this fall within Operation Mockingbird?
What were the historical advantages D's gained by having MSM and famous people peddling narrative?
Who exposed the pedo network within H wood?
You can't answer the above but will laugh once disclose details.
The network which controls this false narrative which in turns keeps the black pop under control is being dismantled.

It's very simple - w/o the illegal vote D's lose.
Previous illegal imm high pop v D win by county provided.
[Example 2]
Why do D's push for illegals to obtain a driver's license?
Does having a DL make it easier to vote?

What states provide DL's to illegals?
What checks are in place within each of the 'DL granted states' to prevent 2x-3x-4x-5x voting?
Compare v. 2016 Presidential election results.

Senate means everything.
Think Judges (SC) & Cabinet.
DECLAS overrides all potential House blockades.
POTUS has ultimate authority.
Shift to Senate Judiciary (oversight) from House to now occur
(stronger position and held in reserve for this scenario).
Lower chamber (House) used as 2-year starter.
Upper chamber (Senate) will be used next 2-year closer.

President Trump

Getty Images (2)

FDR had the radio. JFK had TV. Trump has Twitter. The President rode to the office of the presidency on a 140-character soapbox (now 280) and has since turned it into the ultimate presidential bully pulpit. In the past, he singled out individuals as “weak” and “insecure,” in addition to a barrage of personalized insults; most recently, **he called** Congresswoman Maxine Waters “an extraordinarily low IQ person.” Sometimes, those tweets also undermine his own administration, such as when he **announced a transgender military ban** before the policy was implemented. And although Trump’s unorthodox stream of consciousness may generate headlines and galvanize his base, it has also **raised concerns** among national-security officials. That could be why a majority of respondents to an *Economist*/YouGov poll said Trump’s Twitter style is **inappropriate**. In November, one former contract employee working for Twitter appeared to be so fed up by Trump’s online presence that he **suspended the President’s** account on his last day of work, though he now asserts the 11-minute period where people couldn’t access @realDonaldTrump’s Twitter feed was a “mistake.” —Abby Vesoulis

'Q'

Last October, an anonymous user, known simply as Q, started posting cryptic messages on the controversial message board 4chan—the common theme being that President Trump is a secret genius and his opponents, namely Hillary Clinton and Barack Obama, are evil. Q **reportedly** claimed to be getting this information directly from the government, thanks to top-secret, “Q-type” security clearance. There has been little—if any—hard evidence to support Q’s musings. But over time, thousands of people started to believe them—or at least, to acknowledge they might be real. And they became the foundation of a wide-ranging conspiracy theory, known as QAnon, that has been covered by the *New York Times* and *New York Magazine*, among others, and discussed in more than 130,000 videos on YouTube. One of its most prominent followers: Roseanne Barr, who **tweeted several references to QAnon** before being fired from her hit TV show in May. —Melissa Chan

YOU HAD A HUNCH THE NEWS SYSTEM WAS RIGGED AND YOU COULDN'T PUT YOUR FINGER ON IT, HUH? THIS MIGHT SOLVE THE PUZZLE.....

And now you know why it is no surprise the media is in Obama's pocket. Think there might be a little bias in the news? This may also explain the cover up of Hillary's private server and emails, Benghazi, Obamacare's soaring costs, \$20 trillion U.S. debt, etc., etc., etc. Isn't it interesting that every place you look in Obama's administration people fill positions because of who they know, not what they know or how competent they are?

Lara Logan, foreign correspondent for CBS's *60 Minutes*, said Breitbart News offers "the other side" of news media relative to what she described as a mostly left-wing and partisan Democrat news landscape in the U.S. and abroad.

She offered her remarks in an [interview](#) published last Friday with the Mike Drop podcast, hosted by retired Navy SEAL Mike Ritland.

Ritland characterized U.S. news media as “absurdly left-leaning” and supportive of Democrats, further describing the status quo of American news media’s left-wing and partisan Democrat biases as a “huge fucking problem” and “disaster for this country.”

Logan concurred, “I agree with that. That’s true.” She described U.S. and international news media as “mostly liberal,” adding, “most” journalists are left.

“The media everywhere is mostly liberal, not just the U.S.,” assessed Logan.

Logan grouped Breitbart News and Fox News as dissident outlets relative to the “mostly liberal” news media landscape. She said:

Visually, anyone who’s ever been to Israel and been to the Wailing Wall has seen that the women have this tiny little spot in front of the wall to pray, and the rest of the wall is for the men. To me, that’s a great representation of the American media, is that in this tiny little corner where the women pray you’ve got Breitbart and Fox News and a few others, and from there on, you have CBS, ABC, NBC, Huffington Post, Politico, whatever, right? All of them. And that’s a problem for me, because even if it was reversed, if it was vastly mostly on the right, that would also be a problem for me.

My experience has been that the more opinions you have, the more ways that you look at everything in life — everything in life is complicated, everything is gray, right? Nothing is black and white.

News media homogeneity cripples many people’s desire for getting to the truth about political goings on, determined Logan:

How do you know you’re being lied to? How do you know you’re being manipulated? How do you know there’s something not right with the coverage? When they simplify it all [and] there’s no grey. It’s all one way. Well, life isn’t like that. If it doesn’t match real life, it’s probably not. Something’s wrong. For example, all the coverage on Trump all the time is negative. ... That’s a distortion of the way things go in real life.

Logan warned:

One ideological perspective on everything never leads to an open free diverse tolerant society. The more opinions and views ... of everything that you have, the better off we all are. So creating one ideological position on everything throughout your universities, throughout academia, in school and college, in media, and everywhere else, that’s what concerns me. I don’t have to agree with everybody.

Logan added, “Although the media has historically always been left-leaning, we’ve abandoned our pretense — or at least the effort — to be objective, today. ... We’ve become political activists, and some could argue propagandists, and there’s some merit to that.”

Logan cast Breitbart News as a useful barometer of “the other side” of news media:

This is the problem that I have. There’s one Fox, and there’s many, many, many more organizations on the left. ... The problem is the weight of all these organizations on one side of the political spectrum. When you turn on your computer, or you walk past the TV, or you see a newspaper headline in the grocery store If they’re all saying the same thing, the weight of that convinces you that it’s true. You don’t question it, because everyone is saying it. Unless you seek out Breitbart on your computer, you’re probably not even going to know what the other side is saying.

Most news media outlets ignore the origins of ostensibly grassroots political activism, stated Logan. She pondered the geneses of such campaigns, speculating on technology firms’ roles in amplifying such campaigns:

Image Name: 3 BB re Logan Media Bias 2-18-19.PNG
Filename: ed9f36a9a65d1ea22b851c44a0c13a3eb954bb393fe4355601a85a4d304282a2.png

We don’t even question if what we see on social media is real or not. We don’t even question if a grassroots movement is really grassroots. You know, there’s a way to start a grassroots movement. You write an algorithm, and you create all this outrage, and you’re basically throwing out all the sparks that light the fire, so then it becomes a grassroots movement because it takes nothing to set that in motion. But did it really begin as one? And if it didn’t begin that way, but was manipulated and paid for by someone and serves someone’s political purpose, is it really what we believe it is?

...

People were manipulated into doing that. ... Who’s behind it? Who’s doing it, and why are they doing it? And what else are they doing? Those things are profoundly significant, and we’re not even trying to find out who it is. That really bothers me.

Logan dismissed news media claims allegedly rooted in singular anonymous government sources as unreliable. “That’s not journalism, it’s horseshit,” she said.

“Responsibility for fake news begins with us,” said Logan, referring to journalists and reporters.

Logan recalled for Media Matters for America (MMFA) targeted her following a 60 Minutes report she filed related to the September 11, 2012 Islamic terrorist attack on the U.S. diplomatic compound in Benghazi, Libya. “I made one comment about Benghazi,” remarked Logan, ” [then] I was targeted by Media Matters for America, which was an organization established by David Brock, who has dedicated himself to the Clintons. It was their known propaganda organization.”

In February of 2011, Logan was sexually assaulted — and nearly murdered — by numerous men in Cairo, Egypt, while reporting on the ousting of then-Egyptian President Hosni Mubarak. She shared some details of the attack’s nature, including

“Piece by piece, they tore all my clothing off, and just tore my body almost to pieces, and tore my insides apart,” recounted Logan. “I saw people taking pictures. ... I remember fighting, being raped, and being able to sometimes push people away, and then I remember just realizing that there were too many of them — and it was over and over and over again — and that there was always someone else when you could fight one person.”

Towards the end of the interview, Logan quipped, “This interview is professional suicide for me.”

If these actions were directed against a sitting Democrat president, this would be a Watergate level story in the national media by now. Was there an attempt by an acting DAG to weaponize the DOJ in a presidential coup d'état?

If HRC directed & financed the 'dossier' in order to obtain the 'bulk' so-called evidence in order to generate circular news articles (think Yahoo!) and obtain a FISC sign-off, is it reasonable to think that members of the INTEL APPARATUS, STATE DEPT, WH, FOREIGN ALLIES, ETC. were also involved?

How can an entity known only as 'Q' (face-less, name-less, fame-less, etc.) begin to ask questions on 4ch (now 8ch) and build something of this magnitude?

How can this same 'Q' entity garner such a massive amount of WW MSM [FAKE NEWS] attention [attacks]?

How is it possible this 'Q' entity can 'forecast' future events or 'know' when the POTUS is about to Tweet?

How is it possible 'FUTURE PROVES PAST' re: information provided?

How is it possible this 'Q' entity, an entity who began by merely asking questions on 4ch/8ch, was able to(fill in the blank).

Think logically.

People are craving TRUTH.

People are craving TRANSPARENCY.

People are craving EQUAL JUSTICE UNDER THE LAW.

People are craving GOOD.

People are craving RIGHT.

People are craving TRUE FREEDOM.

People are craving SAFETY & SECURITY.

People are craving(fill in the blank).

PROOFS NEGATE FALSEHOOD/CONSPIRACY ATTACKS.

Those who attack have an agenda or remain plugged into the biggest disinformation campaign to be ever witnessed.

Ask yourself, why are 'Liberals' always angry?

Why do they curse?

Why do they slander (push fake labels > racist, sexist, ...ist etc.)?

Why do they create 'emotional outbursts' when challenged?

Why are they violent?

Why do they form mobs (packs)?

Why are they incapable of listening to the other side (fascist)?

When you don't have facts to support your arguments (present logical reasoning), you must resort to the above tactics.

The NARRATIVE is designed to keep people in a constant state of 'FEAR' thereby forcing 'ANGER', 'RAGE', 'VIOLENCE'.

Emotionally unstable people are easier to CONTROL.

They want you DIVIDED.

DIVIDED BY RACE.

DIVIDED BY CLASS.

DIVIDED BY RELIGION.

DIVIDED BY POLITICAL AFFILIATION.

DIVIDED AS HUMAN BEINGS.

DIVIDED you are WEAK.

WHEN YOU ARE STRONG YOU CHALLENGE WHAT YOU ARE TOLD TO BELIEVE.

WHEN YOU ARE STRONG YOU ARE AWAKE.

Chatter uptick re: how to effectively prevent cross-talk re: anti-narrative across all social media/online platforms.

Ability to prevent cross-talk narrows comms only to FAKE NEWS which provides for more control over what is released to inform the public.

A series of scenarios is currently being conducted ['game the sys'] to test response, risk, and calc results.

'Censorship' [added] layers of inserted code 'through keyword targeting' in bio, history, and comments + indiv platform mods has failed to curtail the problem.

'China-Russia-Iran' 'fake' take-down hacks of select platforms (for maintenance) is one scenario being game-played.

[Zero-Day]

Countermeasures in place.

[Example]

Think Emergency Alert System.

Think WH controlled *new* RT 'news' website

Think WH controlled *new* video stream platform

Think Here.

Should this occur, immediate steps will be taken to classify each as 'Public Utility' (essential public services) to gain appropriate gov regulation (control).

Why do we make things public?

Anons, you've been my fam and my frens since Q came to town on October 28, 2017. I love you so much.

I have to go take a very sick dog to the vet to get put down, tonight, because her cancer has gone too far. If my significant other were still alive, I'd reach out. But brain cancer got him a few years ago. If my parents and bestest friend were alive, I'd reach out to them. But they're all in Heaven now, too.

So you guys are the ones I know I can lean on for a little support, cuz saying goodbye – even to a bloody old doggy – can be so hard.

Our time together, here with Q, has taught me how connected we are, even though we may never meet. I thank God for you guys, and I'll stay strong for my suffering pal tonight, because WWG1WGA.

What happened to the Mueller hype?

What happened to the Mueller will take down POTUS threats [@JohnBrennan]?

Was MUELLER the 'insurance' policy aka BLOCKADE designed to limit/restrict POTUS' ability to enforce the law?

New talking points being pushed backing away from Mueller as the savior re: excuse A, excuse B, excuse C?

Why are *new* investigations by [AS] being started, if, as he's stated for almost (2) years, 'evidence' exists that ties POTUS to Russia?

If they had evidence, do you think it would have leaked?

If they had evidence, would they be backing away (playing down) the Mueller report about to be released?

First they pushed for a SC.

Now they claim the SC didn't look deep enough?

IF THE SC REPORT IS CLASSIFIED - HOW DO THEY KNOW WHERE, WHO, WHEN, WHY, AND HOW DEEP EACH CASE

IF THE SC REPORT IS CLASSIFIED - HOW DO THEY KNOW THE CONCLUSIONS OF THE REPORT?

Are *new* investigations designed to be an 'insurance' extension?

Designed to prevent POTUS from CLEANING HOUSE?

Attack on political opponent(s) who is/are actively conducting (leading) investigations into the President for XYZ charges beyond Mueller for XYZ reasons (zero evidence to support) - OBSTRUCTION TRAP?

Will the next wave of [D] 2020 candidates begin to push the 'everything will be free'

Coleman told us that he kept regularly took notes in a journal. Coleman's notes from October 4 contained the following entry:

(1) Anthony Wiener [sic]
(2) [Unrelated]
(3) Wiener [sic] - texting 15 yo - Sexually Explicit
9/26 - Federal SW - iPhone/IPAD/Laptop
Initial analysis of laptop - thousands emails
Hillary Clinton & Foundation
Crime Against Children

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.

Patriots, you have been selected as ‘threats’ and falsely labeled as ‘Foreign Disinfo’ agents (though they attempt to disguise at the bottom as 'not all'). This is an attempt to target & remove by false pretense all threatening voices (ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF CONTROL). These actions are now being monitored and would strongly encourage forwarding this information to the appropriate members of Congress, Senate and the media. We believe this is a 'test run' to effectively silence the opposition while testing the potential media backlash and/or 'official' response. This attempt to remove/silence ('FASCISM') those who oppose their view/narrative should further demonstrate their resolve to control the ‘message’ / ‘narrative’ (win at any cost).

More importantly, why is the WASH POST leading the attack vs ‘Q’?

Who owns the WASH POST?

Who funds Amazon?

Who targeted NSA re: SURV expose/prevent pre U1 / IRAN?

Why are we attacked daily by the largest news co’s on the world?

Use caution - high follower count targeting to direct ‘deep in narrative’ mob as method to remove.

Ask yourself a simple question, should a woman who travels to Syria to support and encourage 'JIHAD' against the 'West' deserve to live.....?

Ask yourself a simpler question, if brainwashed by ISIS terrorists (her husband and other close-proximity fighters), could this same woman be 'tasked' & 'trained' to carry out a TERRORIST ACT upon return?

Why did ISIS launch a social media campaign designed to 'attract' US/UK (and other foreign nationals) to join their cause?

Logical thinking.

Once again we are about to look like liars. That tweet Q posted is fake and people are going to start spreading it all over the place. When something real does drop, nobody is going to believe it because we've already spread fake shit several times. How do we get word out to people who don't lurk here on the board to not start sending out fake shit? We can't unless Q corrects it.

The Armor of God

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

Ask yourself a very simple, logical, question.

What is a FISA warrant/application?

Is it a highly confidential [safeguarded] product of the UNITED STATES GOV?

If a product of the US GOV _ how did UK/AUS know what was listed inside of the package?

Think call to POTUS to prevent DECLAS [sources & methods].

If the US GOV requests UK/AUS [+2] to spy [+ campaign insertion] on an AMERICAN PRESIDENTIAL PRE_NOMINEE + POTUS ELECT, is there a CHAIN OF COMMAND to APPROVE such AUTH?

Paper trail of the CHAIN OF COMMAND & umbrella spy metadata?

If not tasked & targeted under FVEY - what legal authority existed to engage the targeting?

Think Nunes' statement "not through normal collection, gathering, and reporting/oversight re: (FVEY)."

Did the dossier provide the 'bulk data' anchor for the spy campaign?

What entity paid for the 'research' dossier?

Opposition candidate?

What US Ally completed the collection of false data?

Why was it important to use sources within the UK vs. US?

How do you circumvent US LAW?

What other 'anchors' were provided to FISC in order to gain the warrant? [DECLAS will show].

Was the 'other' data (collection/process) worse than the dossier?

Why didn't FISC require 'in room' presentations of the data prior to 'sign off'?

Who signed apps 1-4?

Who traveled to UK/AUS post election of POTUS?

Why were SECURITY PRIV removed from select 'formerly active' individuals?

Treason-Sedition-Corruption at the highest levels of GOV (WW).

How do you repair a bridge without closing it down?

More statements made (evidence) without presenting facts.

If 'evidence' exists(ed), under 'broad' scope #1, would Mueller have the auth to pursue?

<https://www.justice.gov/opa/press-release/file/967231/download>

The Special Counsel is authorized to conduct the investigation confinned by then-FB Director James 8. Corney in testimony before the House Permanent Select Committee on Intelligence on March 20, 2017, including:

(i) any links and/or coordination between the Russian government and individuals associated with the campaign of President Donald Trump; and

(ii) any matters that arose or may arise directly from the investigation; and

(iii) any other matters within the scope of 28 C.F.R. § 600.4(a).

Because no evidence exists(ed) and/or was found by SC/Mueller, was scope #2 enacted in an attempt to go outside of the 'intended engagement'?

<https://www.documentcloud.org/documents/4429989-Rod-Rosenstein-memo-outlining-scope-of-Mueller.html>

Why is scope #2 classified only to AG/DAG and a select few others (read at terminal only)?

If 'evidence' exists(ed), why did R+D members of the Senate conclude NO DIRECT EVIDENCE EXISTS?

<https://www.nbcnews.com/politics/congress/senate-has-uncovered-no-direct-evidence-conspiracy-between-trump-campaign-n970536>

If 'evidence' exists(ed), as per your statement released today, again, why did the SENATE (R's + D's) JUST CONCLUDE NO EVIDENCE EXISTS?

When will Americans wake up to the [D] party con that is continually pushed without facts, without support, and supported and further pushed by the media arm of the [D] party [FAKE NEWS MEDIA]?

Reading the comments on these Tweets further demonstrates the seriousness of media brainwashing in our Country whereby statements are considered fact w/o the need to provide proof.

Group-Think.

Control of the Narrative.

If enough people state the same thing w/o providing evidence and/or support does it become FACTUAL to those caught in the loop?

NATIONAL CRISIS.

You have a short memory, Anon.

PENTAGON KILLS LIFELOG PROJECT

THE PENTAGON CANCELED its so-called LifeLog project, an ambitious effort to build a database tracking a person's entire existence.
Run by Darpa, the Defense Department's research arm, LifeLog aimed to gather in a single place just about everything an individual says, sees or does: the phone calls made, the TV shows watched, the magazines read, the plane tickets bought, the e-mail sent and received. Out of this seemingly endless ocean of information, computer scientists would plot distinctive routes in the data, mapping relationships, memories, events and experiences.

Define 'Lifelog' [DARPA].

"an ontology-based (sub)system that captures, stores, and makes accessible the flow of one person's experience in and interactions with the world in order to support a broad spectrum of associates/assistants and other system capabilities". The objective of the LifeLog concept was "to be able to trace the 'threads' of an individual's life in terms of events, states, and relationships", and it has the ability to "take in all of a subject's experience, from phone numbers dialed and e-mail messages viewed to every breath taken, step made and place gone".

Define 'FB'.

The Facebook service can be accessed from devices with Internet connectivity, such as personal computers, tablets and smartphones. After registering, users can create a

Never, in our history, has a communications project such as this taken place.

>Return Power Back to the People

>Truth, Transparency, and Equal Justice Under the Law.

We hold these truths to be self-evident, that all men (& women) are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men (& Women), deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same." - Reagan

Keking out right now. Pretty sure I found something. Rip me apart if I'm wrong though. So many shills on here. You're missing crumbs. Look here, not [here]. Responding to post 2996 Q says, "how is that possible for a 'supposed' non_gov entity?"

How is it possible that FB tracks data even when the app is deleted? In post 2993 (3/7/109) Q is calling out @Snowden. So I used the filter to find posts relating to WikiLeaks. Q's post from July 31, 2018 is a screenshot of the Wikileaks Vault 7... released MARCH 7. Sounds confusing just trying to show you my thought process, stay with me, it makes sense.

"Unlike bullets, bombs or missiles, most CIA malware is designed to live for days or even years after it has reached its 'target'. CIA malware does not "explode on impact" but rather permanently infests its target. In order to infect target's device, copies of the malware must be placed on the target's devices, giving physical possession of the malware to the target. To exfiltrate data back to the CIA or to await further instructions the malware must communicate with CIA Command & Control (C2) systems placed on internet connected servers. But such servers are typically not approved to hold classified information, so CIA command and control systems are also made unclassified." FROM VAULT 7

Links below that direct you to user forums on how to not leave a digital fingerprint that can be associated with the CIA, and how to construct an imitation fingerprint. Using Facebook as their 'fingerprint' they are able to install malware on peoples' phones, tablets, and computers which relay all data back to a central server using HIVE.

I suggest all anons who have given up life to research this shit like me should read this document to completion.

I noticed the enormous amount of comparisons between "packets of data" and "bombs", dunno why probably just autistic. I looked back in the Qmap and on

Glimpse of something much bigger to come?

Actions have consequences.

Remember, it goes both ways.

Nobody is safe.

Leak was plugged.

Q

March 5, 2019 an anon posted how London Police “called them bombs not suspicious packages” Q responds in 2974 with “Fire”.

I went into Vault 7 Projects, search for “fire”....
“Angelfire is an implant comprised of five components: Solartime, Wolfcreek, Keystone (previously MagicWand), BadMFS, and the Windows Transitory File system”

FUCKING KEYSTONE KEK

“Keystone is part of the Wolfcreek implant and responsible for starting malicious user applications. Loaded implants never touch the file system, so there is very little forensic evidence that the process was ever ran.” This makes post Q 381 much easier to understand
“We Won’t telegraph our moves to the ENEMY.
We will however light a FIRE to flush them out.”
Q

Q is saying that they are using the Anglefire to predict the Deep State’s moves without being detected. In the user files it says a key must be used to open magicwand (keystone). In Q post 270 he says that ADM R/NSA (W&W) + POTUS/USMIL = Apply the Keystone. Paint the Picture. In post 167 Q says POTUS opened the door of all doors. Expand your thinking. What is the keystone? Now this could be confirmation bias but based off of what we just read we can now infer that Q was saying trump gave Admiral Rogers permission to use Keystone and Activate malware in order to collect data on DS. Furthermore who uses a magicwand? A wizard. (W&W)

What access does a House Committee member have?

Think [Brennan] spy campaign > US SENATE

What happens when the C_A targets [spy insertion] the Executive, House, Senate, DOJ, FBI, State, etc branches of the UNITED STATES GOV?

How many so-called 'former' C_A agents ran for House elections in 2018?

What party?

What happens when people wake up to the fact that FB is a cover for LifeLog [DARPA]?

What happens when people discover all RT data [inputs + listening/camera/GPS meta] is being harvested and made accessible to Langley?

Charter of the NSA? DOMESTIC + FOREIGN?

Charter of the C_A? FOREIGN (NOT DOMESTIC (FORBID LAW))

Why is the C_A conducting an active umbrella collection campaign [stringer tangents to 9] against all US citizens through LifeLog [FB] absorb/tan targeting?

Bypass data encryption on phone/tablet etc?

Primary focus on elected officials?

Primary focus on elected officials in key sub committees?

Can activation occur of 'recording' local on device pre SCIF entry?

No logs.

No keys.

Ghost in-Ghost out.

People only engage security (+ escape vehicles) when they have something very serious to FEAR.

Or, do they represent themselves (in some form)?
Mental Enslavement.

The Great Awakening ('Freedom of Thought'), was designed and created not only as a backchannel to the public (away from the longstanding 'mind' control of the corrupt & heavily biased media) to endure future events through transparency and regeneration of individual thought (breaking the chains of 'group-think'), but, more importantly, aid in the construction of a vehicle (a 'ship') that provides the scattered ('free thinkers') with a 'starter' new social-networking platform which allows for freedom of thought, expression, and patriotism or national pride (the feeling of love, devotion and sense of attachment to a homeland and alliance with other citizens who share the same sentiment).

When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or the stable.

When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

When you are awake, you are able to clearly see.
The choice is yours, and yours alone.
Trust and put faith in yourself.
You are not alone and you are not in the minority.
Difficult truths will soon see the light of day.

An anonymous 4chan user recently posted new photos of Jeffery Epstein's infamous ~~Lolita~~ Pedo Island. The Island features a temple atop a small mountain and has been the location of several underage sex parties arranged by Epstein and attended by several of the world's elite including ex-president Bill Clinton, his wife Hillary Clinton, Hollywood actors and even members of the world's royal families.

Number(s) do not always equate to days.
The face of a watch/clock has multiple versions.
Incorrect interpretations pushed as statements of fact often lead to pitfalls
[stranglehold 'choke' tactic used by attackers].
Increase in attacks (de-platform, shill infiltration, MSM/Fake MAGA direct, link(s) to terrorism/acts of violence) only demonstrates validity and close proximity to JUSTICE [PAIN].

Started digging on the pic Q posted, trying to figure out who took the pic.

Doing a search of it on Tineye, the first article that pops up is from True Pundit, last March.

One thing that popped out, going to dig further in a bit, was the location the pic was taken:

“Clinton is seen here kicking back at a beach day in Jan. 2017 in Palmilla, Bayahibe, an exclusive haven of warm waters and refuge, near the so-called Paso de Catuano, very close to Isla Saona. This resort is only in accessible by private boat.”

No idea who took the pic yet, still digging, but thought I'd share the location in case it helps one of you.

Anybody know anything about this “resort” ?? Is it a “Last Resort” ?

Senator Jeff Merkley

Barr was **handpicked** because he said the president couldn't be charged with obstruction and, guess what? He decided no obstruction! Shocker!

7:00 PM - 24 Mar 2019

Jay Inslee

The American people deserve the opportunity to read the full Mueller report, not a sanitized summary from Donald Trump's **hand-picked** AG. The Trump administration has proven it can't be trusted. It's time to **#releasethereport**.

6:55 PM - 24 Mar 2019

Mark Warner

Congress and the American people need to see the Special Counsel's full report - not a shorthand summary from the President's **handpicked** Attorney General.

7:48 PM - 24 Mar 2019

Joy Reid

Good questions. Shouldn't we hear Mueller's conclusions directly from him and not the interpretation from Trump's **hand picked** AG? Just so everyone can come together around the same set of facts?

Kyle Griffin

Joe Scarborough on @MSNBC: "If there was no collusion ... Why did Donald Trump, why did Mike Pence, why did Jeff Sessions, why did the president's first national security adviser, why did the president's campaign chairman ... Why did they all lie about contacts with Russians?"

6:14 PM - 24 Mar 2019

Elizabeth Warren

Congress voted 420-0 to release the full Mueller report. Not a "summary" from his **handpicked** Attorney General. AG Barr, make the full report public. Immediately.

3:33 PM - 24 Mar 2019

Kamala Harris

The Mueller report needs to be made public, the underlying investigative materials should be handed over to Congress, and Barr must testify. That is what transparency looks like. A short letter from Trump's **hand-picked** Attorney General is not sufficient.

4:40 PM - 24 Mar 2019

Tom Steyer

Robert Mueller concluded that he could NOT exonerate **@realdonaldtrump**, and Americans deserve to know why.

The decision not to prosecute Trump was made by his **hand-picked** Attorney General based on a false legal premise. Congress must **#SubpoenaMueller**.

(((Rep. Nadler))) @RepJerryNadler In light of the very concerning discrepancies and final decision making at the Justice Department following the Special Counsel report, where Mueller did not exonerate the President, we will be calling Attorney General Barr in to testify before @HouseJudiciary in the near future.

Now that we know for sure that special counsel Robert Mueller, the U.S. intelligence community and Republicans on the House and Senate Intelligence Committees found no evidence that President Trump conspired with Russia to hijack the 2016 election, it is worth stepping back and evaluating the electoral impact of one of the greatest faux scandals in history.

Before doing that, though, let’s summarize what we now know about the origins of the investigation.

Hillary Clinton and the Democratic National Committee asked their law firm, Perkins Coie, to hire the political opposition research firm Fusion GPS to dig up dirt during the 2016 election on Trump and Russia. Fusion, in turn, hired former British intelligence operative Christopher Steele, who turned to a “retired” Russian intelligence officer in the United States to get most of this dirt.

Steele took his information to the FBI and senior Justice Department official Bruce Ohr to interject it into law enforcement circles and make it a criminal matter. According to Ohr, Steele was “desperate” to defeat Trump and viewed his dossier as raw intelligence that was not verified. To augment that research, the Clinton campaign had a Democratic operative working with Ukraine’s embassy in Washington to research Trump's Russia ties, as well as a Ukrainian lawmaker feeding information to Fusion GPS.

In another words, the main evidence used by the FBI to justify a Foreign Intelligence Surveillance Act (FISA) warrant to spy on the Trump campaign in its final weeks before the 2016 election, and for much of 2017, came from a political dirty-trick operation paid by Trump’s Democratic rival and run by a foreigner who disliked Trump.

That operation gathered uncorroborated evidence from foreigners in Russia and Ukraine who had their own motives for influencing the election.

Now, if the FBI probe ran with the secrecy of a normal counterintelligence operation, Americans never would have heard all of this, especially when the core allegations — in the Steele dossier — turned out to be bogus.

But the FBI, Fusion GPS’s Glenn Simpson, Steele, U.S. intelligence officials and lawmakers briefed in Congress all leaked various details to the news media, creating a furor unseen since Watergate. The only difference is, Watergate involved proven crimes by a president and the Russia-collusion narrative ultimately did not.

Simpson acknowledged in a conversation with Ohr that his and Steele’s last-minute contacts with reporters during the 2016 election were a “Hail Mary attempt” to influence voters.

Over the past two years, I have talked with law enforcement and U.S. intelligence officials who unequivocally told me they found no evidence that Trump and Russia colluded. Yes, Russia hacked Democratic emails and bought some Facebook ads to influence the election, but such activity was not coordinated with the Trump campaign.

Yet, key lawmakers such as [Rep. Adam Schiff](#) (D-Calif.) and [Sen. Mark Warner](#) (D-Va.) continued to insist there was evidence of collusion, circumstantial or otherwise. They were talking to the same FBI and intelligence agencies as Mueller and I did — and that means what they said in public was not consistent with what they were told in private.

But Schiff, Warner and others found a receptive audience in the news media, where misinformed or inexperienced reporters delivered a 24/7 barrage of stories intended to corroborate a collusion plot that did not exist.

CNN, for example, reported there was evidence a Russian bank’s servers [secretly transmitted](#) instructions to the Trump Tower. The FBI said it did not.

The New York Times reported senior Trump campaign officials met with senior Russian intelligence to collaborate during the election. The FBI, Congress, U.S. intelligence and Mueller found no such meeting happened, and former [FBI Director James Comey publicly debunked](#) the newspaper report.

Carl Bernstein, the reporter of Watergate fame, declared another Nixonian-sized scandal was brewing and that Mueller’s report would prove how Trump helped Russia “destabilize” the United States. The report did not.

Former CIA Director John Brennan boldly predicted on MSNBC that Mueller had secured numerous sealed [indictments](#). He had not.

In all, [more than 530,000 stories](#) were written between May 2017 and this month about a Trump-Russia investigation that, ultimately, found no collusion. The earned media impact of that negative coverage likely would have cost billions of dollars if a Democratic candidate had tried to buy such coverage.

But the news media provided it free of charge, fanned by the commentary of lawmakers and intelligence officials such as Brennan and former National Intelligence Director [James Clapper](#), whose public comments contrasted with the secret intelligence.

As the “Impeach Trump” machine raged with fuel provided by Democrats and an errant media, a funny thing happened: More than three dozen Republican incumbents in Congress announced they were retiring in 2018, leaving the GOP with a gaping hole in the House that [Democrats exploited](#).

Polls showed the impact of the Russia coverage on voters. About half of American voters declared they believed Trump or his aides had colluded with Russia, even though they hadn’t.

It is the most compelling proof in a long time that false information repeated long enough becomes truth for many people.

Although we are still coming to grips with the finality of the Mueller report, one thing has become increasingly clear: The Russia collusion narrative — fanned by foreigners, dirty tricksters and a willing media — did, in fact, impact an American election. Not the one in 2016, but the midterm that came two years later.

John Solomon is an award-winning investigative journalist whose work over the years has exposed U.S. and FBI intelligence failures before the Sept. 11 attacks, federal scientists’ misuse of foster children and veterans in drug experiments, and numerous cases of political corruption. He serves as an investigative columnist and executive vice president for video at The Hill.

Did the FF event involve a 'noose'?
Did the FF event sway Senators in their decision to prevent FAKE NEWS attacks re: Smollett case?
Did FAKE NEWS contact many Senators prior to vote seeking out pro/nay in attempt to coerce using Smollett case as foundation for possible future smear?

Q-Digging on MAGA Coalition shows obvious fraud. Also those associated are non-stop attacking and obviously coordinated. Why would a PAC attack us? This in itself shows its FAKE. This PAC also engages known shills/frauds. Do we still dig? Many reported to the IRS.

>>5925866

Some organizations do not have good intentions.

Due diligence required.

We highlighted this particular organization as one example.

Magacoalition.com

<https://www.opensecrets.org/pacs/lookup2.php?cycle=2018&strID=C00654343>

<http://docquery.fec.gov/cgi-bin/forms/C00654343/1205696/>

<http://docquery.fec.gov/cgi-bin/fecimg/?C00654343>

Follow the money.

Track donations vs. expenses.

Admin, fundraising, strategy & research, etc etc expenses highly inflated?

Monthly installment payments made to ‘names’ who can attract ‘more donations’? (the “wheel”)

How much ‘donated’ money was actually spent promoting MAGA / PRO_MAGA candidates (indirectly) vs. internal costs or ‘wheel’ costs?

><https://www.irs.gov/individuals/how-do-you-report-suspected-tax-fraud-activity>

When you offer ‘better’ goods and services for free there is no longer a need to ‘donate’ ‘purchase’ and/or ‘follow’ those who would use such platforms to enrich themselves. (hence the ‘attacks’)

Logical thinking always wins.

Attempts to ‘divide’ the movement draws LIGHT to their TRUE INTENTIONS.

This is about the survival of our Nation (our World) – not funding scams.

End_of_Topic

Keep your eye on the ball.

So is the DOJ plane in the UK picking up another passenger besides the CP king? Christopher Steele is key to the dossier & basis for the FISA, and would probably have an indictment. Is he getting shipped over here to the US? Are we going to be seeing him in front of the Senate? UK is helping to DECLAS FISA.

From Title 18—CRIMES AND CRIMINAL PROCEDURE

PART I—CRIMES

CHAPTER 115—TREASON, SEDITION, AND SUBVERSIVE ACTIVITIES

Sec.	
2381.	Treason.
2382.	Misprision of treason.
2383.	Rebellion or insurrection.
2384.	Seditious conspiracy.
2385.	Advocating overthrow of Government.
2386.	Registration of certain organizations.
2387.	Activities affecting armed forces generally.
2388.	Activities affecting armed forces during war.
2389.	Recruiting for service against United States.
2390.	Enlistment to serve against United States.
[2391.	Repealed.]

AMENDMENTS

1994—Pub. L. 103–322, title XXXIII, §330004(13), Sept. 13, 1994, 108 Stat. 2142, struck out item 2391 “Temporary extension of section 2388”.

1953—Act June 30, 1953, ch. 175, §5, 67 Stat. 134, added item 2391.

§2381. Treason

Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000, and shall be incapable of holding any office under the United States.

(June 25, 1948, ch. 645, 62 Stat. 807; Pub. L. 103–322, title XXXIII, §330016(2)(J), Sept. 13, 1994, 108 Stat. 2148.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §§1, 2 (Mar. 4, 1909, ch. 321, §§1, 2, 35 Stat. 1088).

Section consolidates sections 1 and 2 of title 18, U.S.C., 1940 ed.

The language referring to collection of the fine was omitted as obsolete and repugnant to the more humane policy of modern law which does not impose criminal consequences on the innocent.

The words “every person so convicted of treason” were omitted as redundant.

Minor change was made in phraseology.

AMENDMENTS

1994—Pub. L. 103–322 inserted “under this title but” before “not less than \$10,000”.

§2382. Misprision of treason

Whoever, owing allegiance to the United States and having knowledge of the commission of any treason against them, conceals and does not, as soon as may be, disclose and make known the same to the President or to some judge of the United States, or to the governor or to some judge or justice of a particular State, is guilty of misprision of treason and shall be fined under this title or imprisoned not more than seven years, or both.

(June 25, 1948, ch. 645, 62 Stat. 807; Pub. L. 103–322, title XXXIII, §330016(1)(H), Sept. 13, 1994, 108 Stat. 2147.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §3 (Mar. 4, 1909, ch. 321, §3, 35 Stat. 1088).

Mandatory punishment provision was rephrased in the alternative.

AMENDMENTS

1994—Pub. L. 103–322 substituted “fined under this title” for “fined not more than \$1,000”.

§2383. Rebellion or insurrection

Whoever incites, sets on foot, assists, or engages in any rebellion or insurrection against the authority of the United States or the laws thereof, or gives aid or comfort thereto, shall be fined under this title or imprisoned not more than ten years, or both; and shall be incapable of holding any office under the United States.

(June 25, 1948, ch. 645, 62 Stat. 808; Pub. L. 103–322, title XXXIII, §330016(1)(L), Sept. 13, 1994, 108 Stat. 2147.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §4 (Mar. 4, 1909, ch. 321, §4, 35 Stat. 1088).

Word “moreover” was deleted as surplusage and minor changes were made in phraseology.

If two or more persons in any State or territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both.

(June 25, 1948, ch. 645, 62 Stat. 808; July 24, 1956, ch. 678, §1, 70 Stat. 623; Pub. L. 103–322, title XXXIII, §330016(1)(N), Sept. 13, 1994, 108 Stat. 2148.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §6 (Mar. 4, 1909, ch. 321, §6, 35 Stat. 1089).

AMENDMENTS

1994—Pub. L. 103–322 substituted “fined under this title” for “fined not more than \$20,000”.

1956—Act July 24, 1956, substituted “\$20,000” for “\$5,000”, and “twenty years” for “six years”.

EFFECTIVE DATE OF 1956 AMENDMENT

Act July 24, 1956, ch. 678, §3, 70 Stat. 624, provided that: “The foregoing amendments [amending this section and section 2385 of this title] shall apply only with respect to offenses committed on and after the date of the enactment of this Act [July 24, 1956].”

§2385. Advocating overthrow of Government

Whoever knowingly or willfully advocates, abets, advises, or teaches the duty, necessity, desirability, or propriety of overthrowing or destroying the government of the United States or the government of any State, Territory, District or Possession thereof, or the government of any political subdivision therein, by force or violence, or by the assassination of any officer of any such government; or

Whoever, with intent to cause the overthrow or destruction of any such government, prints, publishes, edits, issues, circulates, sells, distributes, or publicly displays any written or printed matter advocating, advising, or teaching the duty, necessity, desirability, or propriety of overthrowing or destroying any government in the United States by force or violence, or attempts to do so; or

Whoever organizes or helps or attempts to organize any society, group, or assembly of persons who teach, advocate, or encourage the overthrow or destruction of any such government by force or violence; or becomes or is a member of, or affiliates with, any such society, group, or assembly of persons, knowing the purposes thereof—

Shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction.

If two or more persons conspire to commit any offense named in this section, each shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction.

As used in this section, the terms “organizes” and “organize”, with respect to any society, group, or assembly of persons, include the recruiting of new members, the forming of new units, and the regrouping or expansion of existing clubs, classes, and other units of such society, group, or assembly of persons.

(June 25, 1948, ch. 645, 62 Stat. 808; July 24, 1956, ch. 678, §2, 70 Stat. 623; Pub. L. 87–486, June 19, 1962, 76 Stat. 103; Pub. L. 103–322, title XXXIII, §330016(1)(N), Sept. 13, 1994, 108 Stat. 2148.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §§10, 11, 13 (June 28, 1940, ch. 439, title I, §§2, 3, 5, 54 Stat. 670, 671).

Section consolidates sections 10, 11, and 13 of title 18, U.S.C., 1940 ed. Section 13 of title 18, U.S.C., 1940 ed., which contained the punishment provisions applicable to sections 10 and 11 of title 18, U.S.C., 1940 ed., was combined with section 11 of title 18, U.S.C., 1940 ed., and added to this section.

In first paragraph, words “the Government of the United States or the government of any State, Territory, District or possession thereof, or the government of any political subdivision therein” were substituted for “any government in the United States”.

In second and third paragraphs, word “such” was inserted after “any” and before “government”, and words “in the United States” which followed “government” were omitted.

In view of these changes, the provisions of subsection (b) of section 10 of title 18, U.S.C., 1940 ed., which defined the term “government in the United States” were omitted as unnecessary.

Reference to conspiracy to commit any of the prohibited acts was omitted as covered by the general conspiracy provision, incorporated in section 371 of this title. (See reviser’s note under that section.)

Words “upon conviction thereof” which preceded “be fined” were omitted as surplusage, as punishment cannot be imposed until a conviction is secured.

The phraseology was considerably changed to effect consolidation but without any change of substance.

AMENDMENTS

1994—Pub. L. 103–322 substituted “fined under this title” for “fined not more than \$20,000” in fourth and fifth pars.

1962—Pub. L. 87–486 defined the terms “organizes” and “organize”.

1956—Act July 24, 1956, substituted “\$20,000” for “\$10,000”, and “twenty years” for “ten years” in the paragraph prescribing penalties applicable to advocating overthrow of government and inserted provisions relating to conspiracy to commit any offense named in this section.

EFFECTIVE DATE OF 1956 AMENDMENT

Amendment by act July 24, 1956, as applicable only with respect to offenses committed on and after July 24, 1956, see section 3 of act July 24, 1956, set out as a note under section 2384 of this title.

§2386. Registration of certain organizations

(A) For the purposes of this section:

“Attorney General” means the Attorney General of the United States;

- (1) it gives instruction to, or prescribes instruction for, its members in the use of firearms or other weapons or any substitute thereof, or military or naval science; or
- (2) it receives from any other organization or from any individual instruction in military or naval science; or
- (3) it engages in any military or naval maneuvers or activities; or
- (4) it engages, either with or without arms, in drills or parades of a military or naval character; or
- (5) it engages in any other form of organized activity which in the opinion of the Attorney General constitutes preparation for military action;

An organization is “subject to foreign control” if:

HISTORICAL AND REVISION NOTES

1948 ACT

Based on title 18, U.S.C., 1940 ed., §§9, 11, 13 (June 28, 1940, ch. 439, title I, §§1, 3, 5, 54 Stat. 670, 671).

Section consolidates sections 9, 11, and 13 of title 18, U.S.C., 1940 ed., with only such changes of phraseology as were necessary to effect consolidation.

The revised section extends the provisions so as to include the Coast Guard Reserve in its coverage.

Words "upon conviction thereof" were omitted as unnecessary, as punishment cannot be imposed until conviction is secured.

Reference to conspiracy to commit any of the prohibited acts was omitted as covered by the general law incorporated in section 371 of this title. (See reviser's note under that section.)

If we are merely a LARP asking questions on the Chans, why are we being attacked daily by some of the world's biggest media co's, social media co's deliberately applying censorship/banning, shills paid/inserted to disrupt (media matters), blue checkmark coordinated attacks, etc.?

All for a 'conspiracy' on the Chans?

All for a 'LARP'?

Why is there a constant flow of disinformation being pushed re: Q?

Example:

Disinformation push re: Mueller is a white hat.

FAKE & FALSE narrative.

Think BLOCKADE.

When you can't attack the information directly, you attack the source, if that fails, you 'create false misleading information' to discredit knowing 'select' 'unaware' followers would not take the time to self-corroborate the claims (same vehicle/tactics used by FAKE NEWS media).

Logical thinking always wins.

Nothing can stop what is coming.

As the target(s) turn to the other side, the attacks will intensify.

We have the source.

Listen very carefully to statements made by Joe D.

[Pg 11] Previously CLAS 'scope' > [RR] to [MUELLER]
The scope memo [highlighted w/in Mueller report] confirms the 'dossier' was the 'tool' used by [RR] to justify SC and was the primary 'vehicle' to which [RR] tasked MUELLER.
If the dossier was known to be unverified and fake, how then was an investigation started to begin with?
At what point did MUELLER determine there was no collusion?
[18-months ago?]
Was the investigation kept ongoing as a 'talking point' to rig the midterm elections?
Was the investigation kept ongoing to retain the 'BLOCKADE' to essentially restrict POTUS from unmasking and informing the public as to the TRUTH about what really happened?
Was the investigation kept ongoing to PROTECT THOSE WHO 'KNOWINGLY' COMMITTED TREASON/SEDITION?
NO BLOCKADE = GAME OVER

Coleman told us that he kept regularly took notes in a journal. Coleman’s notes from October 4 contained the following entry:

- (1) Anthony Wiener [sic]
- (2) [Unrelated]
- (3) Wiener [sic] – texting 15 yo – Sexually Explicit
- 9/26 – Federal SW – iPhone/IPAD/Laptop
- Initial analysis of laptop – thousands emails
- Hillary Clinton & Foundation
- Crime Against Children

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.

The job of the media (90% owned by 6 corporations) is not to inform the public of TRUTH (using facts), but to con the public using falsehoods and opinion to paint a narrative that is designed to 'keep the sheep in-line' in order to maintain control and regain power.

By J.R. Dunn

Back in 2011, the indomitable Peter Schweizer published *Throw Them All Out*, a detailed examination of political corruption as it is actually practiced in the halls of Congress.

In his investigation, Schweizer found one single member of Congress against whom no allegations could be held – who had never taken a dime that was not his, had never cut any backroom deals, had never, simply put, played the game.

That individual was Jeff Sessions.

That fact is all you need to know to understand why Donald Trump selected Sessions for the Department of Justice, and why Sessions has followed the course he has in taking on the "Russia collusion" coup effort.

Sessions is the quintessential Eagle Scout. He will follow the rules down to the last subclause and will not make his move until every "t" has been crossed and every "i" dotted.

We saw the first results of this approach last Friday – in dealing with Andrew McCabe, this century's prime example of a "cookie full of arsenic."

Sessions waited until the FBI's Office of Professional Responsibility (which is run by Assistant Director Candice Will, who was appointed by Robert Mueller, of all people) recommended that McCabe be fired. He then had McCabe officially informed beforehand, following established procedure to the letter.

This comes under the rubric of "strategy," a concept unfortunately foreign to too many active conservatives. A large number of cons recognize only one course of action: a headlong charge against the closest target while howling at the top of their lungs. Not only do they dismiss any more subtle form of action, but they often attack those engaging in it of cowardice or corruption, or of being an "Alinskyite-Obamaist commie stooge" – despite the fact that their kamikaze runs usually end up heading over the nearest cliff.

So it was with Sessions, who has been routinely dismissed as "paid off," being "asleep under his desk," or as "part of the swamp."

A.G. Sessions

Imagine what would happen if those audits extended to all family members of such 'elected' official?

RC?

Who posted 'internal security cam' pics (Temple)(IG)?

Blackmail?

Q

Smoke & Mirrors
Fake News Media's attempt to truncate size of movement while 'building up' size of the opposition.
Inauguration Day to current, attempts to diminish and instill a 'you are the minority' mindset (narrative) continues.
People want to believe they are part of the bigger group (size equates to accuracy in most minds)(acceptance)(the 'right' side).
One of the primary purposes of POTUS holding a RALLY is to demonstrate the massive appeal, energy, and size of this movement (+ability to correct false reporting and/or highlight achievements, goals, etc.).
(Compare & Contrast) 45-RALLY vs ANY SINGLE ONE of the [D's].
What is obvious & true?
Why does POTUS mention crowd size at each and every RALLY?
What is projected by the MSM?
LIES becomes TRUTHS.
TRUTHS become LIES.
Smoke & Mirrors
You are the MAJORITY.
People UNITED & AWAKE is their BIGGEST FEAR.
Do you think it's a coincidence we are being attacked aggressively by some of the biggest media corporations in the world right after our return?
If we are simply a 'conspiracy' or 'LARP' or 'some kid living in a basement' as stated repeatedly, why do the world's largest media Co's continue to dedicate so much attention and time to attacking us?
Billion-dollar Co's expending resources to stop a LARP?
Billion-dollar Co's expending resources to attempt to 'shape the mindset (narrative)' to prevent and slow digestion of the masses?
You attack those you fear the most.
Why does the media rush to 'shape' events?
Why are the same 'keywords' always used?
Psych 101 – If you see and hear the same thing over and over again.....
They do not want you thinking for yourself.
They do not want you challenging their authority.
Logical thinking always wins.
Trust yourself (always).
Attacks will intensify [FAKE NEWS [arm of the D party]].
Enemy of the PEOPLE.

You are witnessing the greatest 'coordinated' misinformation attack (campaign) ever to be launched against the public – all in an effort to protect themselves from prosecution (public exposure) and regain power (control).
[Attempted removal of the duly elected President of the United States by illegal [manufactured] means]
They believed they could win [con] public support by controlled assets (media, tech, H-wood...).
These controlled assets set out to immediately create division through the use of a pre_designed misinformation campaign.
Groups such as 'Antifa' were funded and formed to prevent and/or lessen the appeal for 'regular' hard working Americans to gather and express non_narrative viewpoints.
Control of this 'projected narrative' depends primarily on their ability to 'con' the masses into thinking they are the majority.
The mindset of most: If the majority of people believe 'this', than 'this' must be more true than 'that' [CIA_CLAS 1-99_56_Human_Psych_&_Emotional_Distress_IIED].
Without public support – they are powerless.
We, the People, hold the power.
UNITED WE ARE STRONG.
— That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.
You are witnessing the systematic destruction of the OLD GUARD.

I think the war room and links to qproofs and tools are essential components of the bread.

They are up there to help anons and new lurkers to Q research .

It is one post per bread and has vital information for anons and newfags and normies.

It has the links to the sealed court cases, etc.

If you cut that out of the bread you are cutting out the heart of Q research. That war room bread post will be essential to new eyes coming to the boards.

The skills attack bakers all the time and the bread, and they have since the beginning.

As a longtime anon i don't think this is a wise choice.

Also captcha did not stop any shills, it just made things more difficult for all of us.

(like when your trying to post something important fast and you get stuck in captcha hell for a minute or 2)

As BO you should discuss these decisions with anons , bakers and BV'S before you (one person) decides to change the way the bread has been since November 2017.

I STRONGLY DISAGREE WITH SHORTENING THE BREAD AND KILLING THE WAR ROOM RESEARCH LINKS POST.

Wake Up People! See Through Their Division Tactics

Q !!mG7VJxZNCI 6 Mar 2019 - 11:34:41 PM

PEOPLE ARE PAWNS IN THEIR SICK GAME OF GLOBAL DOMINATION.
PEOPLE ARE **DIVIDED** TO PREVENT A RISING OF THE PEOPLE.
PEOPLE ARE **DIVIDED** AND TAUGHT TO FIGHT THEMSELVES INSTEAD OF THE RULING CLASS.
RACE VS RACE
RELIGION VS RELIGION
POLITICAL VS POLITICAL
CLASS VS CLASS
SEX VS SEX
WHEN YOU ARE **DIVIDED**, YOU ARE WEAK.
WHEN YOU ARE WEAK, YOU HAVE NO POWER.
WHEN YOU HAVE NO POWER, YOU HAVE NO CONTROL.
STAY STRONG, PATRIOTS.
STAY UNITED, NOT **DIVIDED**.
YOU ARE WHAT MATTERS.
YOU, AWAKE, IS THEIR GREATEST FEAR.

"For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known."
– Corinthians 13:4-13

"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."
– Ephesians 6:10-18

"A colorful building that some news reports have called the "temple" was actually a gym when Epstein worked out when he was on the island, Scully said, noting in an interview with ABC News that the gym had a memorable feature – a massive framed photo of a topless woman."

LOGICAL Q: IF ADAM SCHIFF 'KNEW' EVERYTHING HE'S INVESTIGATING AND STATING PUBLICLY TO BE KNOWINGLY 'FALSE' [DISINFORMATION] WHY THEN WOULD HE TAKE THE COURSE OF ACTION(S) (ONGOING)?
DID ADAM SCHIFF PURPOSELY DECEIVE THE AMERICAN PUBLIC 'THINKING' THE 'GANG OF EIGHT' MATERIAL + OTHER CLASSIFIED DOCUMENTATION WOULD NEVER REACH THE PUBLIC DOMAIN?
WHAT 'INSURANCE' DID THEY HANG OVER POTUS' HEAD IN ORDER TO PREVENT ACTION?

While it is certainly not meant to be 'funny', it sends a very important [intended] message.

Q

[Smoke & Mirrors]
How do you attempt to keep the 'narrative' in play [control the 'sheep']?
<https://www.foxnews.com/politics/dems-launch-impeachment-investigation-with-bid-for-grand-jury-info-insist-mueller-delivered>
Key sentence:
Nadler called the grand jury materials “critically important” for their investigation. Does Nadler understand that the 'critically important' material requested would be illegal for AG Barr to disclose?
<https://www.nationalreview.com/2019/04/mueller-report-attorney-general-grand-jury-information/>
"This means Attorney General Barr must redact grand-jury material from the Mueller report before disclosing it to Congress. Democrats will complain long and loud about this, but I don’t see how Barr can be reasonably faulted for following the law. Congress, after all, has the power to legislate an amendment to Rule 6(e) that would permit disclosure of grand-jury materials from a special counsel investigation to appropriate congressional committees."
Will members of the D party Congress attempt to amend Rule 6(e) in order to obtain grand jury material deemed 'critically important'?
No?
Logical thinking, why?
Why paint a narrative that the one item you cannot possess is the one item you need in order to justify your argument?
People elected 'knowingly' spreading false-information [disinformation]?
Puppets follow orders.

Beijing rejected Trump's accusations, insisting that China has purchased US agricultural products. It announced on Sunday that millions of tons of US soybeans have been shipped to China since July 19. According to Xinhua News Agency, Chinese companies are looking for soybeans, cotton, pork, and sorghum.

China agreed earlier to narrow its multibillion-dollar trade surplus with the US by purchasing more American soybeans, natural gas, and other exports. The pledge was revoked after Trump started hiking tariffs last year.

ALSO ON RT.COM

China & US agree to temporarily cease trade hostilities before G20 summit, sources say

The two countries have been locked in a trade war since 2018, when Washington slapped 25-percent tariffs on \$50 billion worth of Chinese products, triggering a similar response from Beijing. Since then, the sides have exchanged several rounds of tit-for-tat levies. In June, the Trump administration increased tariffs on \$250 billion worth of Chinese goods to 25 percent, and China hit back, raising tariffs up to the same rate on 5,000 US goods worth \$60 billion.

Beijing and Washington paused the tariff hike exchanges following talks between the two nations' leaders on the sidelines of the G20 summit last month.

election, the trade deal will be much tougher for Beijing.

“China is doing very badly, worst year in 27 – was supposed to start buying our agricultural product now – no signs that they are doing so. That is the problem with China, they just don’t come through,” Trump wrote.

My team is negotiating with them now, but they always change the deal in the end to their benefit. They should probably wait out our Election to see if we get one of the Democrat stiffs like Sleepy Joe. Then they could make a GREAT deal, like in past 30 years, and continue to ripoff the USA, even bigger and better than ever before.”

US Treasury Secretary Steven Mnuchin and Trade Representative Robert Lighthizer will meet on Tuesday and Wednesday in Shanghai with a delegation led by China’s Vice Premier Liu He.

According to Trump, “The problem with them waiting, however, is that if & when I win, the deal that they get will be much tougher than what we are negotiating now... or no deal at all. We have all the cards, our past leaders never got it!”

What happens when 90% of the media is controlled/owned by (6) corporations?
What happens when those same corporations are operated and controlled by a political ideology?
What happens when the news is no longer free from bias?
What happens when the news is no longer reliable and independent?
What happens when the news is no longer trustworthy?
What happens when the news simply becomes an extension/arm of a political party?
Fact becomes fiction?
Fiction becomes fact?
When does news become propaganda?
Identity creation?
How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?
Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?
Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?
'Mainstream' is used for a reason [dominate trend in opinion].
[If majority of people believe 'x' then 'x' must be validated / true]
Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?
Coordinated? By who? Outside entity providing instructions?
Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources?
Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?
Threat to intellectual freedom?
Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Read again – digest.
Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Logical thinking.
Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?
Pre/post 2016 election?
Why were violent [masked] terror orgs such as Antifa immediately created/funded?
Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?
Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?
Why were marches immediately organized which divided people into sex/gender, race, [ism]?
When you control the levers of news dissemination, you control the narrative.
Control of the narrative = power
When you are blind, what do you see?
They want you divided.
Divided by religion.
Divided by sex.
Divided by political affiliation.

Divided by class.

When you are divided, and angry, and controlled, you target those ‘different’ from you, not those responsible [controllers].

Divided you are weak.

Divided you pose no threat to their control.

When ‘non-dogmatic’ information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].

When you are awake, you stand on the outside of the stable (‘group-think’ collective), and have ‘free thought’.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

Images that are served via TOR broke yesterday, we are checking why and should have it fixed up soon.

Caching is still a bit buggy, and likewise we should have that fixed up soon.

I will do my best to have these things fixed up before the end of the weekend.

An easy way to verify yourself after the upcoming salt rotation is:

1. Migrate /patriotsfight/ before the rotation

2. Post with current tripcode on /patriotsfight/

3. After salt rotation, post with new tripcode on /patriotsfight/

4. Qresearch BO adds your updated tripcode to the /qresearch/ whitelist

Let me know if you want to migrate /patriotsfight/. The login credentials will be the same as back in August, and you can login via tor at this url:

<http://sys.jthnx5wyvjvzsxtu.onion/mod.php?/>

or via clearnet at this url:

<https://sys.jthnx5wyvjvzsxtu.onion/mod.php?/>

The salt rotation is an important maintenance task, and will help improve overall site stability.

Our current tasks to get back to full stability:

0. Salt rotation

1. Fix quality-of-life bugs (caching, images, etc)

2. Launch project odin (checkmate against deplatforming)

3. Finish board migration

4. Migrate to a new ISP currently being setup (will improve site access speeds and stability)

5. Bring back board creation (with a simple vetting process)

6. Install the new captcha system that we are building

7. Extinguish fires that pop up

What happens when people don't conform to their rule?
What happens when people cannot defend themselves?
Why do [D]'s want to abolish the 2nd amendment?
"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed."
What did the Framers of the Constitution fear the most?

"—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.
But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—"

We have three things issued at 1:29 aka Q-watch time:
>IG report
>Durham rebuttal
>Barr rebuttal
We have confirmation that there are no coincidences.
So that means one of three things:
1. Horowitz, Durham and Barr are all in communication with Q
OR
2. Horowitz, Durham and Barr were specifically directed by Q+ to issue their reports/rebuttals at precisely 1:29 PM ("Why, POTUS?" "You'll find out. Just do it.")
OR
3. Some combination of the above.

Mark Meadows Says Bill Barr Looking At “Unbelievably Unusual Activity” During Obama’s Final Months In Office

By Gary Fenster - June 25, 2019

We all know by now the final months of the campaign and the transition caused chaos for the D.C. establishment.

They didn’t know what to do. Trump too – he fired Chris Christie and redid the entire transition. Point is Trump’s historic upset caught most off-guard and stuff happened.

We also know from glowing media reports leaked by proud Obama staffers that team Obama spread the Russian information far and wide inside the bureaucracy in the event Trump wanted to shut down the investigation.

The Senate must be unrestricted to conduct 'other' important business.
If [D]s knew Senate would not vote to convict - why proceed?
How long does a typical Senate impeachment trial take?
Can the Senate conduct 'other' business during this time?
No.
What 'value' might this have for [D]s?
Barr/Durham working in secret?
Senate working openly?
'Value' of public learning the truth prior to i_unseal?

More statements made (evidence) without presenting facts.
If 'evidence' exists(ed), under 'broad' scope #1, would Mueller have the auth to pursue?
https://www.justice.gov/opa/press-release/file/967231/download

The Special Counsel is authorized to conduct the investigation confined by then-FBI Director James B. Comey in testimony before the House Permanent Select Committee on Intelligence on March 20, 2017, including:
(i) any links and/or coordination between the Russian government and individuals associated with the campaign of President Donald Trump; and
(ii) any matters that arose or may arise directly from the investigation; and
(iii) any other matters within the scope of 28 C.F.R. § 600.4(a).
Because no evidence exists(ed) and/or was found by SO/Mueller, was scope #2 enacted in an attempt to go outside of the 'intended engagement'?

Statement by Attorney General William P. Barr on the Departure of Principal Associate Deputy Attorney General Edward O’Callaghan

Attorney General William P. Barr issued the following statement:

“Ed is one of the most highly regarded lawyers at the Department of Justice. His dedication and tireless commitment to the work of the Department is second to none. Ed possesses a rare combination of sharp intellect, common sense, and sound judgment – traits that served him well from his time as a prosecutor in the Southern District of New York to his service at the highest levels of the Department, including as Acting Deputy Attorney General. We were lucky to have him at the heart of the leadership team at DOJ. He will be greatly missed.”

[Re_drop]

What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction?

Fiction becomes fact?

When does news become propaganda?

Identity creation?

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?

Majority of people more prone to believe someone in power sitting behind a big brand ‘news’ name?

Do people [human psyche] tend to follow the ‘majority/mainstream viewpoint’ in fear of being isolated and/or shunned?

‘Mainstream’ is used for a reason [dominate trend in opinion].

[If majority of people believe ‘x’ then ‘x’ must be validated / true]

Why do ‘mainstream’ media heads, within different orgs, always use the same keywords and/or catch phrases?

Coordinated? By who? Outside entity providing instructions?

Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different ‘trusted’ sources?

Do ‘echo chamber’ tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again – digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Logical thinking.

Why, after the election of 2016, did [D]’s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other ‘ism’?

Pre/post 2016 election?

Why were violent [masked] terror orgs such as Antifa immediately created/funded?

Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Why were marches immediately organized which divided people into sex/gender, race, [ism]?

When you control the levers of news dissemination, you control the narrative.

Control of the narrative = power

When you are blind, what do you see?

They want you divided.

Divided by religion.

Divided by sex.

Divided by political affiliation.

Divided by class.

When you are divided, and angry, and controlled, you target those ‘different’ from you, not those responsible [controllers].

Divided you are weak.

Divided you pose no threat to their control.

When ‘non-dogmatic’ information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].

When you are awake, you stand on the outside of the stable (‘group-think’ collective), and have ‘free thought’.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

A New Report Raises Big Questions About Last Year’s DNC Hack

Former NSA experts say it wasn’t a hack at all, but a leak—an inside job by someone with access to the DNC’s system.

>>7643842
orensicator’s first decisive findings, made public in the paper dated July 9, concerned the volume of the supposedly hacked material and what is called the transfer rate—the time a remote hack would require. The metadata established several facts in this regard with granular precision: On the evening of July 5, 2016, 1,976 megabytes of data were downloaded from the DNC’s server. The operation took 87 seconds. This yields a transfer rate of 22.7 megabytes per second.

These statistics are matters of record and essential to disproving the hack theory. No Internet service provider, such as a hacker would have had to use in mid-2016, was capable of downloading data at this speed. Compounding this contradiction, Guccifer claimed to have run his hack from Romania, which, for numerous reasons technically called delivery overheads, would slow down the speed of a hack even further from maximum achievable speeds.

From the very beginning. #QAnon #WWG1WGA #Durham #RedPill

Does POTUS have the goods on most bad actors?
Was TRUMP asked to run for President?
Why?
By Who?
Was HRC next in line?
Was the election suppose to be rigged?
Did good people prevent the rigging?
Why did POTUS form a panel to investigate?
Has POTUS "ever" made a statement that did not become proven as true/fact?
What is POTUS in control of?
What is the one organization left that isn't corrupt?
Why does the military play such a vital role?
Why is POTUS surrounded by highly respected generals?
Who guards former Presidents?
Why is that relevant?

FORMER NSA DIRECTOR IS COOPERATING WITH PROBE OF TRUMP-RUSSIA INVESTIGATION

Matthew Cole
December 28 2018 11:07 a.m.

RETIRED ADM. MICHAEL ROGERS, former director of the National Security Agency, has been cooperating with the Justice Department's probe into the origins of the counterintelligence investigation of the Trump presidential campaign's alleged ties to Russia, according to four people familiar with Rogers's participation.

Rogers has met the prosecutor leading the probe, Connecticut U.S. Attorney John Durham, on multiple occasions, according to two people familiar with Rogers's cooperation. While the substance of those meetings is not clear, Rogers has cooperated voluntarily, several people with knowledge of the matter said.

Remember That the Democrats Sat While You Were Celebrated Last Night

I end a lot of articles about how the Democrats really feel about you by telling you to vote accordingly, but Trump’s State of the Union speech highlighted the Democrat’s utter contempt for President Donald Trump, you, and this country last night as they sat through almost every applause line that celebrated you doing well.

As the GOP highlighted in a video they posted to Twitter, the Democrats heard about the all-time low unemployment levels of the black community, the Hispanic community, the young adult community, and more. This should be a reason to celebrate. We should see our elected leaders getting to their feet and showing support, but instead only half the room decided to stand.

The other half, the Democrats, sat still, arms folded, and practically seethed at times.

Reminder for Democrats: It’s ok to applaud good news.

[Re_drop]

What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction?

Fiction becomes fact?

When does news become propaganda?

Identity creation?

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?

Majority of people more prone to believe someone in power sitting behind a big brand ‘news’ name?

Do people [human psyche] tend to follow the ‘majority/mainstream viewpoint’ in fear of being isolated and/or shunned?

‘Mainstream’ is used for a reason [dominate trend in opinion].

[If majority of people believe ‘x’ then ‘x’ must be validated / true]

Why do ‘mainstream’ media heads, within different orgs, always use the same keywords and/or catch phrases?

Coordinated? By who? Outside entity providing instructions?

Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different ‘trusted’ sources?

Do ‘echo chamber’ tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again – digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Logical thinking.

Why, after the election of 2016, did [D]’s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other ‘ism’?

Pre/post 2016 election?

Why were violent [masked] terror orgs such as Antifa immediately created/funded?

Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Why were marches immediately organized which divided people into sex/gender, race, [ism]?

When you control the levers of news dissemination, you control the narrative.

Control of the narrative = power

When you are blind, what do you see?

They want you divided.

Divided by religion.

Divided by sex.

Divided by political affiliation.

Divided by class.

When you are divided, and angry, and controlled, you target those ‘different’ from you, not those responsible [controllars].

Divided you are weak.

Divided you pose no threat to their control.

PANIC IN DC!
Q

When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].

When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

SHOULD WE BE READY FOR THE REEMERGENCE OF SARS?

The medical and scientific community demonstrated mar-
velous efforts in the understanding and control of SARS within
a short time, as evident by over 4,000 publications available
online. Despite these achievements, gaps still exist in terms of
the molecular basis of the physical stability and transmissibility
of this virus, the molecular and immunological basis of disease
pathogenesis in humans, screening tests for early or cryptic
SARS cases, foolproof infection control procedures for patient
care, effective antivirals or antiviral combinations, the useful-
ness of immunomodulatory agents for late presenters, an ef-
fective vaccine with no immune enhancement, and the imme-
diate animal host that transmitted the virus to caged civets in the
market at the beginning of the epidemic. Coronaviruses are well
known to undergo genetic recombination (375), which may lead
to new genotypes and outbreaks. The presence of a large reser-
voir of SARS-CoV-like viruses in horseshoe bats, together with
the culture of eating exotic mammals in southern China, is a time
bomb. The possibility of the reemergence of SARS and other
novel viruses from animals or laboratories and therefore the need
for preparedness should not be ignored.

A person(s) value:

1. vote
2. monetary value (tax contribution)
3.

Why is 'free thought' ridiculed, challenged, and threatened when a person is opposed to the 'mainstream-narrative'?

[2] remains fixed (degree allowable by 'economic recession/expansion')

[1] remains a variable

[1] dependent on a 'controlled' system of information dissemination

What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction?

Fiction becomes fact?

When does news become propaganda?

Identity creation?

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?

Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?

Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?

'Mainstream' is used for a reason [dominate trend in opinion].

[If majority of people believe 'x' then 'x' must be validated / true]

Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?

Coordinated? By who? Outside entity providing instructions?

Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources?

Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again – digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Logical thinking.

Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?

Pre/post 2016 election?

Why were violent [masked] terror orgs such as Antifa immediately created/funded?

Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Why were marches immediately organized which divided people into sex/gender, race, [ism]?

When you control the levers of news dissemination, you control the narrative.

Control of the narrative = power

When you are blind, what do you see?

They want you divided.

Divided by religion.

Divided by sex.

Divided by political affiliation.

Divided by class.

When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible [controllers].

Divided you are weak.

Divided you pose no threat to their control.

When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].

When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

Q

>Decide for yourself (be free from outside opinion).
>Decide for yourself (be objective in your conclusions).
>Decide for yourself (be true in your own beliefs).
>Decide for yourself (be open to following the facts).
>Decide for yourself (be strong in defending your beliefs).
>Decide for yourself (be resistant to blindly accepting fact-less statements).

Those who attack you.
Those who mock you.
Those who cull you.
Those who control you.
Those who label you.
Do they represent you?
Or, do they represent themselves (in some form)?
Mental Enslavement.

The Great Awakening ('Freedom of Thought'), was designed and created not only as a backchannel to the public (away from the longstanding 'mind' control of the corrupt & heavily biased media) to endure future events through transparency and regeneration of individual thought (breaking the chains of 'group-think'), but, more importantly, aid in the construction of a vehicle (a 'ship') that provides the scattered ('free thinkers') with a 'starter' new social-networking platform which allows for freedom of thought, expression, and patriotism or national pride (the feeling of love, devotion and sense of attachment to a homeland and alliance with other citizens who share the same sentiment).

When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or the stable.

When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

When you are awake, you are able to clearly see.

The choice is yours, and yours alone.

Trust and put faith in yourself.

You are not alone and you are not in the minority.

Difficult truths will soon see the light of day.

WWG1WGA!!!

Q

The entire world is watching.
Patriots from around the world are praying for AMERICA.
We are all bound by a feeling deep inside, a feeling that cannot be publicly expressed for fear of ridicule, a feeling that challenges the mainstream (narrative), against that which we are told to accept and dare not question, put simply, that people are being abused by those in power and time is running out.
Remember the battles of Lexington and Concord - "Give Me Liberty or Give Me Death!"
For far too long we have been silent and allowed our bands of strength, that we once formed to defend FREEDOM and LIBERTY, to deteriorate.
We became divided.
We became weak.
We elected TRAITORS to govern us.
We allowed EVIL to prey on us.
Those who claimed to represent us gave us false hope, made false promises.
The evil and corruption only grew.

This is more than party politics.
This is about restoring OLD GLORY.
This is about saving our land and our people from those who wish us harm.
This is about preserving our REPUBLIC.
This is about preserving our SAFETY.
This is about restoring our STRENGTH.
This is about LIFE, LIBERTY, and the PURSUIT OF HAPPINESS.
This is about PROTECTING our children.
THIS IS ABOUT SAVING AMERICA.
We are all God's children.
We are, FATHERS.
We are, MOTHERS.
We are, DAUGHTERS.
We are, SONS.
We are, BROTHERS.
We are, SISTERS.
We do not look at race.
We do not look at skin color.
We are UNITED in these STATES OF AMERICA.
We are, and will always be, PATRIOTS.
WE MUST RISE AGAIN.
WE MUST UNITE AGAIN.
WE MUST FIGHT AGAIN.
FOR GOD & COUNTRY.
GOD BLESS AMERICA.

Pickerstein said Durham relied on a “good versus evil” vision of the world while overseeing the probe of former governor John G. Rowland.

The Plan

“Today Americans would be outraged if U.N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will pledge with world leaders to deliver them from this evil.

The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government.”

- Henry Kissinger in an address to the Bilderberg meeting at Evian, France, May 21, 1992.

The Plan

“Today Americans would be outraged if U.N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will pledge with world leaders to deliver them from this evil.

The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government.”

- Henry Kissinger in an address to the Bilderberg meeting at Evian, France, May 21, 1992.

Just like you they go silent during OPs

Palpatine's Revenge

Dooku joined the group.

Dooku

May 17 at 2:31pm

RR isn't taking shit.. and he knows our friends have stuff on him

Dooku

May 17 at 2:32pm

I'm hearing Mueller, maybe by the end of the week

Severus

May 17 at 2:37pm

Hearing that too.. WH will be blind-sided. Let's put MF back in the news? Can have S draw up memo on Turkey. With Erdogan thugs beating protesters in streets, it fits news cycle, and I'm sure we'll need a few more "memos" down the road. Good practice 😊

Huck

May 17 at 2:41pm

I'm in. S, you in here? Our friends in NY still have secure connection set up waiting

Roger

May 17 at 2:42pm

MF was mentioned in company group too... Evidently their work on the limey is paying off.

Dooku

May 17 at 2:43pm

Paying off how?

Dooku

May 17 at 2:43pm

Getting to him?

Roger

May 17 at 2:45pm

Yea.. he mentioned Limey in a call earlier this week. Scared shitless

Severus

May 17 at 2:45pm

He isn't brightest bulb, but that project has worked perfectly.

Roger

May 17 at 2:47pm

It really has. Huck, didn't AEWP mention it when we gave him that tape?

Huck

May 17 at 2:47pm

Not AE, but someone else there. Not sure who. I wasn't listening in, but our carrier pigeon said in debrief that they said something along lines of: "No wonder no one in our business has called Limey out, what's the point when you all keep bringing us great stuff? It actually helps our pageviews when she gets all of her minions fired up with dumb shit first"

Severus

May 17 at 2:53pm

That's fuckin amazing

Juules

May 17 at 3:01pm

Hey all, been watching in. Here with S in GT outpost. All go from us. Huck, will send memo to usual place. Do your magic.

Juules

May 17 at 3:03pm

Roger, any update on Camp Eagle?

Roger

May 17 at 3:06pm

Asset en route. Don't expect much from it. He's been out far too long

Juules

May 17 at 3:07pm

Figures. Ok. Huck, keep that connection open and expect something to come through pipeline a little later. Just stall them. RM is happening tonight, so they'll have plenty to cover.

Dooku

May 17 at 3:08pm

Tonight. Fuck. Quicker than I thought

Huck

May 17 at 3:10pm

Connection will remain open. Let me know if we want to tip on RM

Juules

May 17 at 3:12pm

Just let it ride

Juules

May 17 at 3:15pm

Today's time is up. Everyone knows what to do. Tomorrow will be busy day for all, so will let everyone know time when S hears from grapevine

>Irregular warfare is far more varied than conventional conflict: hence the importance of an intellectual framework that is coherent enough to provide guidance, and flexible enough to adapt to circumstances.

>American counterinsurgency practice rests on a number of assumptions: that the decisive effort is rarely military (although security is the essential prerequisite for success); that our efforts must be directed to the creation of local and national governmental structures that will serve their populations, and, over time, replace the efforts of foreign partners; that superior knowledge, and in particular, understanding of the 'human terrain' is essential; and that we must have the patience to persevere in what will necessarily prove long struggles.

>Insurgency, however, can and will flourish in the modern environment. The strains created by globalization, by the collapse of weak state structures, by demographic, environmental, and economic pressures, by the ease of cooperation among insurgent groups and criminals, and by the appearance of destructive radical ideologies, all augur a period in which free and moderate governance is at risk.

[Insurgency is the organized use of subversion and violence to seize, nullify or challenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They only need the active support of a few enabling individuals, but the passive acquiescence of a large proportion of the contested population will give a higher probability of success. This is best achieved when the political cause of the insurgency has strong appeal, manipulating religious, tribal or local identity to exploit common societal grievances or needs. Insurgents seek to gain control of populations through a combination of persuasion, subversion and coercion while using guerrilla tactics to offset the strengths of government security forces. Their intent is usually to protract the struggle, exhaust the government and win sufficient popular support to force capitulation or political accommodation. Consequently, insurgencies evolve through a series of stages, though the progression and outcome will be different in almost every case.]

Dear Mr. Pichai and Ms. Wojcicki:

As we all work to control the COVID-19 pandemic, I want to thank you for the actions you have taken to ensure Google's users are provided with timely, authoritative, and factual sources. I was encouraged to see your early commitment to working closely with other social media companies to jointly combat fraud and misinformation during this societal challenge that transcends any one platform or service.

As we face this public health crisis, Americans want and need to receive the best information possible so that they can keep themselves, their families, and their communities healthy. I commend you for steps you have already taken to highlight information from official health sources and to remove or limit content that promotes harmful medical misinformation. YouTube's commitment to remove videos with information that is medically unsubstantiated or contradicts World Health Organization (WHO) recommendations is an important action to protect the health and safety of billions of users. The recently announced policy of adding links to fact-checking sources for certain searches is a further step towards directing users to accurate health information.

Despite your best efforts, however, users will continue to see and engage with harmful medical content on your platforms, whether by intentionally seeking it out or otherwise. Among the harmful misinformation currently on YouTube, recent reporting has shown that it is easy to find videos spreading false and dangerous statements about the coronavirus or treatments,¹ including conspiracy theories linking the virus to 5G towers, anti-vaccine messages suggesting the virus was engineered, and videos suggesting that drinking or consuming bleach may cure the disease.

Though the best protection is removing or downgrading harmful content before users engage with it, that is not always possible. As you are likely aware, Facebook recently announced plans to display messages to any users who have engaged with harmful coronavirus-related misinformation that has since been removed from the platform and connect them with resources from the World Health Organization. I urge you to adopt a similar practice for YouTube users and others who

engage with harmful information on your platform, to proactively inform them and direct them to authoritative, medically accurate resources.

While taking down harmful misinformation is a crucial step, mitigating the harms from false content that is removed requires also ensuring that those users who accessed it while it was available have as high a likelihood of possible of viewing the facts as well.

I recognize the complex challenges that misinformation presents to online platforms such as Google, in this and many other contexts. As we all grapple with this unprecedented health situation, I hope you will consider this suggestion for keeping users better informed. Thank you for your attention to my concerns, and I look forward to continuing our ongoing dialogue on these important issues.

Sincerely,

Adam B. Schiff

Head of House Intelligence Committee Adam Schiff Demands Google-YouTube-Twitter Step Up their 'Authoritative' Censorship and Silencing

On Thursday Rep. Adam Schiff, the most dishonest and compulsive liar in Congress, sent a letter to the CEOs of Google, YouTube and Twitter to urge them to use their “authoritative” powers to censor and silence voices during the coronavirus pandemic.

Last week YouTube CEO told CNN the company would silence anyone who strayed from official WHO policy. Google is cool with that.

In fact, the company is very proud of her censorship.

Remember this in November. Democrats support this and want MORE censorship and silencing.

Schiff sent these letters off to Google, YouTube and Twitter.

What National/Global impact immediately occurs re: [intel assessment] the virus was [intentionally] released [in coordination w/ [CLAS 1-99]?
How do you prevent a war?
MATTERS OF NATIONAL SECURITY?
Think timing.
Who benefits the most?
Common denominator:
Do you believe Biden would admit to sexual assault simply by asking him?
No?
So why do it [ask]?
Do you believe intel community would admit [DECLAS] foreign adversary intentionally released COVID-19?
No?
So why do it [ask]?

What would have happened if POTUS challenged the COVID-19 narrative from the beginning?

Sometimes you can't TELL the public the truth.

YOU MUST SHOW THEM.

Who benefits the most?

WHY ARE [D]'S SOLELY FOCUSED ON CLOSURE [RETAINING] AND VOTE-BY-MAIL?

They do not care about your well-being.

You are simply in the way.

This is about regaining POWER.

Self-preservation.

Every asset deployed.

Why are they pushing back the [D] convention?

COVID-19 concern or strategic for last minute change?

Change of Batter coming?

Why was she 'saved' from officially announcing?

Why was she 'reserved' for a last minute change?

How do you attempt to 'sneak one in'?

How do you attempt to ensure victory?

Adopt National Vote-by-Mail?

How do you convince American it was legitimate?

Release fake polls indicating favorable leads in swing states?

How do you harm opponents accomplishments re: economy, unemployment,?

How do you terminate opponents highly effective rallies?

How do you shelter [D] lead candidate from embarrassing debates and/or rallies?

How do you shelter [D] corruption re: FISA-RUSSIA-FLYNN-etc. from reaching the mainstream?

How do you extend the trade negotiation deadline w/ CHINA?

How do you limit [test] Constitutional rights of people?

How do you provide cover for State Govs to adopt new voter laws?

How do you effectively control the population?

How do you expand big tech overreach re: tracing / privacy issues?

How do you fix [taxpayer bailout?] the long-broken economies of CA & NY?

How do you enrich select people/co's by promoting a solution to a global crisis?

How do you keep people living in fear and isolation in order to accept the above?

Define 'insurgency'.

How do you accomplish all of the above?

Memorandum from the Attorney General
Subject: Balancing Public Safety with the Preservation of Civil Rights

Page 2

Many policies that would be unthinkable in regular times have become commonplace in recent weeks, and we do not want to unduly interfere with the important efforts of state and local officials to protect the public. But the Constitution is not suspended in times of crisis. We must therefore be vigilant to ensure its protections are preserved, at the same time that the public is protected.

I thank you for your attention to this important initiative and for your service to our country.

When the protein sequence of the SARS-CoV-2 receptor binding site was analyzed, an interesting result was found. While SARS-CoV-2 is overall more similar to bat coronaviruses, the receptor binding site was more similar to SARS-CoV.

Both SARS-CoV-2 and SARS-CoV use the same host cell receptor. It also found that, for both viruses, the viral proteins used for host cell entry bind to the receptor with the same tightness (affinity).

President of Tanzania John Magufuli has outsmarted somebody. He allowed coronavirus testing kits to be imported into his country. He instructed that they be checked by Tanzanian security officials. They tested non-human samples, including a goat and a pawpaw (fruit). The tests were given human names and ages as they were sent off for results. They tested positive. A fruit. A goat. President Magufuli said, "Something is happening."

>"I have a very special connection with Shanghai."
<https://www.libertynation.com/feinsteins-chinese-spy-facing-facts/>
A 1997 Los Angeles Times article is crucial in detailing just how cozy Feinstein had become with Chinese officials at the time.

The article details how Feinstein's husband Richard C. Blum began investing in China with "one project worth less than \$500,000" in 1992 before suddenly planning on investing \$150 million two years later.

At the exact same moment that Blum's Chinese investment began to skyrocket, "Feinstein's role on U.S. policy toward China... expanded. In January 1995, she became a member of the Senate Foreign Relations Committee, giving her a prominent platform for her efforts to support China's trade privileges," the Times reported.

The 1997 article also reveals that Feinstein made three visits "since 1995" to meet with senior Chinese officials, including President Jiang Zemin, bringing her husband along each time.

Think [leak investigation]
Think Horowitz [Midyear] re: FBI_media assets
"We identified numerous FBI employees at all levels of the organization and with no official reason to be in contact with the media, who were nevertheless in frequent contact with reporters. Some of those media contacts were social in nature too, including drinks and meals after work, going to sporting events and playing golf."
Think WL HRC_Podesta media asset(s) list.

The INITIAL Flynn/Kislyak leak was not to David Ignatius – it was to WaPo reporter Adam Entous.

The leak came directly from “sources [who] saw a transcript and described it to [Entous].”

February 9: The strategy to get Flynn fired didn't immediately work so another leak was deployed to Greg Miller (Adam Entous) Ellen Nakashima of the Washington Post. That article, headline "National security adviser Flynn discussed sanctions with Russian ambassador; despite denials, officials say," was sourced to people who happened to share senior FBI leadership's views on the Flynn Act. This article was also based on criminal leaks of top secret information of

Adam Entous - The Washington Post

https://www.washingtonpost.com/flynn/Adam-entous-4/ When Entous wrote about national security, foreign policy and intelligence, he left the Washington Post in December 2017. He joined the newspaper in 2016 after more than 10 years with the Wall.

Obama, Biden Oval Office Meeting On January 5 Was Key To Entire Anti-Trump Operation

unusually because it was those sources who reported the story, presumably in light of what Flynn had told them about the calls, Yates would go to the White House the next day and intimate Flynn should probably be fired.

Roger MF was mentioned in company group too... Evidently their work on the limey is paying off.

Deoku Paying off how?

Yea... he mentioned Limey in a call earlier this week. Scared shitless

Severus He isn't brightest bulb, but that project has worked perfectly.

Roger It really has. Fuck didn't AEW mention it when we gave him that tape?

The Armor of God
Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.
And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord’s people.

05/12/2020		MINUTE ORDER as to MICHAEL T. FLYNN. Given the current posture of this case, the Court anticipates that individuals and organizations will seek leave of the Court to file amicus curiae briefs pursuant to Local Civil Rule 7(o). There is no analogous rule in the Local Criminal Rules, but "[the Local Civil] Rules govern all proceedings in the United States District Court for the District of Columbia." LCvR 1.1. "An amicus curiae, defined as friend of the court,... does not represent the parties but participates only for the benefit of the Court." <i>United States v. Microsoft Corp.</i> , No. 98-cv-1232(CKK), 2002 WL 319366, at *2 (D.D.C. Feb. 28, 2002) (internal quotation marks omitted). Thus, "[i]t is solely within the court's discretion to determine the fact, extent, and manner of the participation." <i>Jin v. Ministry of State Sec.</i> , 557 F. Supp. 2d 131, 136 (D.D.C. 2008) (citation and internal quotation marks omitted). "An amicus brief should normally be allowed when a party is not represented competently or is not represented at all, when the amicus has an interest in some other case that may be affected by the decision in the present case (though not enough affected to entitle the amicus to intervene and become a party in the present case), or when the amicus has unique information or perspective that can help the court beyond the help that the lawyers for the parties are able to provide. Otherwise, leave to file an amicus curiae brief should be denied." <i>Id.</i> at 137 (quoting <i>Ryan v. Commodity Futures Trading Comm'n</i> , 125 F.3d 1062, 1064 (7th Cir. 1997)); <i>see also</i> LCvR 7(o). Although there is no corollary in the Local Criminal Rules to Local Civil Rule 7(o), a person or entity may seek leave of the Court to file an amicus curiae brief in a criminal case. <i>See</i> Min. Order, <i>United States v. Simmons</i> , No. 18-cr-344 (EGS) (D.D.C. May 3, 2020); <i>cf.</i> <i>United States v. Fokker Servs. B.V.</i> , 818 F.3d 733, 740 (D.C. Cir. 2016) (appointing amicus curiae in a criminal case). As Judge Amy Berman Jackson has observed, "while there may be individuals with an interest in this matter, a criminal proceeding is not a free for all." Min. Order, <i>United States v. Stone</i> , No. 19-cr-18 (ABJ) (D.D.C. Feb. 28, 2019). Accordingly, at the appropriate time, the Court will enter a Scheduling Order governing the submission of any amicus curiae briefs. Signed by Judge Emmet G. Sullivan on 5/12/2020. (lcegs3) (Entered: 05/12/2020)

Listen carefully.
Why are possible [treatments][cures] being banned?
Why are possible [treatments][cures] being attacked?
Why are possible [treatments][cures] being targeted?
Evidence overwhelming?
HOW DO YOU KEEP PEOPLE LIVING IN FEAR?
HOW DO YOU KEEP PEOPLE DIVIDED?
HOW DO YOU JUSTIFY VOTE-BY-MAIL?
HOW DO YOU JUSTIFY STATE BAILOUT(S)?
HOW DO YOU MAKE PEOPLE STARVE [DEPENDENT ON GOV]?
HOW DO YOU JUSTIFY ANYTHING NON_COVID RELATED TO BE A POLITICAL ATTACK [FISA_UNMASK]?
HOW DO YOU CREATE A DIVERSION?
HOW DO YOU SHIFT THE NARRATIVE?
HOW DO YOU KILL POTUS ECONOMIC GAINS?
HOW DO YOU KILL POTUS UNEMPLOYMENT RECORD(S)?
HOW DO YOU PREVENT POTUS RALLY[IES]?
HOW DO YOU DELAY USA_CHINA TRADE NEGOTIATION [PREVENT [FIXED] BILLION(S) CLAWBACK]?
HOW DO YOU SHELTER [BIDEN] FROM DEBATES?
HOW DO YOU SHELTER & PROTECT [BIDEN]?
HOW DO YOU PUSH_DELAY [D] PARTY CONVENTION?
WHY IS PUSHING CONVENTION CLOSER TO ELECTION DAY NECESSARY?
HOW DO YOU CHANGE-OUT [D] PARTY CANDIDATE [OPTION]?
HOW DO YOU CONVINCE [D] PARTY VOTERS TO ACCEPT?
HOW DO YOU TRAP [INSTALL MEDICAL ADVISORS_SKY_IS_FALLING] POTUS INTO ENDORSEMENT OR FACE WW MEDICAL-SCIENCE-MEDIA FULL ASSAULT?
IS THIS ABOUT THE ELECTION OR THE VIRUS?
WHO BENEFITS THE MOST?
Time to end the horror show?

Time to term [select] gov controls by legal challenge?
Time to stand?

Why did [D]s push 'everything is fine' narrative early on [ex: Pelosi China town]?
Why did science board push [no need close China travel] narrative early on?
Why did [select] govs push COVID-19 positive elderly patients into nursing homes [most at risk_proven] when surplus of availability in hospitals [+ USNS_Comfort]?
Why are CDC numbers conflating COVID-19 deaths with influenza, pneumonia, other?
Why are influenza deaths at [all-time] historical low levels vs years past [outside of standard deviation]?
Why are COVID-19 tests returning positive results on pawpaw's and animals?

THE LORI KLAUSUTIS SCANDAL

THE SHOCKING TRUE STORY YOU WILL NOT SEE ON MSNBC

Where was Joe Scarborough at the time of death?

“A SHOCKING DISCOVERY. Juanita and Andreas Bergmann had an appointment at 8:00 AM, July 20th, at the Fort Walton Beach office of Congressman Joe Scarborough (R-FL). The appointment had been arranged by the Congressman’s young aide, Lori Klausutis, and Mr. and Mrs. Bergmann **thought they were going to meet with the Congressman to facilitate Mr. Bergmann’s application for a green card.** Instead, they found the body of Lori Klausutis.”

FROM SPECIAL REPORT “NEVER BOUND BY THE TRUTH” BY CHRIS GEORGE AND DENIS WRIGHT

Police investigators gather evidence from the Fort Walton Beach office of Congressman Joe Scarborough (R-FL) where 28-year-old intern Lori Klausutis was found dead July 20, 2001.

THE OBVIOUS QUESTIONS THAT NEED TO BE ANSWERED:

- Where was Joe Scarborough when Lori Klausutis suffered her fatal injuries?
- If he was in Washington DC as has been suggested, why would Lori Klausutis have scheduled an 8:00 AM appointment for him in Fort Walton Beach, Florida?
- If he was in Florida and had no prior knowledge of Lori Klausutis’s death, why didn’t he show up for his 8:00 AM appointment with the Bergmanns?

However, Nunes, upon reviewing the document that formally launched the FBI’s investigation, said there was no intelligence shared through that official channel, meaning that the intelligence was shared through unofficial means.”

On January 5, following a briefing by IC leadership on Russian hacking during the 2016 Presidential election, President Obama had a brief follow-on conversation with FBI Director Jim Comey and Deputy Attorney General Sally Yates in the Oval Office. Vice President Biden and I were also present.

President Obama began the conversation by stressing his continued commitment to ensuring that every aspect of this issue is handled by the Intelligence and law enforcement communities "by the book". The President stressed that he is not asking about, initiating or instructing anything from a law enforcement perspective. He reiterated that our law enforcement team needs to proceed as it normally would by the book.

From a national security perspective, however, President Obama said he wants to be sure that, as we engage with the incoming team, we are mindful to ascertain if there is any reason that we cannot share information fully as it relates to Russia.

Director Comey affirmed that he is proceeding "by the book" as it relates to law enforcement. From a national security perspective, Comey said he does have some concerns that incoming NSA Flynn is speaking frequently with Russian Ambassador Kislyak. Comey said that could be an issue as it relates to sharing sensitive information. President Obama asked if Comey was saying that the NSC should not pass sensitive information related to Russia to Flynn. Comey replied "potentially." He added that he has no indication thus far that Flynn has passed classified information to Kislyak, but he noted that "the level of communication is unusual."

The President asked Comey to inform him if anything changes in the next few weeks that should affect how we share classified information with the incoming team. Comey said he would.

We hold these truths to be self-evident, that all men (& women) are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men (& Women), deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —

Insurgency.
Insurgency is the organized use of subversion and violence to seize, nullify or challenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They only need the active support of a few enabling individuals, but the passive acquiescence of a large proportion of the contested population will give a higher probability of success. This is best achieved when the political cause of the insurgency has strong appeal, manipulating religious, tribal or local identity to exploit common societal grievances or needs. Insurgents seek to gain control of populations through a combination of persuasion, subversion and coercion while using guerrilla tactics to offset the strengths of government security forces. nullify, or challenge political control of a region.'

Insurgents seek to subvert or displace the government and completely or partially control the resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propaganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence.

Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.

NEXT:

Counterinsurgency may be defined as 'comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes'.

A screenshot of a Twitter thread from Donald J. Trump (@realDonaldTrump). The main tweet, posted at 8:41 AM on 5/30/20, says: "Great job last night at the White House by the U.S. @SecretService. They were not only totally professional, but very cool. I was inside, watched every move, and couldn't have felt more safe. They let the 'protesters' scream & rant as much as they wanted, but whenever someone....". It has 6,519 Retweets and 21.6K Likes. Below it are three replies, all from Donald J. Trump, replying to @realDonaldTrump. The first reply says: "....got too frisky or out of line, they would quickly come down on them, hard - didn't know what hit them. The front line was replaced with fresh agents, like magic. Big crowd, professionally organized, but nobody came close to breaching the fence. If they had they would....". The second reply says: "....have been greeted with the most vicious dogs, and most ominous weapons, I have ever seen. That's when people would have been really badly hurt, at least. Many Secret Service agents just waiting for action. 'We put the young ones on the front line, sir, they love it, and....". The third reply says: "....good practice.'" As you saw last night, they were very cool & very professional. Never let it get out of hand. Thank you! On the bad side, the D.C. Mayor, @MurielBowser, who is always looking for money & help, wouldn't let the D.C. Police get involved. 'Not their job.'" Nice!

The Enlightenment is often associated with its political revolutions and ideals, especially the French Revolution of 1789. The energy created and expressed by the intellectual foment of Enlightenment thinkers contributes to the growing wave of social unrest in France in the eighteenth century. The social unrest comes to a head in the violent political upheaval which sweeps away the traditionally and hierarchically structured ancien régime (the monarchy, the privileges of the nobility, the political power of the Catholic Church). The French revolutionaries meant to establish in place of the ancien régime a new reason-based order instituting the Enlightenment ideals of liberty and equality.

...enlightenment with the process of undertaking to think for oneself, to employ and rely on one's own intellectual capacities in determining what to believe and how to act.

The Armor of God
Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. 17 Take the helmet of salvation and the sword of the Spirit, which is the word of God.
And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.
Have faith in Humanity.

Have faith in Yourself.
Have faith in God.
The Great Awakening.

<https://www.ushistory.org/declaration/document/>

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government.

Old Glory stands for Freedom and Equality for All.
The Flag was carried by Union Soldiers during the Civil War in a fight to abolish slavery [v Confederate Democrats].
The Flag of Lincoln.
It was considered a great honor to be chosen to carry the flag in battle.
The Soldier was unarmed and knew they would most certainly die (as did most who fought), but understood that the fight, that their lives, was worth the cost (self-sacrifice).
They believed in something greater than themselves.
To them, the flag represented a symbol of freedom, of hope, of equality and prosperity.
To disrespect the flag, to kneel, is to disrespect those people who fought and died to provide each and every one of us the rights we are afforded today.
Old Glory knows not what color skin carries her - only that for which it stands - one Nation under God, indivisible, with Liberty and JUSTICE FOR ALL.
TO FREE FROM OPPRESSION.
“Freedom is never more than one generation away from extinction. We didn’t pass it on to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.” - Reagan

45 out of 50 Governors did **not** force COVID infected patients into nursing homes

But 5 did:

Cuomo (NY)
Wolf (PA)
Whitmer (MI)
Murphy (NJ)
Newsom (CA)

Nearly **half** of all COVID nursing home deaths were in these states

That's not an accident

That's systemic murder

"The Posse Comitatus Act, 18 U.S. Code, Section 1385, an original intent of which was to end the use of federal troops [TO POLICE STATE ELECTIONS] in former Confederate states, proscribes the role of the Army and Air Force in executing civil laws and states."

KEY EXCEPTIONS TO THE POSSE COMITATUS ACT

"Pursuant to the presidential power to quell domestic violence, federal troops are expressly exempt from the prohibitions of Posse Comitatus Act, and this exemption applies equally to active-duty military and federalized National Guard troops."

"The immunity of a state from suit has long been held not to extend to actions against state officials for damages arising out of willful and negligent disregard of state laws.165 The reach of the rule is evident in Scheuer v. Rhodes,166 in which the Court held that plaintiffs were not barred by the Eleventh Amendment or other immunity doctrines from suing the governor and other officials of a state alleging that they deprived plaintiffs of federal rights under color of state law and seeking damages, when it was clear that plaintiffs were seeking to impose individual and personal liability on the officials. There was no “executive immunity” from suit, the Court held; rather, the immunity of state officials is qualified and varies according to the scope of discretion and responsibilities of the particular office and the circumstances existing at the time the challenged action was taken."

A person(s) value:

1. vote
2. monetary value (tax contribution)
- 3.

Why is 'free thought' ridiculed, challenged, and threatened when a person is opposed to the 'mainstream-narrative'?

[2] remains fixed (degree allowable by 'economic recession/expansion')

[1] remains a variable

[1] dependent on a 'controlled' system of information dissemination

What happens when 90% of the media is controlled/owned by (6) corporations?

What happens when those same corporations are operated and controlled by a

political ideology?

What happens when the news is no longer free from bias?

What happens when the news is no longer reliable and independent?

What happens when the news is no longer trustworthy?

What happens when the news simply becomes an extension/arm of a political party?

Fact becomes fiction?

Fiction becomes fact?

When does news become propaganda?

Identity creation?

How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?

Majority of people more prone to believe someone in power sitting behind a big brand ‘news’ name?

Do people [human psyche] tend to follow the ‘majority/mainstream viewpoint’ in fear of being isolated and/or shunned?

‘Mainstream’ is used for a reason [dominate trend in opinion].

[If majority of people believe ‘x’ then ‘x’ must be validated / true]

Why do ‘mainstream’ media heads, within different orgs, always use the same keywords and/or catch phrases?

Coordinated? By who? Outside entity providing instructions?

Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different ‘trusted’ sources?

Do ‘echo chamber’ tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again – digest.

Would control over[of] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

THINK BLM PUSH EVERY 4-YEARS.

Logical thinking.

Why, after the election of 2016, did [D]’s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other ‘ism’?

How much of the population still believes POTUS colluded w/ RUSSIA due to MSDNC 365-blitz?

No MSDNC retraction of POTUS_RUSSIA collusion narrative [propaganda]? _why?

Pre/post 2016 election?

Why were[are] violent [masked] terror orgs such as Antifa immediately created/funded and allowed to operate within [D] controlled cities [safe-zones]?

Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?

Why were marches immediately organized which divided people into sex/gender, race, [ism]?

When you control the levers of news dissemination, you control the narrative.

Control of the narrative = power

When you are blind, what do you see?

They want you divided.

Divided by religion.

Divided by race.

Divided by sex.

Divided by political affiliation.

Divided by class.

When you are divided, and angry, and controlled, you target those ‘different’ from you, not those responsible [controllers].

Divided you are weak.

Divided you pose no threat to their control.

When ‘non-dogmatic’ information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].

When you are awake, you stand on the outside of the stable (‘group-think’ collective), and have ‘free thought’.

"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

June 7, 2020

Holy Trinity Sunday

Mr. President,

In recent months we have been witnessing the formation of two opposing sides that I would call Biblical: the children of light and the children of darkness. The children of light constitute the most conspicuous part of humanity, while the children of darkness represent an absolute minority. And yet the former are the object of a sort of discrimination which places them in a situation of moral inferiority with respect to their adversaries, who often hold strategic positions in government, in politics, in the economy and in the media. In an apparently inexplicable way, the good are held hostage by the wicked and by those who help them either out of self-interest or fearfulness.

These two sides, which have a Biblical nature, follow the clear separation between the offspring of the Woman and the offspring of the Serpent. On the one hand, there are those who, although they have a thousand defects and weaknesses, are motivated by the desire to do good, to be honest, to raise a family, to engage in work, to give prosperity to their homeland, to help the needy, and, in obedience to the Law of God, to merit the Kingdom of Heaven. On the other hand, there are those who serve themselves, who do not hold any moral principles, who want to demolish the family and the nation, exploit workers to make themselves unduly wealthy, foment internal divisions and wars, and accumulate power and money: for them the fallacious illusion of temporal well-being will one day – if they do not repent – yield to the terrible fate that awaits them, far from God, in eternal damnation.

We will also discover that the riots in these days were provoked by those who, seeing that the virus is inevitably fading and that the social alarm of the pandemic is waning, necessarily have had to provoke civil disturbances, because they would be followed by repression which, although legitimate, could be condemned as an unjustified aggression against the population. The same thing is also happening in Europe, in perfect synchrony. It is quite clear that the use of street protests is instrumental to the purposes of those who would like to see someone elected in the upcoming presidential elections who embodies the goals of the deep state and who expresses those goals faithfully and with conviction. It will not be surprising if, in a few months, we learn once again that hidden behind these acts of vandalism and violence there are those who hope to profit from the dissolution of the social order so as to build a world without freedom: Solve et Coagula, as the Masonic adage teaches.

Although it may seem disconcerting, the opposing alignments I have described are also found in religious circles. There are faithful Shepherds who care for the flock of Christ, but there are also mercenary infidels who seek to scatter the flock and hand the sheep over to be devoured by ravenous wolves. It is not surprising that these mercenaries are allies of the children of darkness and hate the children of light: just as there is a deep state, there is also a deep church that betrays its duties and forswears its proper commitments before God. Thus the Invisible Enemy, whom good rulers fight against in public affairs, is also fought against by good shepherds in the ecclesiastical sphere. It is a spiritual battle, which I spoke about in my recent Appeal which was published on May 8. In society, Mr. President, these two opposing realities co-exist as eternal enemies, just as God and Satan are eternal enemies. And it appears that the children of darkness – whom we may easily identify with the deep state which you wisely oppose and which is fiercely waging war against you in these days – have decided to show their cards, so to speak, by now revealing their plans. They seem to be so certain of already having everything under control that they have laid aside that circumspection that until now had at least partially concealed their true intentions. The investigations already under way will reveal the true responsibility of those who managed the COVID emergency not only in the area of health care but also in politics, the economy, and the media. We will probably find that in this colossal operation of social engineering there are people who have decided the fate of humanity, arrogating to themselves the right to act against the will of citizens and their representatives in the governments of nations.

4542

Q !!Hs1Jq13jV6 06/29/2020 18:32:10 ID: 8e51b7

8kun/qresearch: 9791782

[2]

For the first time, the United States has in you a President who courageously defends the right to life, who is not ashamed to denounce the persecution of Christians throughout the world, who speaks of Jesus Christ and the right of citizens to freedom of worship. Your participation in the March for Life, and more recently your proclamation of the month of April as National Child Abuse Prevention Month, are actions that confirm which side you wish to fight on. And I dare to believe that both of us are on the same side in this battle, albeit with different weapons.

For this reason, I believe that the attack to which you were subjected after your visit to the National Shrine of Saint John Paul II is part of the orchestrated media narrative which seeks not to fight racism and bring social order, but to aggravate dispositions; not to bring justice, but to legitimize violence and crime; not to serve the truth, but to favor one political faction. And it is disconcerting that there are Bishops – such as those whom I recently denounced – who, by their words, prove that they are aligned on the opposing side. They are subservient to the deep state, to globalism, to aligned thought, to the New World Order which they invoke ever more frequently in the name of a universal brotherhood which has nothing Christian about it, but which evokes the Masonic ideals of those who want to dominate the world by driving God out of the courts, out of schools, out of families, and perhaps even out of churches.

The American people are mature and have now understood how much the mainstream media does not want to spread the truth but seeks to silence and distort it, spreading the lie that is useful for the purposes of their masters. However, it is important that the good – who are the majority – wake up from their sluggishness and do not accept being deceived by a minority of dishonest people with unavowable purposes. It is necessary that the good, the children of light, come together and make their voices heard. What more effective way is there to do this, Mr. President, than by prayer, asking the Lord to protect you, the United States, and all of humanity from this enormous attack of the Enemy? Before the power of prayer, the deceptions of the children of darkness will collapse, their plots will be revealed, their betrayal will be shown, their frightening power will end in nothing, brought to light and exposed for what it is: an infernal deception.

THESE are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly: it is dearness only that gives everything its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed if so celestial an article as FREEDOM should not be highly rated. – Thomas Paine

Humanity is good, but, when we let our guard down we allow darkness to infiltrate and destroy.

Like past battles fought, we now face our greatest battle at present, a battle to save our Republic, our way of life, and what we decide (each of us) now will decide our future.

Will we be a free nation under God?

Or will we cede our freedom, rights and liberty to the enemy?

We all have a choice to make. .

Evil [darkness] has never been so exposed to light.

They can no longer hide in the shadows.

Our system of government has been infiltrated by corrupt and sinister elements.

Democracy was almost lost forever.

Think HRC install: [2+] Supreme Court Justices, 200+ judges, rogue elements expanded inside DOJ, FBI, CIA, NSA, WH, STATE,removal 2nd amendment, border etc. America for sale: China, Russia, Iran, Syria.....ISIS & AL Q expansion.....expansion surv of domestic citizens.....modify/change voter rules and regulations allow illegals+ballot harvesting w/ SC backed liberal-social opinion.....sell off of military to highest bidder to fight internal long-standing wars.....

Their thirst for a one world order [destruction of national sovereignty] serves to obtain control over America [and her allies [think EU]] by diluting your vote to oblivion and installing a new one world ruling party.

The start of this concept began with organizations such as: world health org, world trade org, united nations, ICC, NATO, etc., [all meant to weaken the United States] also the formation of EU through threat [con] of close proximity attack [attack on one is an attack on all – sales pitch to gen public – fear control].

Re: EU _did each member nation cede sovereignty to Brussels?

Re: EU _each member must implement EU rules and regulations in all areas [think immigration, currency, overall control].

Their thirst to remove your ability to defend yourself serves to prevent an uprising to challenge their control.

There is a fundamental reason why our enemies dare not attack [invade] our borders [armed citizenry].

If America falls so does the world.

If America falls darkness will soon follow.

Only when we stand together, only when we are united, can we defeat this highly entrenched dark enemy.

Their power and control relies heavily on an uneducated population.

A population that trusts without individual thought.

A population that obeys without challenge.

A population that remains outside of free thought, and instead, remains isolated living in fear inside of the closed-loop echo chamber of the controlled mainstream media.

This is not about politics.

This is about preserving our way of life and protecting the generations that follow.

We are living in Biblical times.

Children of light vs children of darkness.

United against the Invisible Enemy of all humanity.

“As an example, when we learned last week that [Brann] was about to use her authority to order an across-the-board release of hundreds of inmates serving city sentences, we were assured that the release would not include those serving time for domestic violence or sex offenses, given the risks to victims,” the letter states.

Welcome to the Digital Battlefield - Together We Win

Q !!Hs1Jq13jV6 24 Jun 2020 - 1:01:36 PM

You have been selected to help serve your Country.
Never retreat from the battlefield [Twitter, FB, etc.].
Use other platforms as a form of centralized command and control.
Organize and connect [bridge through linking].
Source meme(s) material from battlefield and/or garage [highlight & share][take & drop]
Mission 1: Dispute [reject] propaganda push through posting of research and facts
Mission 2: Support role of other digital soldiers [one falls another stands (rises)]
Mission 3: Guide [awaken] others through use of facts [DECLAS 1-99 material and other relevant facts] and memes [decouple MSDNC control of info stream] _ask 'counter' questions to initiate 'thought' vs repeat [echo] of MSDNC propaganda
Mission 4: Learn use of camouflage [digitally] _primary account suspended-terminated _use of secondary

Kevin Corke

@kevincorke

Remember when I said, wake me when there are indictments and or arrests? Well, a solid DOJ source just told me to "set my alarm clock."

I said, I'll believe it when I see it.

Signal since Day 1. Did they know?

"Signal became one of the top 10 most downloaded social apps on iOS yesterday for the first time, according to data from App Annie. The app often sees spikes in downloads during tumultuous political times, but the last time Signal downloads ranked nearly as high was on the day of President Trump's inauguration"

Q, I'm in Oregon City. Clackamas County. Level 2 Evacuation. Terrified. Fires raging everywhere. I've been posting to you here for about 2 weeks about these fires. It is real. The rednecks around me are on alert. The others are completely brainwashed. There is no hope for them. Their eyeballs are no longer connected to their brains. Like 90% of ppl are hopelessly brainwashed by the media.

Justin Weaver

Never in my life did I think I would witness a domestic terrorism attack, especially right behind my house. We heard fireworks, walked out and saw giant flash and then a whole house engulfed in flames. A random car fire bombed it on Jennings and I pray the family got out. Trying to keep my wife and daughter calm while quickly loading what we could to escape was hard. Watching suspicious cars full of people slowly driving up and down the street while trying to load hoping nothing is thrown at us is terrifying. I hope no one has to go through this and whoever's doing this just stop. Do you really want to murder innocent families!? Everyone keep your head on a swivel, watch your street, neighbors and most importantly protect your family and everyone you can.

RELEASE OF COURT OPINION RELATED TO THE TEMPORARY RETENTION, USE, AND DISCLOSURE OF UNLAWFUL FISA COLLECTION

Release of Court Opinion Related to the Temporary Retention, Use, and Disclosure of Unlawful FISA Collection

September 11, 2020

Today, the ODNI, in consultation with the Department of Justice, releases a June 25, 2020, opinion by the Foreign Intelligence Surveillance Court (FISC) evaluating and approving limited circumstances under which the Government may temporarily retain, use, or disclose information that was unlawfully acquired pursuant to a FISC order.

On December 9, 2019, the Government advised the FISC that it was sequestering collection associated with Foreign Intelligence Surveillance Act (FISA) applications targeting Carter W. Page (Page) based upon its determination that at least the third and fourth FISA applications targeting Page lacked sufficient predication to establish probable cause that Page was acting as an agent of a foreign power. This action was taken following a Department of Justice [Office of Inspector General \(OIG\) review](#) that identified material errors and omissions with respect to applications concerning Mr. Page.

While the Government strictly limited access to the Page FISA collection, the Government sought to temporarily retain this collection for the sole purposes of reviewing and remediating the issues revealed by the OIG report, as well as for any related investigations or litigation regarding the Government’s conduct. On January 7, 2020, [the FISC ordered the Government](#) to explain why any retention, use, or disclosure of information collected under the Page FISA applications was necessary and lawful.

Specifically, 50 U.S.C. § 1809(a)(2) and 1827(a)(2) criminalizes the intentional use and disclosure of information acquired by unauthorized electronic surveillance or physical search that was conducted under the color of a FISA authorization. In prior opinions, however, the FISC recognized a limited exception to the language of 50 U.S.C. § 1809(a)(2), for “actions that are *necessary* to mitigate or prevent the very harms at which [this section] is addressed,” such as instances where use or disclosure may be “necessary to avoid similar instances of overcollections.” ODNI previously reviewed and released to the public these earlier FISC decisions, which are available [here](#) and [here](#).

In its June 25, 2020, opinion, the FISC set parameters for the temporary retention, use, and disclosure of information acquired pursuant to the Page FISA applications with respect to: (1) ongoing Freedom of Information Act litigation with third-parties, (2) ongoing and potential civil litigation initiated by Mr. Page, (3) a review of FBI personnel’s conduct in the Page investigation, (4) Department of Justice Office of Inspector General monitoring of implementation of recommendations from its report, and (5) review of the conduct of government personnel in the Page investigation and the broader “Crossfire Hurricane” investigation of Russian interference in the 2016 Presidential election. **The Government did not seek nor did the FISC authorize the retention, use, or disclosure of the relevant FISA information for intelligence purposes.**

The FISC’s June 25, 2020 opinion is available at the link below and also in full-text searchable format [on Intelligence.gov](#).

"But even before riots exploded across the United States in the
aftermath of George Floyd's death, federal and local officials have
long been investigating the inner workings and revenue stream of
the anarchist, left-wing outfit."
"And arrests among its highest ranks may be imminent."
"Intelligence sources pointed out that indictments have been
building for some time, and a close examination of funding
revenues remains under the microscope. While Antifa operates as
something of a leaderless militant wing, sources closely engaged in
the matter said that there are identifiable top brass driving and

Strengthen my faith, Lord. Forgive my sins, so that I may be clean in your righteousness. Make me brave, so I can stand and fight the spiritual battles in my life and in our world. Give me your wisdom and discernment so I won't be caught off guard. Together, Lord, we'll win, because in truth, you already have. While evil still roams, the power of Your name and Your blood rises up to defeat and bring us victory against every evil planned against us. While malicious actions may disturb us, we use the armor of God You have given us to stand firm. You will bring justice in due time for all the harm and needless violence aimed at Your children. Until then, we remain in Your presence, aligned with Your purposes, and we look to You as our Supreme Commander and Protector. Help us to avoid temptation, and deliver us from evil, Lord. You are the Mighty One, the One Who will ultimately bring all evil to light. With You, Jesus, we are safe. Amen.

No media coverage?
Why?
The same people who control the media are the same people who are part of the evil and corrupt system?
SYSTEM OF CONTROL.
Crimes against Humanity.
You are not meant to think for yourself.
You are not meant to challenge their power [control].
Obey and accept.
Illusion of Democracy.
Illusion of Freedom.
Why does the media push division?
Why does the media incite violence?
Why does the media pit race v race?
Why does the media pit religion v religion?
Why does the media pit sex v sex?
Why does the media pit class v class?
Divided you are weak.
Divided you fight each other.
Divided you pose no threat to their system of control.
UNITY IS STRENGTH.
UNITY IS POWER.
UNITY IS HUMANITY.
Controlled media plays a major role in shaping the narrative(s) to keep you powerless [helpless] and asleep [unaware of truth].
ENEMY OF THE PEOPLE.
ENEMY OF HUMANITY.

Tom Malinowski lobbied to protect sexual predators

MICHAEL MCADAMS | AUGUST 6, 2020

That headline is not a mistake.

While he was a high paid DC lobbyist, Tom Malinowski worked to ensure sex offenders who violated children would not have to join a national sex offender registry and pushed for sexual predators to receive more lenient sentences.

DIRECTOR OF NATIONAL INTELLIGENCE
WASHINGTON, DC

SEP 29 2020

The Honorable Lindsey Graham
Chairman, Committee on the Judiciary
United States Senate
290 Russell Senate Office Building
Washington, D.C. 20510

Chairman Graham,

In response to your request for Intelligence Community (IC) information related to the Federal Bureau of Investigation’s (FBI) Crossfire Hurricane Investigation, I have declassified the following:

- In late July 2016, U.S. intelligence agencies obtained insight into Russian intelligence analysis alleging that U.S. Presidential candidate Hillary Clinton had approved a campaign plan to stir up a scandal against U.S. Presidential candidate Donald Trump by tying him to Putin and the Russians’ hacking of the Democratic National Committee. The IC does not know the accuracy of this allegation or the extent to which the Russian intelligence analysis may reflect exaggeration or fabrication.
- According to his handwritten notes, former Central Intelligence Agency Director Brennan subsequently briefed President Obama and other senior national security officials on the intelligence, including the “alleged approval by Hillary Clinton on July 26, 2016 of a proposal from one of her foreign policy advisors to vilify Donald Trump by stirring up a scandal claiming interference by Russian security services.”
- On 07 September 2016, U.S. intelligence officials forwarded an investigative referral to FBI Director James Comey and Deputy Assistant Director of Counterintelligence Peter Strzok regarding “U.S. Presidential candidate Hillary Clinton’s approval of a plan concerning U.S. Presidential candidate Donald Trump and Russian hackers hampering U.S. elections as a means of distracting the public from her use of a private mail server.”

As referenced in his 24 September 2020 letter to your Committee, Attorney General Barr has advised that the disclosure of this information will not interfere with ongoing Department of Justice investigations. Additional declassification and public disclosure of related intelligence remains under consideration; however, the IC welcomes the opportunity to provide a classified briefing with further detail at your convenience.

Respectfully,

John Ratcliffe

Some believe the protection of Agency is what matters most.

Some believe the declassification [public exposure of truth] and rebuilding of Agency is what matters most.

Apply same to FBI.

Apply same to State.

.....

Any attempt to buck the system, no matter severity of crime, and they will fight back [self-preservation].

SHADOW GAME.

Prevent public exposure of truth.

Why?

PEOPLE [UNITED] HAVE THE POWER.

That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, –That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that

Rebuffed by Vatican, Pompeo Assails China and Aligns With Pope’s Critics

Pope Francis declined to see Secretary of State Mike Pompeo, who is demanding a harder Vatican line on China. The Holy See said meeting just before a U.S. election would be inappropriate.

Rebuffed by Vatican, Pompeo Assails China and Aligns With Pope’s Critics

Pope Francis declined to see Secretary of State Mike Pompeo, who is demanding a harder Vatican line on China. The Holy See said meeting just before a U.S. election would be inappropriate.

By Jason Horowitz and Lara Jakes
Sept. 30, 2020, 7:26 p.m. ET

ROME — Secretary of State Mike Pompeo recently published a sharp letter excoriating the Vatican’s plans to renew an agreement with the Chinese government on Church operations in China. He promoted the article in a tweet, concluding, “The Vatican endangers its moral authority, should it renew the deal.”

An indignant Vatican took the article more as a calculated affront than a diplomatic gesture. The friction broke into the open on Wednesday as Mr. Pompeo arrived in Rome and met with prelates and others who are hostile to Pope Francis, while the Vatican denied him a meeting with the pontiff and rebuffed his efforts to derail the deal with China.

“Pompeo asked to meet” the pope, who turned him down because Francis had “clearly said that he does not receive political figures ahead of the elections,” Cardinal Pietro Parolin, who, as secretary of state, is the Vatican’s second-ranking official, told reporters.

But to some observers on both sides of the tensions between the Roman Catholic Church and the Trump administration, Mr. Pompeo’s visit is as much about the coming presidential election as about China policy. Mr. Pompeo dismissed that suggestion as absurd, but intended or not, his trip signals that President Trump is on the side of those conservative American Catholics who worry about the church’s direction under Francis and think he is soft on China.

Francis and Mr. Trump, who have exchanged sharp words in the past, present

starkly different visions on issues ranging from the environment to immigration to the threat of populism. In appealing to the Vatican’s support for religious freedom as a reason to drop its China agreement, Mr. Pompeo seemed to seek common ground, but in a way that upset the pope’s chief allies and delighted his chief critics.

Cardinal Parolin said Mr. Pompeo’s article had caused “surprise” at the Vatican, because this visit to Rome by the secretary and the meetings with high officials at the Holy See had already been in the works and would have been a “more opportune” forum for airing grievances. He added that Mr. Pompeo’s choice to publish in First Things, a conservative Christian magazine that has called Francis a failure as Pope, also mattered.

House Intelligence Committee to Hold Virtual Open Hearing on Misinformation and Conspiracy Theories Online

Washington, DC – On Thursday, October 15, 2020 at 1:30 pm ET, the House Permanent Select Committee on Intelligence (HPSCI) will convene a virtual unclassified hearing entitled, “Misinformation, Conspiracy Theories, and ‘Infodemics’: Stopping the Spread Online.”

Conspiracy theories and misinformation narratives that prey on individuals’ fears and uncertainties continue to mar the online landscape. Against the backdrop of a global pandemic, an economy in turmoil, and a tumultuous presidential campaign, there is ample terrain for malicious actors at home or malign foreign operatives and governments abroad to exploit such tensions by stoking chaos and dangerous, even life-threatening, untruths. Recent trends in the spread and reach of misleading or unfounded claims online have the unsettling potential to come to a head after Election Day – particularly if the certified outcome is unknown or contested in the ensuing days and weeks.

Although the seeds for many conspiracies and misinformation narratives – ranging from baseless QAnon posts, to dangerous coronavirus skepticism and denialism, to falsehoods about mail-in ballots – are often homegrown and amplified by American voices, the propaganda and covert influence machines of foreign adversaries have nonetheless repeated and amplified them in the service of strategic interests.

In the hearing, the Committee will examine:

- the intersection of and divergences between different online conspiracy and misinformation narratives;
- the role of social media platforms in the proliferation and deceleration of such content;
- how foreign actors are taking advantage of misinformation circulating U.S. online communities;
- steps that the US government and private sector need to take in response; and
- the implications for our social and political discourse beyond Election Day 2020.

WHO: Dr. Joan Donovan, Research Director, Shorenstein Center on Media, Politics, and Public Policy, Harvard Kennedy School
Ms. Nina Jankowicz, Disinformation Fellow, the Wilson Center
Ms. Cindy Otis, Vice President, Alethea Group
Ms. Melanie Smith, Head of Analysis, Graphika Inc.

Lawfare Accomplice to Dem Peach Mint Debacle Goes All in on #MuhRussia2020

Before more journos go peddling this @nypost story, they should do some diligence on the cover story for how Giuliani got the “hard drive.” Giuliani has been conspiring with Russian agents for months, including someone the US says is actively trying to interfere in this election

Why would the FBI subpoena the computer? If the store owner could give it to Giuliani, he could give it to the FBI. Makes no sense.

And let’s remember, Burisma was hacked last fall by Russia.

Do not be complicit in spreading Russian efforts to interfere in the election.

You are what matters most.
UNITED NOT DIVIDED.

ADAM SCHIFF IS PART OF THE 'GANG OF EIGHT' (INTEL).
IT WILL BECOME CRITICAL ONCE 'GANG OF EIGHT' MATERIAL IS DECLASSIFIED.
LOGICAL Q: IF ADAM SCHIFF 'KNEW' EVERYTHING HE'S INVESTIGATING AND STATING PUBLICLY TO BE KNOWINGLY 'FALSE' [DISINFORMATION] WHY THEN WOULD
HE TAKE THE COURSE OF ACTION(S) [ONGOING]?
DID ADAM SCHIFF PURPOSELY DECEIVE THE AMERICAN PUBLIC 'THINKING' THE 'GANG OF EIGHT' MATERIAL + OTHER CLASSIFIED DOCUMENTATION WOULD

At a press conference at the Interfax-Ukraine agency on Wednesday, MP Andriy Derkach announced that deputies have received new materials from investigative journalists about international corruption and the participation of Ukrainian officials in it.

"Last week, November 14, the Prosecutor General's Office (PGO), unnoticed by the media, announced a new suspicion to the notorious owner of Burisma, ex-Ecology Minister Zlochevsky. According to the suspicion, the Yanukovych family is suspected, in particular, with legalizing (laundering) of criminally obtained income through Franklin Templeton Investments, an investment fund carrying out purchases of external government loan bonds totaling \$7.4 billion," Derkach said.

With reference to the investigation, he emphasized: it was money criminally obtained by the "family" of Yanukovych and invested in the purchase of Ukrainian debt in 2013-2014.

For his part, MP Oleksandr Dubinsky from the Servant of the People faction said that according to investigators, "the Yanukovych 'family' illegally obtained \$7.4 billion and laundered the funds through an investment fund close to some representatives of the U.S. Democratic Party in the form of external government loan bonds."

Meanwhile, Derkach said that several facts indicate Franklin Templeton Investments' relationship with the U.S. Democratic Party.

"The son of Templeton's founder, John Templeton Jr., was one of President Obama's major campaign donors. Another fund-related character is Thomas Donilon. Managing Director of BlackRock Investment Institute, shareholder Franklin Templeton Investments, which has the largest share in the fund. It is noteworthy that he previously was Obama's national security advisor," Derkach said.

OPEN LETTER
TO THE PRESIDENT OF THE UNITED STATES OF AMERICA
DONALD J. TRUMP

Sunday, October 25, 2020
Solemnity of Christ the King

Mister President,

Allow me to address you at this hour in which the fate of the whole world is being threatened by a global conspiracy against God and humanity. I write to you as an Archbishop, as a Successor of the Apostles, as the former Apostolic Nuncio to the United States of America. I am writing to you in the midst of the silence of both civil and religious authorities. May you accept these words of mine as the “voice of one crying out in the desert” (Jn 1:23).

As I said when I wrote my letter to you in June, this historical moment sees the forces of Evil aligned in a battle without quarter against the forces of Good; forces of Evil that appear powerful and organized as they oppose the children of Light, who are disoriented and disorganized, abandoned by their temporal and spiritual leaders.

Daily we sense the attacks multiplying of those who want to destroy the very basis of society: the natural family, respect for human life, love of country, freedom of education and business. We see heads of nations and religious leaders pandering to this suicide of Western culture and its Christian soul, while the fundamental rights of citizens and believers are denied in the name of a health emergency that is revealing itself more and more fully as instrumental to the establishment of an inhuman faceless tyranny.

A global plan called the *Great Reset* is underway. Its architect is a global élite that wants to subdue all of humanity, imposing coercive measures with which to drastically limit individual freedoms and those of entire populations. In several nations this plan has already been approved and financed; in others it is still in an early stage. Behind the world leaders who are the accomplices and executors of this infernal project, there are unscrupulous characters who finance the *World Economic Forum* and *Event 201*, promoting their agenda.

Image Name: Elf4vVIWoAAJHjQ.jpg

Filename: d7d8f7f0cf1fe554e1a5d28b05301ccd60b90c52faf5d9d2460b352e05df950e.jpg

The purpose of the *Great Reset* is the imposition of a health dictatorship aiming at the imposition of liberticidal measures, hidden behind tempting promises of ensuring a universal income and cancelling individual debt. The price of these concessions from the International Monetary Fund will be the renunciation of private property and adherence to a program of vaccination against Covid-19 and Covid-21 promoted by Bill Gates with the collaboration of the main pharmaceutical groups. Beyond the enormous economic interests that motivate the promoters of the *Great Reset*, the imposition of the vaccination will be accompanied by the requirement of a health passport and a digital ID, with the consequent contact tracing of the population of the entire world. Those who do not accept these measures will be confined in detention camps or placed under house arrest, and all their assets will be confiscated.

Mr. President, I imagine that you are already aware that in some countries the *Great Reset* will be activated between the end of this year and the first trimester of 2021. For this purpose, further lockdowns are planned, which will be officially justified by a supposed second and third wave of the pandemic. You are well aware of the means that have been deployed to sow panic and legitimize draconian limitations on individual liberties, artfully provoking a world-wide economic crisis. In the intentions of its architects, this crisis will serve to make the recourse of nations to the *Great Reset* irreversible, thereby giving the final blow to a world whose existence and very memory they want to completely cancel. But this world, Mr. President, includes people, affections, institutions, faith, culture, traditions, and ideals: people and values that do not act like automatons, who do not obey like machines, because they are endowed with a soul and a heart, because they are tied together by a spiritual bond that draws its strength from above, from that God that our adversaries want to challenge, just as Lucifer did at the beginning of time with his “*non serviam*.”

Many people – as we well know – are annoyed by this reference to the clash between Good and Evil and the use of “apocalyptic” overtones, which according to them exasperates spirits and sharpens divisions. It is not surprising that the enemy is angered at being discovered just when he believes he has reached the citadel he seeks to conquer undisturbed. What is surprising, however, is that there is no one to sound the alarm. The reaction of the deep state to those who denounce its plan is broken and incoherent, but understandable. Just when the complicity of the mainstream media had succeeded in making the transition to the New World Order almost painless and unnoticed, all sorts of deceptions, scandals and crimes are coming to light.

Until a few months ago, it was easy to smear as “conspiracy theorists” those who denounced these terrible plans, which we now see being carried out down to the smallest detail. No one, up until last February, would ever have thought that, in all of our cities, citizens would be arrested simply for wanting to walk down the street, to breathe, to want to keep their business open, to

want to go to church on Sunday. Yet now it is happening all over the world, even in picture-postcard Italy that many Americans consider to be a small enchanted country, with its ancient monuments, its churches, its charming cities, its characteristic villages. And while the politicians are barricaded inside their palaces promulgating decrees like Persian satraps, businesses are failing, shops are closing, and people are prevented from living, traveling, working, and praying. The disastrous psychological consequences of this operation are already being seen, beginning with the suicides of desperate entrepreneurs and of our children, segregated from friends and classmates, told to follow their classes while sitting at home alone in front of a computer.

In Sacred Scripture, Saint Paul speaks to us of “the one who opposes” the manifestation of the *mystery of iniquity*, the *kathèkon* (2 Thess 2:6-7). In the religious sphere, this obstacle to evil is the Church, and in particular the papacy; in the political sphere, it is those who impede the establishment of the New World Order.

As is now clear, the one who occupies the Chair of Peter has betrayed his role from the very beginning in order to defend and promote the globalist ideology, supporting the agenda of the deep church, who chose him from its ranks.

Mr. President, you have clearly stated that you want to defend the nation – *One Nation under God*, fundamental liberties, and non-negotiable values that are denied and fought against today. It is you, dear President, who are “the one who opposes” the deep state, the final assault of the children of darkness.

For this reason, it is necessary that all people of good will be persuaded of the epochal importance of the imminent election: not so much for the sake of this or that political program, but because of the general inspiration of your action that best embodies – in this particular historical context – that world, our world, which they want to cancel by means of the lockdown. Your adversary is also our adversary: it is the Enemy of the human race, He who is “a murderer from the beginning” (Jn 8:44).

Around you are gathered with faith and courage those who consider you the final garrison against the world dictatorship. The alternative is to vote for a person who is manipulated by the deep state, gravely compromised by scandals and corruption, who will do to the United States what Jorge Mario Bergoglio is doing to the Church, Prime Minister Conte to Italy, President Macron to France, Prime Minister Sanchez to Spain, and so on. The blackmailable nature of Joe Biden – just like that of the prelates of the Vatican’s “magic circle” – will expose him to be used unscrupulously, allowing illegitimate powers to interfere in both domestic politics as well as international balances. It is obvious that those who manipulate him already have someone worse than him ready, with whom they will replace him as soon as the opportunity arises.

Image Name: Elf4vVkX0AAMM0b.jpg

Filename: 73196f8987cf930ee17301b1e092fa4c3c79f64bd1cef6de91aac6cae8e950c3.jpg

And yet, in the midst of this bleak picture, this apparently unstoppable advance of the “Invisible Enemy,” an element of hope emerges. The adversary does not know how to love, and it does not understand that it is not enough to assure a universal income or to cancel mortgages in order to subjugate the masses and convince them to be branded like cattle. This people, which for too long has endured the abuses of a hateful and tyrannical power, is rediscovering that it has a soul; it is understanding that it is not willing to exchange its freedom for the homogenization and cancellation of its identity; it is beginning to understand the value of familial and social ties, of the bonds of faith and culture that unite honest people. This *Great Reset* is destined to fail because those who planned it do not understand that there are still people ready to take to the streets to defend their rights, to protect their loved ones, to give a future to their children and grandchildren. The leveling inhumanity of the globalist project will shatter miserably in the face of the firm and courageous opposition of the children of Light. The enemy has Satan on its side, He who only knows how to hate. But on our side, we have the Lord Almighty, the God of armies arrayed for battle, and the Most Holy Virgin, who will crush the head of the ancient Serpent. “If God is for us, who can be against us?” (Rom 8:31).

Mr. President, you are well aware that, in this crucial hour, the United States of America is considered the defending wall against which the war declared by the advocates of globalism has been unleashed. Place your trust in the Lord, strengthened by the words of the Apostle Paul: “I can do all things in Him who strengthens me” (Phil 4:13). To be an instrument of Divine Providence is a great responsibility, for which you will certainly receive all the graces of state that you need, since they are being fervently implored for you by the many people who support you with their prayers.

With this heavenly hope and the assurance of my prayer for you, for the First Lady, and for your collaborators, with all my heart I send you my blessing.

God bless the United States of America!
